## Light-Weight With Head Room To Spare

LION's **American Legend** traditional fiberglass fire helmet, provides outstanding head, eye, ear and neck protection, while also offering additional head room and a light weight for on-the-job comfort and mobility. Key American Legend high-performance features include:

- | Weigh in at just 50 to 56 ounces (depending upon configuration)
- | Ratcheting headband with a Nomex® foam wrap adjusts to fit head sizes 5.5 to 9 (American Legend) and 5.5 to 9.5 (American Legend X)
- | A low-profile SMC shell with a powder coat, impact-resistant finish
- | Washable, replaceable Nomex and flannel ear/kneecovers
- | Patented Center of Gravity™ adjustment system for a custom fit
- | Available in Black, Red, White and Yellow
