

High-Performance
Emergency Medical Services
(EMS) Rescue Wear

MedPro™

LION®
ready for action

Designed specifically to meet the demanding needs of today's EMS professionals, LION's **MedPro** EMS coat and pant combination features advanced construction and optional enhancements that ensure on-the-job comfort, safety and mobility. That includes:

- **NFPA 1999-certified** for advanced protection
- High-performance, **Westex® DH** fire-resistant outer shell with a **HydroPel Premier** finish for comfortable, durable protection against flash fires
- **CROSSTECH® EMS** moisture barrier protects against blood, bodily fluids and water, while remaining breathable
- Superior mobility thanks to a banded crotch, a bi-swing back and underarm bellows
- Numeric sizing, take-up straps and zippered legs for a custom fit that's easy to don and doff
- Available in **male** and **female cuts**
