Capture

Capture is a fully featured frame and tile furniture system that includes laminate storage elements. This price list includes detailed product information and pricing for these products.

Fellowes product catalogs are available in the following design software: CAP, Data One, Giza, Midnight-Oil, and Project Matrix. The Systems price list is also available in .pdf (Acrobat Reader) format on www.trenddealer.com. For Architects and Designers, a free FSL (Furniture Symbol Library) is available on www.trendway.com.

Product dimensions are given throughout the product catalog and are followed by parenthesis which have the metric equivalent in millimeters. For example: A Rectangular Work Surface is available in a 48" (1219)-width.

Ordering Information

The most efficient way to enter an order is through Fellowes On-Line Order Entry on dealer.trendway.com, which also accepts .sif files from the design software listed above. Faxed orders are available as well but may extend lead-times.

For ease in specifying, Fellowes' catalog numbering system uses meaningful characters to convey description, surface type, and size. For example, C8FR2034 represents a **Capture 8 Wire Base Frame** that is **20"** (508)-wide and **34"** (864)-high.

Order specification examples are shown throughout the price list at the bottom of each page. Be sure to follow the order sequence carefully to ensure complete and accurate order specification.

After placing an order, Fellowes will send an order acknowledgement that follows the sequence of information outlined below. Fellowes encourages you to follow the same steps so that checking your order against the acknowledgement will be as easy as possible.

Placing an Order

To make placing an order simple, Fellowes On-Line Order Entry automatically prompts the product and option decisions that are required. For accurate order processing on faxed orders, please type or use legible handwriting, and be sure to include the following information:

1. A complete "sold to" address with correct Zip code.
2. A complete "ship to" address with correct Zip code.
