

Centrik

Versatile

Work in Style

Designed by and for designers. Centrik chair will fit perfectly into any type of office or home space. This versatile chair provides comfort without compromising style.

Centrik

Versatile

overview

Ratchet Back

Backrest easily adjusts up or down relative to seat for personalized lumbar region support and comfort.

Pneumatic Height Adjustment

Pneumatically adjust height to always have feet flat on the floor.

Weight Balance Mechanism

Mechanism controlled by body weight. Both the seat and the backrest follow movements of seated person thanks to self-adjustable counter-pressure according to body weight.

3 Position tilt

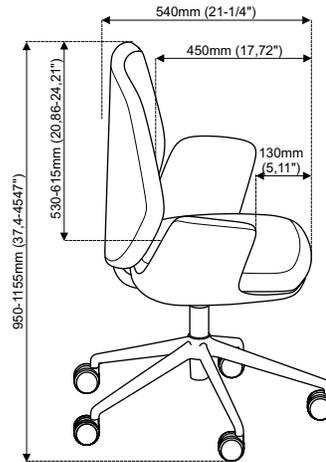

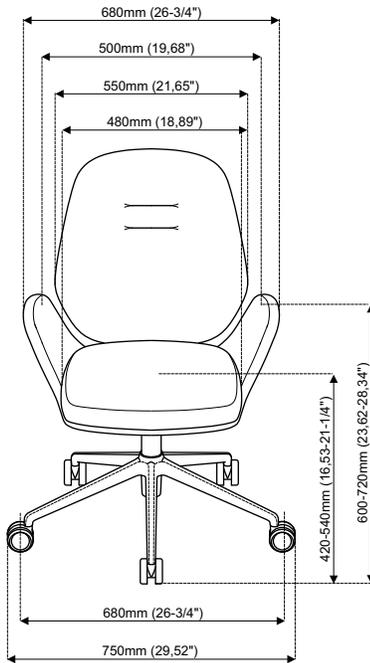

Tilt function into upright or angled positions.
