General Information

Prices shown are list prices. CHERRYMAN reserves the right to correct any typographical errors at anytime, and make product changes without prior notice. Measurements listed in price book are rounded off. Please contact customer service for exact measurements.

Availability

CHERRYMAN maintains a high level of inventory in our InStock Program throughout our regional distribution centers. Our inventory is replenished on a regular basis, and orders are filled on a first come first served basis once a confirmed order is placed and an order acknowledgement is received.

A 50% deposit is required in order to hold inventory based on availability. CHERRYMAN will hold product up to 14 calendar days. Deposit will be forfeited after this period unless a written cancellation request is submitted within 14 calendar days or a confirmed purchase order is received. Please note: large orders may require an extended lead time. In the event an item is not available, three options may apply that require written authorization from the dealer:

Option 1

Partial ship available quantity and back order remaining items — *minimum drop off charges (if applicable) apply to BOTH the initial partial shipment as well as any subsequent back order shipments.*

Option 2

Request transfer of out of Stock item from an alternate regional distribution center— *customer is responsible for any additional freight costs associated with the transfer as our price does not reflect these additional costs.*

Option 3

Hold until complete order is available through CHERRYMAN's regular inventory replenishment for the distribution center where the dealer is based.

Special Order Program

A 100% deposit is required to enter your order into production. A minimum quantity is required, please call for details. Products are shipped to any point of destination within the continental USA in approximately 12–16 weeks.

Ordering Procedure

An approved credit application is required to open a CHERRYMAN account and process an order. Orders can only be accepted from authorized CHERRYMAN dealers. Orders from customers without a previous CHERRYMAN credit rating will not be accepted without satisfactory references accompanying the order or other arrangements being made. CHERRYMAN does not accept verbal purchase orders or revisions. Orders are accepted via fax or email only. Please fax or email purchase orders to the corresponding region in which you are based (these are listed under *Contact Information*).

Order Acknowledgement

CHERRYMAN sends acknowledgements on all orders. Please examine the acknowledgement carefully and advise us immediately of any discrepancies. The Order Acknowledgment is the final agreement between CHERRYMAN and the customer, superseding all previous communication regarding that order.

Cancellation and Order Changes

InStock Program

Cancellations or revisions will not be accepted after the order has shipped.

Special Order Program

Cancellations or revisions will not be accepted after the order has been acknowledged and entered into production and any deposit made will be forfeited.

Limitation of Liability

Under no circumstance, including but not limited to breach of contract, breach of warranty or negligence, shall CHERRYMAN be liable for lost profits, loss of goodwill, stored data, general, special, consequential or exemplary damages, even if CHERRYMAN had notice of these damages or they were foreseeable. Care and Maintenance

CHERRYMAN's finish provides superior strength with enhanced stain and mar resistance for easy maintenance. However, care must be exercised whenever cleaning materials constructed of wood. Certain precautions will keep new furniture looking new:

- dust all surfaces on a regular basis with a soft damp cloth, in the grain direction; do not use spray polishes or those containing silicone
- lift all objects when moving; never drag objects across the finished surface; sharp metal objects such as keys, spring binders and briefcase hinges should be kept from contacting the finished surface
- wet objects should be placed on coasters; use a desk pad for writing
- bottoms of items like flower vases and desk accessories should be protected
- contact with certain plastics may result in discoloration and finish damage
- use of felt pads under electronic equipment is recommended
- furnishings exposed to ultraviolet rays may change color

CHERRYMAN's hardware is selected for easy maintenance. Certain precautions will help to keep these items looking new:

- lubricate the housing and ball bearings of drawer suspensions every six months with a high quality petroleum jelly type lubricant
- use a window type cleaner, sprayed onto the cloth, to clean pull hardware
- furniture settles over time, to ensure correct drawer alignment, check unit is level and adjust glides as required

Specifications | Jade Collection

Veneer

CHERRYMAN veneers are selected from premium grade qualities. Veneers are flat cut and slip matched. Every possible effort is made to ensure color continuity. Differences can, however, occur due to the natural variations in tone and color of wood veneers. The Jade Collection is offered in two finishes:

CHER Chestnut Cherry
MAHO Henna Mahogany

CHERRYMAN's finish provides superior strength with enhanced stain and mar resistance for easy maintenance. Veneers are finished utilizing a satin sheen and CHERRYMAN's closed pore standard.

Samples

CHERRYMAN provides samples for all wood and laminate finishes.

Construction. tops and support panels

Tops are 1-1/8" thick and feature a solid wood profiled edge on all four sides. Conference tops are 1-1/2" thick with the profile on all four sides. Both tops and panels use a 3 ply balanced construction. All support panels include adjustable levelers.

Construction. cases

All cases are constructed utilizing 3 ply balanced panels. Adjustable levelers are provided in all cases.

CHER Paprika Cherry

Specifications | Emerald Collection

Veneer

CHERRYMAN veneers are selected from premium grade qualities. Veneers are flat cut and slip matched. Every possible effort is made to ensure color continuity. Differences can, however, occur due to the natural variations in tone and color of wood veneers. The Emerald Collection is offered in two finishes:

MAHO Port Figured Mahogany
COGN Cognac Cherry

Finish

CHERRYMAN's finish provides superior strength with enhanced stain and mar resistance for easy maintenance. Veneers are finished utilizing a satin sheen (high luster on Cognac) and CHERRYMAN's closed pore standard.

Samples

CHERRYMAN provides samples for all wood and laminate finishes.

Construction. tops and support panels

Tops are 1-1/8" thick and feature a solid wood profiled edge on all four sides. Both tops and panels use a 3 ply balanced construction. All support panels include adjustable levelers.
