GENERAL INSTRUCTIONS

Section 1 – Background, Authority, and Purpose

The Mississippi Department of Corrections (referred to hereinafter as “MDOC”, “Agency” or “Contracting Agency”) is seeking to establish a contract with a Community Mental Health Provider (CMHP) who will provide Co-Occurring Disorder (COD) Diagnosis, Treatment and Recovery Support Services. MDOC has implemented the Improving Reentry for Adults with Co-Occurring Substance Abuse and Mental Illness Project (CORP18). The purpose of this project is to provide integrated reentry support and treatment services to MDOC offenders who are medium-high risk for recidivism as they transition back to an identified six-county area in order to reduce recidivism, improve the quality of life for the individuals, and increase public safety. CMHP shall meet with pre-selected potential candidates at MDOC’s state prisons, regional facilities and private prisons to make clinical diagnosis which determine offenders’ eligibility for the program. CMHP shall provide post-release services to those individuals released from incarceration and returning to Calhoun, Lafayette, Marshall, Panola, Tate, and Yalobusha counties. This project is funded by federal grant award number 2018-RW-BX-0014 administered by the U.S. Department of Justice, Office of Justice Programs, Bureau of Justice Assistance.

The MDOC issues this solicitation for the purpose of soliciting sealed bids from qualified providers to provide Co-Occurring Disorder Diagnosis, Treatment and Recovery Support Services. The Agency wants assistance to do clinical assessments, diagnosis and provide treatment and recovery support services. The Contractor will perform clinical assessments for pre-selected offenders prior to their release from incarceration to determine whether or not co-occurring disorders exist and provide post-release treatment and recovery support services for offenders diagnosed with COD. The goal of this project is to provide a smooth transition of treatment and recovery support services between pre and post-release to reduce recidivism.

Section 4 – Scope of Work

Contractor shall provide services, and otherwise do all things necessary for or incidental to the performance of work, as set forth below:

MDOC is soliciting a CMHP, certified by the Mississippi Department of Mental Health (MDMH) or a federally accredited entity that meet or exceed MDMH standards, to deliver Co Occurring Disorder treatment (COD) and recovery support services, data sharing, outcome reporting, and full participation in the implementation of CORP18. CMHP shall provide a Licensed Clinical Social Worker (LCSW), Licensed Professional Counselor (LPC) or Certified Mental Health Therapist (MCHT) to provide intensive outpatient counseling in accordance with MDMH operational standards. The successful bidder shall work with criminal justice population and have an understanding of the complicating factors that court/supervision requirement add to a person's ability to avoid relapse and reoffending.

The CMHP must utilize an industry recognized tool to determine a diagnosis. Diagnostic tools may include: Texas Christian University (TCU) Drug Screen V, Post-Traumatic Stress Disorder Checklist for DSM-V (PCL-5), and the Mental Health Screening Form-III (MHSF-III) to determine a clinical diagnosis. The TCU Drug Screen V identifies persons with a history of heavy drug use or dependency (based on the DSM-V) and is widely used as a tool in criminal justice settings. The PCL-5 Trauma Screen is a 20-item self-report that screens for the 20 DSM-V symptoms of PTSD, makes provisional diagnosis, and monitors symptom change during and after treatment. The MHSF-III is highly recommended by the Substance Abuse and Mental Health Services Administration (SAMHSA) as a valid tool for COD treatment planning. In addition, the CMHP will utilize a thorough biological/psychological/social assessment and mental health and substance use assessments that result in a clinical diagnosis and identify person-centered therapeutic treatment goals for recovery and long-term management of COD symptoms.

Pre-Release Services:

- Meet with pre-selected potential participants at MDOC's state prisons, regional facilities and private prisons to promote the program and obtain consents to participate
- Utilize clinical assessment to evaluate offenders for COD and appropriateness of program approximately 90-120 days pre-release, and incorporate MDOC risk assessment and criminogenic needs assessment to develop risk-informed individual service plans
- Initiate recovery support services (housing, medical, vocational/educational, and faith-based services, etc.)

Post-Release Services:

- CMHP shall provide services to offenders deemed eligible for the program and returning to Panola, Lafayette, Marshall, Tate, Calhoun, and Yalobusha counties
- Outpatient services provided in accordance with MDMH Operational Standards
- Intensive outpatient services provided in accordance with MDMH Operational Standards
- Recovery support services consisting of linkage to housing, medical, vocational/educational, and faith-based services according to MDMH Operational Standards
- Collaboration with MDOC case managers, and Community Corrections staff regarding development of comprehensive case plans for each participant based on the risk level and criminogenic needs identified with the MDOC risk tool and needs survey, and the specific COD diagnosis and symptoms resulting from the COD screening and assessments

The CMHP will be required to lead weekly staff meetings to align therapeutic goals and supervision requirements into integrated case plans. CMHP must employ recovery/peer support specialists to provide person-centered recovery support planning. CMHP is required to develop/revise written policies and procedures to outline the roles and responsibilities of developing the case plans. Participant progress, barriers, and solutions will be brought before an advisory council at monthly meetings.

All partner agencies will engage in information sharing throughout planning, implementation and operational phases of the project. CORP18 will build upon existing reporting structure to include a comprehensive offender Recruitment Tracking form which provides eligibility criteria, COD and recidivism screening results. In addition, there is a Participant Tracking form that includes demographic information, COD diagnoses, risk level, total therapeutic hours of service and supervision hours of service, as well as housing, employment and health coverage status.

The CMHP and MDOC will offer a variety of Evidence Based Protocols (EBP) for Criminogenic Risk, Mental Illness, and Substance Abuse, including traditional Cognitive Behavioral Therapy, the Matrix Model, Seeking Safety, Moral Reconciliation Therapy and 12-step facilitation, as well as Thinking for a Change (T4C). All of these EBPs have been proven effective for the target population in reducing criminal and addictive thinking, providing healing from trauma, and teaching personal responsibility for self-care from mental health conditions. The CMHP will assess all participants for appropriateness of medication-assisted treatment (MAT).

MDOC will partner with an independent evaluator to lead all aspects of data collection from pre-release screening visits, routine reporting requirements, and providing constant programmatic feedback to inform project changes as needed. Unique pre- and post-release participant data will be collected and analyzed to measure performance and inform project changes and will include the following at a minimum: volume (eligible vs. enrolled), demographics, screening results, psychiatric diagnoses, recidivism-risk scores, supervision compliance, hours of counseling/recovery support activities, facility of release, offense, sentence term, prior arrests, re-arrests, relapse, and securement of non-programmatic services (SSI, Medicaid, etc.). Participant outcomes data will be compared to their baseline and a control group. The MDOC Offendertrak reporting system can produce recidivism reports for any time period for any specific criteria.

4.1.1 Applicable Laws, Rules, and Directives: The Contract shall be governed by Federal Rules and Regulations stipulated by the U.S. Department of Justice for Federal Award 2018-RW-BX-0014. Contractor shall comply with applicable federal, state, and local laws and regulations.

Section 5 - Basis for Award

5.1 All bids will be reviewed first to determine whether a bidder is responsive, responsible, and/or acceptable. Requirements are not assigned a point percentage and/or score, but are instead simply recorded as PASS or FAIL. Bids with errors that do not alter the substance of the bid can be accepted, and the Agency Chief Procurement Officer may allow the bidder to correct the problem prior to review as long as the irregularities are insignificant mistakes that can be waived or corrected without prejudice to other bidders.

5.2 The Agency has the right to waive minor defects or variations of a bid from the exact requirements of the specifications that do not affect the price, quality, quantity, delivery, or performance time of the services being procured. If insufficient information is submitted by a bidder with the bid for the Agency to properly evaluate the bid, the Agency has the right to require such additional information as it may deem necessary after the time set for receipt

of bids, provided that the information requested does not change the price, quality, quantity, delivery, or performance time of the services being procured.

5.3 All bids which are determined to be responsive, responsible, and/or acceptable will continue on to the price bid or cost evaluation. The lowest cost bid will receive the maximum 100 points allocated to cost. The point allocations for cost on the other bids will be evaluated according to the following formula: Price of the lowest responsive and responsible bid divided by the price of the responsive and responsible bid being rated times the maximum 100 points allocated for cost equal the awarded points.

Section 8 – Bid Submission Requirements

8.1 Submission Format

8.1.1 Bid Cover Sheet (Attachment A)

8.1.2 Bid Form (Attachment B) - all pricing must be submitted on the Bid Form. Failure to complete and/or sign the Bid Form may result in bidder being determined nonresponsive.

These references must be familiar with the bidder's abilities in the areas involved with this solicitation. Agency staff will use these references to determine the bidder's ability to perform the services. It is the responsibility of the bidder to ensure that the reference contact information is correct and current. Agency staff will not track down references. Bidders should verify before submitting their bid that the contact person and phone number are correct for each reference. **Agency staff must be able to reach two (2) references for a bidder within two (2) business days of bid opening to be considered responsive. Further, the bidder must score a minimum of six (6) points on each Reference Score Sheet which will be used by the Agency staff when interviewing the two (2) references (for a total minimum scoring requirement of twelve (12) points) to be considered responsive and/or responsible.** (See **Section 6.5** and **Attachments C and D.**) Only bidders who are found responsive and/or responsible will have their bids considered. Bidder may submit as many references as desired. Agency staff will begin contacting references at the top of the list and will continue down the list until they have completed Reference Score Sheets for two (2) references. After two (2) score sheets are completed, the reference check process will end.

8.2 Submission Requirements

8.2.1 The signed original bid package, one copy of the signed original bid package, and one electronic copy (on CD, DVD or flash drive) of its bid package submitted in a sealed envelope or package to 301 N. SEALED BID – DO NOT OPEN

- 8.2.4** All bid packages must be received by the Agency no later than 4:00 PM CST, December 21, 2022. Bids submitted via facsimile (fax) machine **will not** be accepted. It is suggested that if a bid is mailed to the Agency, it should be posted in certified mail with a return receipt requested. The Agency will not be responsible for mail delays or lost mail. All risk of late arrival due to unanticipated delay – whether delivered by hand, U.S. Postal Service, courier or other delivery service or method – is entirely on the bidder. All bidders are urged to take the possibility of delay into account when submitting a bid.
- 8.2.5** Timely submission of the bid package is the responsibility of the bidder. Bids received after the specified time will be rejected and maintained unopened in the procurement file. A bid received at the place designated in the solicitation for receipt of bids after the exact time specified for receipt will not be considered unless it has been determined by the Agency that the late receipt was due solely to mishandling by the Agency after receipt at the specified address.
- 8.2.6** The time and date of receipt will be indicated on the sealed bid envelope or package by Agency staff. The only acceptable evidence to establish the time of receipt at the office identified for bid opening is the time and date stamp of that office on the bid wrapper or other documentary evidence of receipt used by that office.
- 8.2.7** Each page of the Bid Form and all attachments shall be identified with the name of the bidder.
- 8.2.8** Failure to submit a bid on the Bid Form provided will be considered cause for rejection of the bid. **Modifications or additions to any portion of the bid document may be cause for rejection of the bid.** The Agency reserves the right to decide, on a case-by-case basis, whether to reject a bid with modifications or additions as non-responsive.
- 8.2.9** Bidders taking exception to any part or section of the solicitation shall indicate such exceptions on the IFB Exception(s) form, **Attachment G**. Failure to indicate any exception will be interpreted as the bidder's intent to comply fully with the requirements as written. Conditional or qualified bids, unless specifically allowed, shall be subject to rejection in whole or in part. The bid must contain a high degree of acceptance of contract terms and conditions listed in **Attachment E and F** of this IFB.

8.2.10 A bid response that includes terms and conditions that do not conform to the terms and conditions in the bid document is subject to rejection as non-responsive. The Agency reserves the right to permit the bidder to withdraw nonconforming terms and conditions from its bid response prior to a determination by the Agency of non-responsiveness based on the submission of nonconforming terms and conditions.

8.2.11 As a precondition to bid acceptance, the Agency may request the bidder to withdraw or modify those portions of the bid deemed non-responsive that do not affect quality, quantity, price, or delivery of the service.

8.2.12 Any bidder claiming that its response contains information exempt from the Mississippi Public Records Act (Miss. Code Ann. §§ 25-61-1 *et seq.* and 79-23-1), shall segregate and mark the information as confidential and provide the specific statutory authority for the exemption.

Section 9 – Bidder Certification

The bidder agrees that submission of a signed Bid Form is certification that the bidder will accept an award made to it as a result of the submission.

Section 10 – Debarment

By submitting a bid, the bidder certifies that it is not currently debarred from submitting bids for contracts issued by any political subdivision or Agency of the State of Mississippi and that it is not an agent of a person or entity that is currently debarred from submitting bids for contracts issued by any political subdivision or Agency of the State of Mississippi.

Section 11 – Registration with Mississippi Secretary of State

By submitting a bid, the bidder certifies that it is registered to do business in the State of Mississippi as prescribed by Mississippi law and the Mississippi Secretary of State or, if not already registered, that it will do so within seven (7) business days of being notified by the Agency that it has been selected for contract award.

Section 12 – Insurance, Bonds, or Other Sureties

The successful bidder shall maintain at least the minimum level of workers' compensation insurance, comprehensive general liability or professional liability insurance, with minimum limits of \$1,000,000. The MDOC reserves the right to request from carriers, certificates of insurance regarding the required coverage. Insurance carriers must be licensed or hold a Certificate of Authority from the Mississippi Department of Insurance. The bidder shall be

prepared to provide evidence of required insurance upon request by the MDOC at any point during the Contract period and should consult with legal counsel regarding its obligations.

12.1 Additionally:

- 12.1.1** In no event shall the requirement for an insurance, bond, or other surety be waived.
- 12.1.2** All insurances policies will list the State of Mississippi as an additional insured.
- 12.1.3** All insurance policies shall be issued by companies authorized to do business under the laws of the State of Mississippi, meaning insurance carriers must be licensed or hold a Certificate of Authority from the Mississippi Department of Insurance.
- 12.1.4** Contractor shall submit to Agency within five days of notification of intent to award, a certificate of insurance and/or bond which outlines the coverage and limits defined in the procurement and contract. There are no provisions for exceptions to this requirement. Failure to provide the certificates of insurance within five day period may be cause for your bid to be declared non-responsive or for your contract to be cancelled.
- 12.1.5** Contractor shall obtain at Contractor's expense the insurance and/or bond requirements specified in the procurement and contract prior to performing under the Contract, and Contractor shall maintain the required insurance and/or bond coverage throughout the duration of the Contract and all warranty periods. There are no provisions for exceptions to this requirement.
- 12.1.6** Contractor shall not commence work under the Contract until it obtains all insurance and/or bond required under this provision and furnishes a certificate or other form showing proof of current coverage to the State. After work commences, the Contractor will keep in force all required insurance and/or bond until the Contract is terminated or expires.
- 12.1.7** Contractor shall submit renewal certificates as appropriate during the term of the Contract.
- 12.1.8** Contractor shall instruct the insurers to provide the Agency 30 days advance notice of any insurance cancellation.
- 12.1.9** Contractor shall ensure that should any of the above described policies be cancelled before the expiration date thereof, or if there is a material change, potential exhaustion of aggregate limits or intent not to renew insurance and/or

bond coverage(s), that written notice will be delivered to the Agency Chief Procurement Officer.

12.1.10 There shall be no cancellation, material change, potential exhaustion of aggregate limits or non-renewal of insurance and/or bond coverage(s) to Agency. Any failure to comply with the reporting provisions of this clause shall constitute a material breach of Contract and shall be grounds for immediate termination of the Contract by Agency.

Section 13 – Bid Opening

Bid opening will be open to the public; however, this will include opening, reading, and listing the name of each bidder and the bid price of each bid only. No discussions will be entered into with any bidder as to the quality or provisions of the specifications and no award will be made either stated or implied at the bid opening.

Section 14 – Award Notification

Award(s) for this procurement will be posted on the Mississippi Contract/Procurement Opportunity Search Portal website and the Agency website at <http://www.mdoc.ms.gov>. Bidders will be notified via e-mail of the awards. Additionally, a letter will be sent to all bidders.

Section 15 – Procurement Methodology

15.1 Restrictions on Communications with Agency and Agency Staff

At no time shall any bidder or its personnel contact, or attempt to contact, any Agency staff regarding this IFB except the contact person as set forth and in the manner prescribed in Section 3.

15.2 Bidder Investigations

Before submitting a bid, each bidder shall make all investigations and examinations necessary to ascertain all site conditions and requirements affecting the full performance of the Contract and to verify any representations made by the Agency upon which the bidder will rely. If the bidder receives an award as a result of its bid submission, failure to have made such investigations and examinations will in no way relieve the bidder from its obligation to comply in every detail with all provisions and requirements of the Contract documents, nor will a plea of ignorance of such conditions and requirements be accepted as a basis for any claim whatsoever for additional compensation.

15.3 Expenses Incurred in Preparing Bid

The Agency accepts no responsibility for any expense incurred by any bidder in the preparation and presentation of a bid. Such expenses shall be borne exclusively by the bidder.

15.4 Independent Price Determination

By submitting a bid, the bidder certifies that the prices submitted in response to the solicitation have been arrived at independently and without, for the purpose of restricting competition, any consultation, communication, or agreement with any other bidder or competitor relating to those prices, the intention to submit a bid, or the methods or factors used to calculate the prices bid. The prices quoted shall be inclusive of, but not limited to the following: all required assessments and materials; all required insurance, bond, or other surety; all required overhead; all required vehicles; all required fuel and mileage; all required labor and supervision; all required training; all required business and professional licenses, certifications, fees, or permits; and, any and all other costs. All pricing should include all associated costs with no additional or hidden fees.

15.5 Rejection of Bids

A bid response that includes terms and conditions that do not conform to the terms and conditions in the IFB document is subject to rejection as non-responsive. Further, submission of a Bid Form that is not complete and/or signed is subject to rejection as non-responsive. The Agency reserves the right to permit the bidder to withdraw nonconforming terms and conditions from its bid response prior to a determination by the Agency staff of non-responsiveness based on the submission of nonconforming terms and conditions. Furthermore, if a bidder's price is substantially higher than those of other bidders, meaning those in excess of a twenty-five percent (25%) differential, the bidder's price will be deemed non-responsive.

15.6 Withdrawal of Bids

If the price bid is substantially lower than those of other bidders, a mistake may have been made. A bidder may withdraw its bid from consideration if certain conditions are met:

- (1) The bid is submitted in good faith;
- (2) The price bid is substantially lower than those of other bidders because of a mistake;
- (3) The mistake is a clerical error, not an error of judgment; and,
- (4) Objective evidence drawn from original work papers, documents, and other materials used in the preparation of the bid demonstrates clearly that the mistake was an unintentional error in arithmetic or an unintentional omission of a quantity of labor or material.

To withdraw a bid that includes a clerical error after bid opening, the bidder must give notice in writing to the Agency of claim of right to withdraw a bid. Within two (2) business days after the bid opening, the bidder requesting withdrawal must provide to the Agency all original work papers, documents, and other materials used in the preparation of the bid.

A bidder may also withdraw a bid, prior to the time set for the opening of bids, by simply making a request in writing to the Agency. No explanation is required.

No bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any subcontract or other work for the person to whom the Contract is awarded, or otherwise benefit from the Contract.

No partial withdrawals of a bid are permitted after the time and date set for the bid opening; only complete withdrawals are permitted.

15.7 Post-Award Bidder Debriefing

A bidder, successful or unsuccessful, may request a post-award bidder debriefing, in writing, by U.S. mail or electronic submission. The written request must be received by the January 3, 2023 Karei McDonald, Executive Deputy Commissioner within three (3) business days of notification of the Contract award. A post-award bidder debriefing is a meeting and not a hearing; therefore, legal representation is not required. A debriefing typically occurs within three (3) business days of receipt of the request. If a bidder prefers to have legal representation present, the bidder must notify Karei McDonald, Executive Deputy Commissioner in writing and identify its attorney by name, address, and telephone number. The Agency will schedule and/or suspend and reschedule the meeting at a time when a Representative of the Office of the Mississippi Attorney General can be present.

For additional information regarding Post-Award Bidder Debriefing, as well as the information that may be provided and excluded, please see Section 7-113 through 7-113.07, Post-Award Bidder Debriefing, of the *PPRB OPSCR Rules and Regulations* as updated and replaced by PPRB.

15.8 Protests

Any actual or prospective bidder who is aggrieved in connection with this solicitation or the outcome of this IFB may file a protest with Karei McDonald, Executive Deputy Commissioner. The protest shall be submitted within seven (7) calendar days of notification of the Contract award or on or before 4:00 PM CST, January 9, 2023, in writing after such aggrieved person or entity knows or should have known of the facts giving rise thereto. The written protest letter shall contain an explanation of the specific basis for the protest. All protests must be in writing, dated, signed by the bidder or an individual authorized to sign contracts on behalf of the protesting bidder, and contain a statement of the reason(s) for protest, citing the law(s), rule(s) and regulation(s) or procedure(s) on which the protest is based. The protesting bidder must provide facts and evidence to support the protest. A protest is considered filed when received by Karei McDonald, Executive Deputy Commissioner via either U.S. mail, postage prepaid, or by personal delivery. Protests filed after 4:00 PM CST, January 9, 2023, will not be considered.

Section 16 – Required Contract Terms and Conditions

Any contract entered into with the Contracting Agency pursuant to this IFB shall have the required clauses found in Attachment E and those required by the *PPRB OPSCR Rules and Regulations* as updated and replaced by PPRB. The Agency discourages exceptions from these required clauses. Such exceptions may cause a bid to be rejected as non-responsive. Bids which condition the bid based upon the State accepting other terms and conditions not found in the IFB, or which take exception to the State's terms and conditions, may be found non-responsive, and no further consideration of the bid will be given.

Section 17 – Optional Contract Terms and Conditions

Any contract entered into with the Contracting Agency pursuant this IFB may have, at the discretion of the Contracting Agency, the optional clauses found in Attachment F and those within the *PPRB OPSCR Rules and Regulations* as updated and replaced by PPRB. The Agency discourages exceptions from these optional clauses. Such exceptions may cause a bid to be rejected as non-responsive. Bids which condition the bid based upon the State accepting other terms and conditions not found in the IFB, or which take exception to the State's terms and conditions, may be found non-responsive, and no further consideration of the bid will be given.

Section 18 – Agency Website

This IFB, questions and answers concerning this IFB, and the Notice of Intent To Award will be posted on the Agency website at <http://www.mdcc.state.ms.us> and on the Mississippi Contract/Procurement Opportunity Search Portal website.

REQUIRED CLAUSES FOR SERVICE CONTRACTS RESULTING FROM THIS IFB

1. Applicable Law: The Contract shall be governed by and construed in accordance with the laws of the State of Mississippi, excluding its conflicts of laws provisions, and any litigation with respect thereto shall be brought in the courts of the State. Contractor shall comply with applicable federal, state, and local laws and regulations.
2. Approval: It is understood that if the Contract requires approval by the Public Procurement Review Board and/or the Mississippi Department of Finance and Administration Office of Personal Service Contract Review and the Contract is not approved by the PPRB and/or OPSCR, it is void and no payment shall be made hereunder.
3. Availability of Funds: It is expressly understood and agreed that the obligation of the Agency to proceed under this agreement is conditioned upon the appropriation of funds by the Mississippi State Legislature and the receipt of state and/or federal funds. If the funds anticipated for the continuing fulfillment of the agreement are, at any time, not forthcoming or insufficient, either through the failure of the federal government to provide funds or of the State of Mississippi to appropriate funds or the discontinuance or material alteration of the program under which funds were provided or if funds are not otherwise available to the Agency, the Agency shall have the right upon ten (10) working days written notice to Contractor, to terminate this agreement without damage, penalty, cost or expenses to the Agency of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination.
4. Compliance with Laws: Contractor understands that the State of Mississippi is an equal opportunity employer and therefore, maintains a policy which prohibits unlawful discrimination based on race, color, creed, sex, age, national origin, physical handicap, disability, genetic information, or any other consideration made unlawful by federal, state, or local laws. All such discrimination is unlawful and Contractor agrees during the term of the agreement that Contractor will strictly adhere to this policy in its employment practices and provision of services. Contractor agrees to maintain records of such compliance. Upon request of the State and after approval of the Social Security Administration or Department of Homeland Security when required, Contractor agrees to provide a copy of each such verification. Contractor further represents and warrants that any person assigned to perform services hereafter meets the employment eligibility requirements of all immigration laws. The breach of this agreement may subject Contractor to the following:

- a. termination of the Contract for services and ineligibility for any state or public contract in Mississippi for up to three (3) years with notice of such cancellation/termination being made public;
- b. the loss of any license, permit, certification or other document granted to Contractor by an Agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year; or,
- c. both.

In the event of such cancellation/termination, Contractor would also be liable for any additional costs incurred by the State due to Contract cancellation or loss of license or permit to do business in the State.

Any attempted assignment or transfer of its obligations without such consent shall be null and void. No such approval by the State of any subcontract shall be deemed in any way to provide for the incurrence of any obligation of the State in addition to the total fixed price agreed upon in this agreement. Subject to the foregoing, this agreement shall be binding upon the respective successors and assigns of the parties.

Quality Control: Contractor shall institute and maintain throughout the Contract period a properly documented quality control program designed to ensure that the services are provided at all times and in all respects in accordance with the Contract. The program shall include providing daily supervision and conducting frequent inspections of Contractor's staff and ensuring that accurate records are maintained describing the disposition of all complaints. The records so created shall be open to inspection by the Agency.
34. Record Retention and Access to Records: Provided Contractor is given reasonable advance written notice and such inspection is made during normal business hours of Contractor, the State or any duly authorized representatives shall have unimpeded, prompt access to any of Contractor's books, documents, papers, and/or records which are maintained or produced as a result of the project for the purpose of making audits, examinations, excerpts, and transcriptions. All records related to this agreement shall be retained by Contractor for three (3) years after final payment is made under this agreement and all pending matters are closed; however, if any audit, litigation or other action arising out of or related in any way to this project is commenced before the end of the three (3) year period, the records shall be retained for one (1) year after all issues arising out of the action are finally resolved or until the end of the three (3) year period, whichever is later.
35. Recovery of Money: Whenever, under the Contract, any sum of money shall be recoverable from or payable by Contractor to the Agency, the same amount may be deducted from any sum due to Contractor under the Contract or under any other contract between Contractor and the Agency. The rights of the Agency are in addition and without prejudice to any other right the Agency may have to claim the amount of any loss or damage suffered by the Agency on account of the acts or omissions of Contractor.
36. Requirements Contract: During the period of the Contract, Contractor shall provide all the service described in the Contract. Contractor understands and agrees that this is a requirements contract and that the Agency shall have no obligation to Contractor if no services are required. Any quantities that are included in the scope of work reflect the current expectations of the Agency for the period of the Contract. The amount is only an estimate and Contractor understands and agrees that the Agency is under no obligation to Contractor to buy any amount of the services as a result of having provided this estimate or of having any typical or measurable requirement in the past. Contractor further understands and agrees that the Agency may require services in an amount less than or in excess of the estimated annual contract amount and that the quantity actually used, whether in excess of the estimate or less than the estimate, shall not give rise to any claim for compensation other than the total of the unit prices in the Contract for the quantity actually used.

37. Right to Audit: Contractor shall maintain such financial records and other records as may be prescribed by the Agency or by applicable federal and state laws, rules, and regulations. Contractor shall retain these records for a period of three years after final payment, or until they are audited by the Agency, whichever event occurs first. These records shall be made available during the term of the Contract and the subsequent three-year period for examination, transcription, and audit by the Mississippi State Auditor's Office, its designees, or other authorized bodies.
38. Right to Inspect Facility: The State may, at reasonable times, inspect the place of business of a Contractor or any subcontractor which is related to the performance of any contract awarded by the State.
39. Severability: If any part of this agreement is declared to be invalid or unenforceable, such invalidity or unenforceability shall not affect any other provision of the agreement that can be given effect without the invalid or unenforceable provision, and to this end the provisions hereof are severable. In such event, the parties shall amend the agreement as necessary to reflect the original intent of the parties and to bring any invalid or unenforceable provisions in compliance with applicable law.
40. State Property: Contractor will be responsible for the proper custody and care of any state-owned property furnished for Contractor's use in connection with the performance of this agreement. Contractor will reimburse the State for any loss or damage, normal wear and tear excepted.
41. Third Party Action Notification: Contractor shall give the customer prompt notice in writing of any action or suit filed, and prompt notice of any claim made against Contractor by any entity that may result in litigation related in any way to this agreement.
42. Unsatisfactory Work. If, at any time during the Contract term, the service performed or work done by Contractor is considered by the Agency to create a condition that threatens the health, safety, or welfare of the citizens and/or employees of the State of Mississippi, Contractor shall, on being notified by the Agency, immediately correct such deficient service or work. In the event Contractor fails, after notice, to correct the deficient service or work immediately, the Agency shall have the right to order the correction of the deficiency by separate contract or with its own resources at the expense of Contractor.
43. Variation in Quantity: Upon the agreement of the parties, the quantity of services specified in the Contract may be increased by a maximum of ten percent provided:
- a. the unit prices will remain the same (except for any price adjustments otherwise applicable); and,
 - b. the Chief Procurement Officer makes a written determination that such an increase will either be more economical than awarding another contract, or that it would not be practical to award another contract.

44. Waiver: No delay or omission by either party to this agreement in exercising any right, power, or remedy hereunder or otherwise afforded by contract, at law, or in equity shall constitute an acquiescence therein, impair any other right, power or remedy hereunder or otherwise afforded by any means, or operate as a waiver of such right, power, or remedy. No waiver by either party to this agreement shall be valid unless set forth in writing by the party making said waiver. No waiver of or modification to any term or condition of this agreement will void, waive, or change any other term or condition. No waiver by one party to this agreement of a default by the other party will imply, be construed as or require waiver of future or other defaults.
