Arm height	24½"–28"

Arms are polyurethane.

Knee-tilt control with two-position back lock and tension control is standard.

Five-star base with polished aluminum finish features black, dual-wheel casters.

Adjustability Features

	High Back	Mid- Back
Knee tilt	•	•
Swivel	•	•
Pneu. height	•	•
Tension control	•	•
2-position back lock	•	•

• standard

Knee tilt control provides minimal rise of the front seat edge when reclining, allowing the user's feet to remain firmly on the floor. Back may be locked in a full upright position by pushing in tilt lever. Recommended for users weighing 275 lbs. or less.

Pneumatic height adjustment allows user to raise or lower the seat height with a control lever while seated. Upward movement of lever located beneath the seat activates a gas cylinder to quickly adjust the chair.

Details

Entourage is a modular system featuring multiple pieces and offering a variety of configurations.

➤ See page 6.3 for typical configurations.

Contrasting upholstery may be specified on the back and seat.

■ = Back

■ = Seat

Upholstery is applied to Entourage railroad style.

Units can be ganged together utilizing optional ganging brackets; there is no upcharge. Ganging brackets, if specified, will ship attached to the unit; they cannot be field installed. Ganging is achieved by simply lifting and joining the mating brackets.

Base extends the complete perimeter of each lounge model and features a chrome finish.

Superkool™

Overview

Planning

Statement of Line	➤ See page 14.1
Planning	14.3
Pricing	14.4
Surface Materials	16.1

Superkool is an extensive line offering low- and high-back seating in lounge and side models. Lounge chairs are offered with three base options:

- Metal sled base
- Maple wood four-leg base
- Four-star swivel base

Superkool side chairs are a smaller scale chair than lounges; they are available in four base options:

- Metal sled base
- Beech wood four-leg base
- Four-star swivel base
- Five-star adjustable-height base with casters

Four-star base swivels 360° and features a chrome finish.

Plastic glides are standard on four-star swivel base and sled bases.

Seat and back are fully upholstered.

Four-leg base is solid hardwood and available in a variety of wood finishes.

Superkool side chairs are offered in five-star adjustable-height, swivel-tilt base with casters, along with the other bases shown.

Details

Contrasting upholstery may be specified on high-back models:

■ = Upper back

■ = Lower back, arms, and seat

Superkool ottomans feature a "roundish," upholstered cushion to complement lounge chairs. Offered in sled base and four-star base models.

Superkool round tables are available in three heights and feature a chrome, four-star base. Tops are solid maple hardwood and available in Frosty White paint or wood finishes.

COM/COL

Kimball has analyzed each model to most accurately reflect the COM/COL yardage requirements. The yardage requirement for each model is based on 54"W textile and cutting the textile up the roll.

For widths other than 54", increase the yardage requirement by the factors below:

<i>Textile width</i>	<i>Increase yardage</i>
50"–53"	15%
48"–49"	30%
45"–47"	45%

If repeat is larger than 18", contact Customer Service to confirm the correct amount of yardage required.

When ordering 10 or more chairs in the same COM, yardage requirements may be reduced.

➤ Contact Customer Service.
