Big Things Happen Around Small Tables

Whether it's a quiet cup of coffee, a small impromptu meeting, or casual conversation between colleagues, Enwork's occasional tables bring people together. With 8 unique collections in styles to fit any space, our coffee, end, and laptop tables create perfect places to connect, converse, and recharge.

PUTTING THE FUN IN FUNCTIONAL

Oh Hey! hexagonal coffee table and square end table with Cambria quartz toppers.

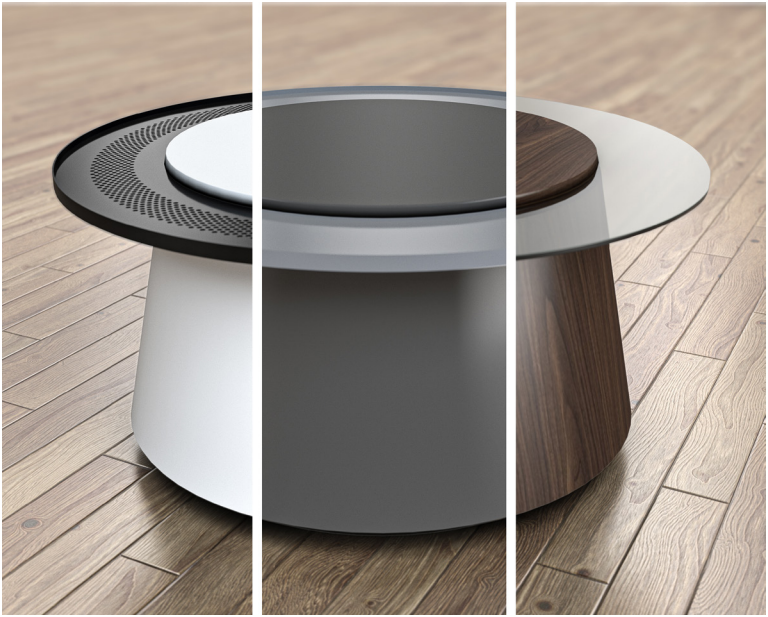

Tables With a Twist

Add some quirk to your work with Oh Hey! coffee and end tables. With an assortment of shapes, optional perforated or glass shelves, quartz or back-painted glass tops, Oh Hey! creates a fun and inviting environment for collaborating with peers.

Oh Hey! includes the option of a 2"H tapered plinth painted base and user-friendly power/data solutions.

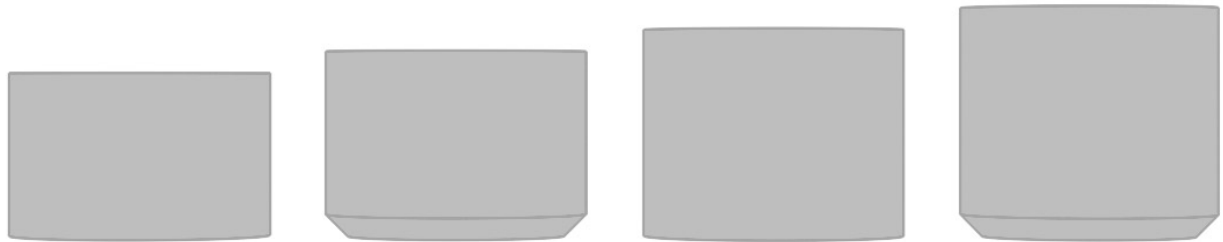

Available integrated power

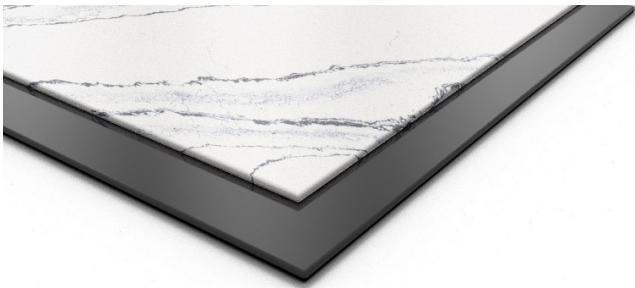

Perforated steel, steel, and glass shelves.

Better With Toppings

Mix materials with optional quarter-inch quartz or glass toppers, and add solid metal, perforated metal, or clear glass shelves to the tapered rounds to take the product design to the next level. Oh Hey!'s optional tapered plinth not only adds points for style, it allows for multiple landscapes of height.

Four heights to choose from: 15", 17", 19", 21"

Feeling Right at Home

Inspire human connection with Ligouri occasional tables. The warmth of wood exudes casual elegance for a relaxing and productive get-away or brainstorming session.

More to Love

Enwork's Ligouri Collection covers a wide range of products and applications, including beverage and hospitality carts, picnic benches, and more.

COLLABORATE WITH SPIRIT

Design Forward

Modern, sleek, and expressive, Tangent occasional tables bring an intriguing touch to your gathering space. Angular steel legs create an optical illusion, appearing to touch and then separate depending on the angle from which they're viewed. Quartz, laminate, or veneer tops give Tangent a timeless aesthetic. An assortment of finish options, top shapes, and heights allow multiple configurations and arrangements with design-forward appeal.
