Z O R I C O L L E C T I O N ENWORK

#### Inspired by Luxury Automotive Design

When it came to Zori, we knew we wanted to create something different. Where most leg options on the market today are steel columns, Zori offers four unique aluminum profiles, which correlate with specific leg configurations. With subtle curves and crisp lines, these evolved aesthetics are what make Zori a step above.

Standard caster options include Black or White with Grey trim.

Available on Y- , Straight Leg, and 6-Post Hexagon tables.

Available on T- and C-Leg tables.

Available on X-Base and TT-Leg tables.

Available on 4-Post X-Base, 6-Post Hexagon Base, and Split Y-Leg tables.

#### Technology Enabled Active Learning

The Zori Media Center is the ideal solution for TEAL environments everywhere. Highly adaptable, the Zori Media Center allows spaces to reconfigure easily in seconds. Available freestanding, with an integrated ganging hitch compatible with any seated height table, or as a complete table with a compact wedge top.

#### Technology, Elevated

Zori Monitor Lift makes a power move by managing monitors with rise-and-stow capability. Control individual lifts with an at-station switch or simultaneously manage all screens with the primary remote. Whether you need one or one hundred stations, nothing performs like Zori.

Back-to-Back Ganging with End Panels

#### Multi Station, Multi Circuit

From the durable materials and construction to integrated wire management, Zori training tables suit every need. Paired with the Zori Powerlex Modesty Panel, cables and wires stay cleanly stowed out of sight. Multi-circuit power within the panel allows entire rows of tables to be securely powered by a single infeed.

# Powerlex Modesty Panel : - iiiiiiii One tool-removable and one locking, hinged door 2 Circuit Power

### POWER AND DATA SIMPLIFIED.

The Zori Powerlex Modesty Panel cleanly and securely manages power and data by keeping unsightly wires tucked away. Panel opens from either the front or back of tables.

Angled-leg flip tables nest in-line

Straight-leg flip tables nest offset

FLIP. NEST. RECONFIGURE.

#### Rearrange, Reconfigure, Re-Imagine

Engineered with Enwork's custom flip mechanism, Zori Flip Top tables were designed with stability in mind. As secure as our fixed top variations, these tables never sacrifice stability for flexibility. Complete with a Wilsonart black laminate undersurface for a polished look in any position.

#### Designed For Face-To-Face Interaction

Bring people together to share information and comfortably interact throughout the day. A variety of table top shapes and sizes creates layout versatility, encourages collaboration, and enables clear sight lines.

#### Top Shape Profiles

Increased collaboration and sight lines

## FROM KINDERGARTEN CLASSES TO UNIVERSITY SPACES, ZORI SUPPORTS ALL SHAPES AND SIZES

Select leg styles available in 24", 27", 29", and 42" heights.

GATHERING SPACES.

#### Sit Down. Power Up.

Zori tables create a variety of social and focused work settings with a range of table heights, finishes, and technology options. Keep devices energized with integrated power/data grommets.

#### Ideas in Motion

Inspire creativity and collaboration with two-sided mobile whiteboards. From conference rooms to student unions, turn blank spaces into idea generators. Available in porcelain or glass.

Mobile Whiteboards (Available in 36" and 48" widths)

Mobile Whiteboards with Cabinets (Available in 36", 48", and 60" widths)

Hexagon top shape improves line-of-sight collaboration. Single piece tops accommodate up to six users, dual piece tops accommodate up to twelve.

2-Door, 2-Sliding Acrylic Door Credenza

#### From Classroom To Boardroom

Split Y-Legs paired with T-Legs and a footer bar create high-performance conference spaces with beautiful worksurfaces up to 240" wide and 60" deep.

#### The Next Generation of Enwork Tables

There's a science to enabling learning. At Enwork, we draw upon deep research by universities and design firms to create products that support learners, instructors, and facility managers. With rapid development and adaptive processes, we're always exploring and learning so that our clients can optimize their spaces.

Investments today must work for tomorrow. That's why Enwork works hard to stay ahead of trends and why we continue to grow at a record-breaking pace.
