

Exhibit Cases

Show Off With Class

Elegant wood finishes and tempered glass are hallmarks of Brodart's exhibit cases. Each is designed to provide the most impressive display of awards, collections, and other exhibits. Choose from a selection of horizontal and vertical exhibits with features like real wood, mirrored backs, and dramatic lighting. Each is backed by Brodart's five-year warranty.

Brodart Oak Display Case

A backdrop of real oak provides the perfect setting for your valued exhibits. This Brodart-quality case is designed for years of use, and is a solid choice for any high-traffic area.

The freestanding case features three tempered glass shelves, which adjust to accommodate your changing exhibition requirements. Glass side panels and sliding doors with lock are laminated for safety. Includes locking storage at base.

Oak Display Case

Brodart Display Case

The tapered leg base and arched apron lend elegant style to this case, while the oak-finished back provides a built-in backdrop for your displays. The sliding doors lock and are composed of 1/4" thick safety laminated glass, as are the side panels. Tempered glass shelves are 1/4" thick and adjustable for items of various sizes.

Brodart Cube Display Case

Viewable from all sides, this freestanding case looks great anywhere in a room. Adjustable (on pin-and-hole system) 1/4" thick tempered glass shelves can handle all kinds of arrangements. Constructed of solid hardwood, arched aprons and leg base make this case sophisticated and sturdy. Side panels and locking door are 1/4" safety laminated glass.

82" H x 24" W x 24" D

Brodart Oak Exhibit Case

With nearly 18 square feet of horizontal display space, exhibits in this elegant oak case aren't constrained by shelves. A brown velvet fabric covers the exhibit surface to highlight all of your displayed materials, while patrons peer through the tempered glass top and four safety laminated glass sides. Sliding doors lock in rear.

Oak Exhibit Case
