Custom options

For more information on alternative worksurface shapes, thicknesses, edge detail, laminate options, and pre-drilling, contact our Customer Service Department. Extended lead times and upcharges will apply on all custom requests. Orders with custom laminates or custom edge detailing will both require a standard solid edge banding.

Worksurface pre-drilled holes

For your convenience, all quick ship worksurfaces will be pre-drilled to accommodate the Victory-LX 2-leg and the Triumph-LX table bases. Pre-drilling for any other height adjustable table base series will require extended lead time and an additional cost.

**Fellowes worksurfaces are specifically designed to work with Fellowes height adjustable table bases. If a different application is going to be used, please contact customer service for more details.*

Edge detail

Worksurfaces ship with standard square edge profile and coordinating 3mm edge band with a 3mm top radius. Alternative edge detail options are available at additional cost.

Laminate materials

Worksurfaces are available in select Wilsonart® laminate options. Fellowes worksurfaces are either Thermally Fused Laminates, High Pressure Laminates or Premium High Pressure Laminates. Please indicate laminate color choice by adding the 2-letter code at the end of the worksurface model number.

Thermally fused laminates (TFL) - quick ship and standard

Worksurfaces consist of a single printed decor paper fused directly by heat and pressure to the core material of MDF or particle board.

TFL benefits: cost efficient, consistent and uniform, water resistant, scratch resistant.

High pressure laminates (HPL) - standard and premium

Worksurfaces consist of a melamine treated printed decor paper fused to multiple sheets of kraft paper. Heat and pressure bond all the sheets together creating a flexible and durable piece of plastic type material which is then adhered to MDF or particle board.

Standard HPL benefits: durable, versatile, stylish, heat resistant, water resistant, scratch resistant, impact resistant, hygienic qualities.

Premium HPL benefits: Same as standard HPL, plus enhanced performance to durability and scratch resistance.

Terms and Conditions

These terms shall be considered to be an inseparable part of any additional terms between the applicable Fellowes entity and Customer and are collectively referred to herein as the Terms and Conditions. To the extent that any terms provided by Customer conflict with the terms and conditions that follow, these Terms and Conditions shall govern that transaction.

Acceptance; Entire Agreement.

Acceptance by Customer of delivery of goods constitutes acceptance by Customer of the following terms and conditions. Any additional or different terms proposed by Customer shall be deemed to have been objected to by the Fellowes entity ("Fellowes" or "Seller"), shall be of no force or effect, and shall not be binding upon or enforceable against Seller. These terms and conditions constitute the entire agreement and understanding between the parties and supersede any and all prior agreements, understandings and communications with Customer, oral or written, relating to the goods that Seller or any of its subcontractors may provide (collectively, the "Goods"). No course of dealing or course of performance, either prior to, during or after the delivery of the Goods, shall be relevant or admissible by Customer to supplement, explain or vary these Terms and Conditions. The invalidity or unenforceability of any Terms and Conditions shall not affect the validity or enforceability of any other term or condition, and the remaining terms and conditions shall remain in full force and effect. No waiver, amendment or modification of these Terms and Conditions shall be binding upon or enforceable against Seller until approved in writing by a Fellowes Authorized Signatory.

Proprietary Information; Confidentiality.

Advertising. Customer shall consider all information furnished by Fellowes, as well as information learned about Fellowes' business or products, to be confidential and shall not disclose any such information to any other person or entity or use such information itself for any purpose other than performing hereunder, unless Customer obtains written permission from Fellowes to do so. This paragraph shall apply to drawings, specifications, or other documents prepared by Customer or Fellowes in connection with this order as well as observations of Customer while receiving goods or services. Customer shall not advertise or publish the fact that Fellowes has contracted to sell goods or services to Customer, nor shall any information relating to the order be disclosed without Fellowes' written permission unless otherwise agreed in writing, no commercial financial or technical information disclosed in any manner or at any time by Customer to Fellowes shall be deemed secret or confidential and Customer shall have no rights against Fellowes with respect thereof except such rights as may exist under patent or copyright laws.

Trademark Rights.

Fellowes grants Customer a non-exclusive, royalty-free license to use the Fellowes' trademarks included on any goods purchased hereunder (the "Licensed Marks") in connection with Customer's sale or marketing of goods in the course of Customer's business. The license granted herein does not include a right to sublicense. Customer acknowledges that Fellowes is the owner of the Licensed Marks, and nothing herein shall grant to Customer any right, title or interest in the Licensed Marks, except as specifically set forth herein. Customer shall use Fellowes' trademarks in a manner that is consistent with Fellowes' standards. This includes using the ® designation adjacent to registered trademarks, and the TM designation adjacent to unregistered trademarks, where practicable. Customer shall cooperate with Fellowes' requests to ensure that Fellowes' trademarks are used in this manner. Fellowes shall have the right to review and inspect any marketing or promotional materials relating to the Licensed Products and, in its sole discretion, to prohibit the use of any such materials that do not meet Fellowes' standards. If Customer becomes aware of any infringing products, Customer will promptly notify Fellowes, which reserves the right to take any action. This trademark license is revocable at Fellowes' sole discretion.

Prices.

Prices quoted by Fellowes are subject to change without notice. Prices billed on invoice at time of shipment shall govern. Unless otherwise stated, all prices are quoted in U.S. Dollars. Seller will not accept or process purchase orders that contain pricing different from the standard prices. Fellowes reserves the right to revise all pricing, discounts, and freight terms, at any time, without notice. Current product pricing is included on product pages at Fellowes.com. Prices which are in effect at the time of order shall apply. Listed prices exclude additional fees applicable to special services requested by Customer (e.g., special cutting).

Taxes.

The prices for the Goods do not include sales, use and other taxes, duties and other governmental fees and charges that may be applicable to the Goods, and Customer shall be responsible for and pay upon demand all such taxes, duties and other governmental fees and charges (other than income taxes of Seller), notwithstanding that responsibility for collection or payment of such taxes, duties and other governmental fees and charges may be imposed by law on Seller or any of its subcontractors. All authorized dealers should ensure that a resale tax exemption certificate is on file with Fellowes

Terms and Conditions

Discontinued products.

Due to changing market demands, Fellowes may periodically discontinue certain products. Fellowes reserves the right to change and/or discontinue products at any time without notice.

Credit.

Fellowes may, in its sole discretion, extend credit to the Customer. For credit limits in excess of \$100,000, Fellowes requires audited financial statements prior to initial credit approval and on an annual basis thereafter. Fellowes shall perform periodic credit reviews using credit reporting agencies, trade references, industry trade groups and banks. In the event of a material adverse change in Customer's credit standing or in the event that Customer does not comply with the terms of these provisions, Fellowes shall have the right to change terms of payment, and Fellowes obligation to provide Products will be subject to reaching mutual agreement on revised terms.

To establish an account, Customer must complete and submit Fellowes' New Account Application (signed by company officer of Customer), Federal Taxpayer ID (Form W-9) and State Resale Certificate. Subject to sales, credit history, and credit lines, a deposit or advance payment may be required to process large orders.

Once credit is approved, payment terms are net 30 days. Prior to Customer's credit approval (with receipt of required documents), prepayment of orders may be made by corporate check, wire transfer or ACH or for convenience, credit cards (Visa and Mastercard) are accepted.

Payment.

Unless otherwise agreed in writing or stated on the Invoice, all payments are to be made in US Dollars and all amounts payable by Customer shall be due and payable in full 30 days after invoice. Fellowes will not accept the unilateral assessment of any fee, marketing support, co-op or other advertising, expense reimbursement, rebate, offset or any other financial or marketing support not explicitly authorized in writing by an authorized officer of Seller.

Any amounts not paid in full within 30 days after invoice shall be subject to a late payment charge of 1-1/2% per month (or, if less, the maximum amount permitted by law) from the date due until paid. Fellowes' obligation to provide Products is subject to receipt of prompt payment of all invoices pursuant to the terms of this and other agreements we may have with Customer. Progress billing of interest due or a failure to bill for interest due shall not constitute a waiver of Fellowes' right to charge interest on all amounts past due to the date payment is received. Should any portion of an invoice become disputed you agree to pay the undisputed portion according to its terms, and you will notify us promptly of the dispute.

Both parties agree to use their best efforts to resolve the disputed portion of such invoice within 30 days. Fellowes shall have the right to set off against any amount that Fellowes may be obligated to pay to Customer any amounts due or to become due to Fellowes from Customer and its divisions, subsidiaries and affiliated companies. Fellowes may assign payments due to a wholly-owned subsidiary without consent.

Order Placement and Confirmation.

Orders must include "Ship To" and "Bill To" information along with complete Fellowes product model numbers and Customer cost. Government orders require a copy of the agency PO at the time the order is placed with Fellowes. All orders shall be subject to written acceptance by an authorized representative of Fellowes. Incomplete orders or changes will delay processing and shipment until receipt of all necessary information and Fellowes issuance of revised Sales Order Acknowledgment.

(b) For Made-to-Order, Special, and Custom Products

Fellowes requires all orders to be submitted electronically via on-line order entry at www.fellowes.com, or in writing following Ordering Procedures. Fellowes recommends using design software for larger projects which allows the dealer to design, specify, and enter an order more efficiently and accurately which will assure completeness and avoid errors and duplications. Customer assumes all responsibility for the correct content of any order which has been acknowledged.

Upon receiving an order, Fellowes will send an acknowledgement with exact pricing information and a scheduled shipping date. Orders can also be confirmed on-line at www.fellowes.com. Customer is responsible for checking acknowledgements to ensure that the order is correct. Order will be processed as acknowledged.

Order changes or cancellations.

All Customer cancellations and changes must be submitted to Fellowes in writing to FClorders@Fellowes.com. **Any request for cancellation or change to an order must be submitted within twenty-four (24) hours of receipt of order acknowledgement by Fellowes. Any requested cancellation or change received thereafter will incur a fee.** Order changes include the addition/deletion of line items or changes in quantity or requested Ship Date or Ship To address. Order changes that result in a quantity reduction may be subject to an adjustment in pricing. Change or cancellation requests are not considered accepted until Fellowes provides a revised Sales Order Acknowledgment. Changes may result in processing delays or shipping delays. Under no circumstances will changes or cancellations be accepted on any special order, custom product, or worksurface order without the

express written consent of Fellowes. All such custom and special orders are non-returnable.

Lead-Times and Delays.

Fellowes reserves the right to alter lead times as demand for products fluctuate. Stated lead- times begin after a complete order is entered and scheduled. Shipments are subject to product availability. Special products and larger orders may entail extended lead-times. Orders placed by dealers without a requested delivery date will be assigned a delivery date for custom product orders as currently published at www.fellowes.com. Please contact your customer service representative for estimated lead-times. If unforeseen circumstances occur, Fellowes may postpone delivery of orders and will notify Customer when such postponement occurs.

Fellowes shall not be liable for loss or damage due to delay in manufacturing or delivery resulting from any cause beyond Fellowes's reasonable control.
