

Sometimes Less is More

Looking for a more sustainable approach? Our *Less is More* Program makes it easy to create beautiful, more sustainable work spaces with a pre-selected array of products and materials that create less waste in manufacturing — all without sacrificing style or function.

Surface Materials

Choose from a palette of beautiful woodgrains and versatile neutral solids. Dress it up or keep it simple with one of the five Pull options.

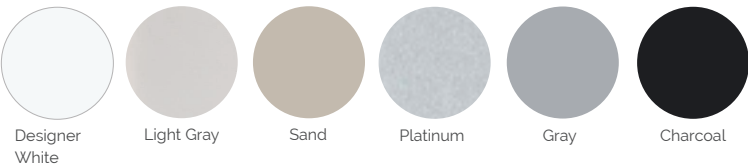

Choices offers plenty of ways to express your personal style.

Extending your Choices

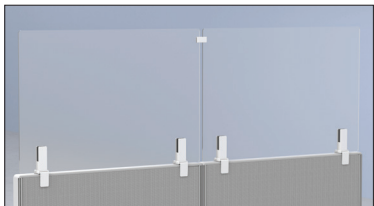

Trig® and Intrinsic® elements blend beautifully into the Choices — to provide almost limitless design flexibility. A broad selection of design options extend the possibilities even further — warm up the space with wood grain laminate, choose from one of five pull options or extra work surface area — the choice is yours
