

Fellowes

TrendWall

Modular Walls

Fellowes has been in the Modular Wall business for over 50 years. The three Modular Wall Systems — TrendWall, Volo and Volo Frameless — represent a full range of pricing, function and aesthetics. All three lines seamlessly combine to create unique solutions that meet budgetary and functional requirements while offering almost unlimited flexibility to bring a designers vision to life.

TrendWall®

Volo®

Volo® Frameless

A Heritage of Architectural Interiors

There have been changes to TrendWall® over these 50 years, but today it remains a proven performer with installations around the globe. Installation is fast, clean and simple. Power and data routing and access is a snap. Later, if needs change, the layout can be rapidly reconfigured for continued years of service.

Part of a Bigger Solution

Space Division Made Simple – And Sustainable

Unitized, modular panel construction makes TrendWall simple to plan and install. Choose from solid, glazed and partially glazed panels, and a full range of door and hardware options. The system is made to handle challenging site conditions and delivers solid solutions to meet functional and structural requirements.

Sustainable by design, TrendWall reduces construction waste, is 95% re-usable and 97% recyclable. It reconfigures with minimal impact to carpet and ceiling so it's truly re-usable. And like all Fellowes Modular Walls, it's Indoor Advantage® Gold and BIFMA e3 level® 2 certified.

Panel Choices

Door Options

See pricebook for specific sizes and configurations.

Power + Data

Pilasters can easily accommodate your choice of lighting controls or card reader.

Power and data can be routed through vertical Pilasters and the Base wireway. Duplexes can be installed for access in Pilasters.

Pull + Lock Options

18" Sliding Door Post Pull

18" Sliding Door Post Pull with standard lock (non-SFIC). Small Format Interchangeable Lock (SFIC) available.

Lever Set with non-SFIC lock. Passage set available.

Lever Set shown with SFIC lock option (COM core).

TrendWall may save you bundles in taxes. Modular walls are often classified as "tangible property" which may be depreciated in the first year, vs. drywall's 39 years. That's a big difference! See your tax consultant for details.
