III. Price List Spreadsheet and Product Information

Vendors are required to complete the attached Price List Spreadsheet in its entirety. The only items that will be included on the Fire Fighting Uniforms, Boots, Hats and Gloves Price List Spreadsheet are fire fighting uniforms, boots, hats and gloves. All protective gear for structural and proximity firefighting shall meet the latest revision of NFPA 1971. The current edition is 2018. All protective gear for wildland firefighting shall meet the latest revision of NFPA 1977. The current edition is 2016. **All items listed on the Price List Spreadsheet are required to have a discount off the manufacturer's suggested retail price (MSRP) to be considered for a state contract.**

If a Vendor is listed on a GSA contract, a copy of your current price list must be submitted as an attachment. Discounts shall be competitive when compared to prices and discounts received by the GSA, other state governments, and large volume commercial customers.

Entities making purchases over \$50,000 may consider obtaining two competitive quotes from the authorized dealers' list on a manufacturer's contract. When requested, those manufacturers that do not have dealers' list should be prepared to submit a quote.

IV. Length of Price Guarantee

Pricing shall be firm for a 12-month period. Price increases are not allowed during the term of the contract.

VI. Payment Terms and Invoices

MS Code Section 31-7-305(3) allows a state entity to pay invoices within 45 days without penalty.

The State requires the Vendor to submit invoices electronically throughout the term of the agreement. Vendor invoices shall be submitted to the state agency using the processes and procedures identified by the State. Payments by state agencies shall be made and remittance information provided electronically as directed by the State. These payments shall be deposited into the bank account of the Vendor's choice. Vendor understands and agrees that the State is exempt from the payment of taxes. All payments shall be in United States currency.

VII. Distribution

The Office of Purchasing, Travel and Fleet Management prefers to have these contracts established with the Manufacturer. All authorized distributors shall be listed on the provided Excel distributor's list. It is the Manufacturer's responsibility to keep this list updated during the contract period. Dealers/Distributors must be registered in the State's e-procurement system.

We will **not** enter into more than one contract for any single brand. An authorized dealer/sales representative may enter into a contract on behalf of the manufacturer by submitting a letter from the Manufacturer authorizing them to do so. This letter must be on the Manufacturer's official stationary, signed by the Manufacturer's appropriate personnel or his/her designee stating that the authorized dealer/sales representative has permission to enter into a contract with the State of

Mississippi on behalf of the Manufacturer. The letter should include the name of the authorized representative, location address, mailing address, telephone number, toll free number (if applicable), fax number and e-mail address.

Minority Vendor Status - Vendors should indicate if they or any of the distributors they list are considered Minority Vendors by placing “MV”, for Minority Vendor, in the appropriate column on the spreadsheet. Minority Vendor means a business concern that (1) is at least 51% minority-owned by one or more individuals, or minority business enterprises that are both socially and economically disadvantaged, and (2) have its management and daily business controlled by one or more such individuals as ascribed under the Minority Business Enterprise Act 57-69 and the Small Business Act 15 USCS, Section 637(a). **MINORITY** as used in this provision means a person who is a citizen or lawful permanent resident of the United States and who is: Black Americans - racial groups of Africa; Hispanic Americans - of Mexican, Puerto Rican, Cuban, Central/South America, Spanish or Portuguese culture or origin; Native Americans - origin in any of the original peoples of North America; Asian Pacific Americans - origins of the Far East, Southeast Asia, the Indian subcontinent; or a Woman.

VIII. Purchase Summary

If Vendor currently has a contract with the State of Mississippi, a purchase summary is required. The summary should only include sales to State agencies and governing authorities. Please do not include sales to nongovernmental entities. Complete the attached excel spreadsheet for the current contract period *starting March 1, 2020*. This purchase summary must be attached with the proposal.

Please Note: Because of the expense associated with the maintenance of this type of contract, it has been determined that a lack of sales activity under \$25,000 for two consecutive years will be cause for rejection of a new contract for a period of two years.

IX. Award of Contract

New contracts will be awarded to all Vendors that submit proposals that are in compliance with this format and are proposing competitive prices. Any requested information not submitted may be cause for the contract proposal to be denied.

If you currently have a State Contract and your information is not received by the required submission date, the contract will expire and you will be denied a new contract for a period of one year.

X. E-Verify Compliance

If applicable, Contractor/Seller represents and warrants that it will ensure its compliance with the Mississippi Employment Protection Act of 2008, and will register and participate in the status verification for all newly hired employees. Miss. Code Ann. §§ 71-11-1 *et seq.* (1972, as amended). The term “employee” as used herein means any person that is hired to perform work within the State of Mississippi. As used herein, “status verification system” means the Illegal Immigration Reform and Immigration Responsibility Act of 1996 that is operated by the United States Department of Homeland Security, also known as the E-Verify Program, or any other successor electronic verification system replacing the E-Verify Program. Contractor/Seller agrees to maintain records of such compliance. Upon request of the State, and after approval of the Social Security Administration or Department of Homeland Security when required, Vendor agrees to provide a copy of each such verification. Contractor/Seller further represents and warrants that any person assigned to perform services hereafter meets the employment eligibility requirements of all immigration laws. The breach of this agreement may subject Contractor/Seller to the following: (1) termination of this Agreement and ineligibility for any state or public contract in Mississippi for up to three (3) years with notice of such cancellation/termination being made public; (2) the loss of any license, permit, certification or other document granted to Contractor/Seller by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year; or (3) both. In the event of such termination/cancellation, Contractor/Seller would also be liable for any additional costs incurred by

the State due to contract cancellation or loss of license or permit to do business in the State.

XII. Addendum Period: Additions/Deletions

Vendors wishing to make additions/deletions to their contract during the contract period should be aware of the following policies of this office:

- A. Additions/deletions will be allowed only once during a contract period. Price increases are not allowed during the addendum period.
- B. Additions/deletions must be submitted during the addendum period which is July 1 through July 15 for deletions to be effective September 1.
- C. When requesting additions/deletions the vendor shall attach a letter electronically (email to the person listed on this proposal) requesting the additions/**deletions**. A list of all items being proposed for addition/**deletion** should be included. The vendor shall submit all required documents as listed in this Proposal Format for any new items. Product literature shall also be submitted with the request.

XIV. Adherence to RFx Guidelines

Prior to proposal submission, it is the responsibility of the Vendor to verify all documents conform to the formatting guidelines as outlined in the RFx documents. Failure to adhere to the RFx proposal instructions may result in disqualification of the Vendor's proposal. The responsible contract analyst may, at their discretion, allow the Vendor to correct errors in their proposal after the submission deadline. Vendor agrees to submit any requested corrections as directed by the analyst and understands that failure to do so may result in disqualification of their proposal.
