| Fixed Height | Pin Adjustable | Crank Adjustable | Electric Adjustable | Mini Cable Tray | Wire Management Trough | Modesty Panel |
Genesis tables are available in fixed height as well as adjustable. All fixed and adjustable tables meet or exceed ANSI/BIFMA 1998 requirements for desk products. The adjustable tables meet the ANSI/HFS 100-1988 standard for adjustability and knee clearance. The tables meet the ADA specifications for wheelchair access and height of surfaces. The metal components of Genesis tables are powder coated for appearance and durability. All plastic components are color matched in accordance with the KI color program.

## TABLE BASE SPECIFICATIONS

### Fixed-Height Tables
Each leg assembly is comprised of a 2" x 3" x 14-gauge steel tube that is welded to a steel foot, and on the other end, to worksurface support. The 14-gauge, draw-formed foot provides strength and room for carpet levelers in a low profile, sculpted component. The worksurface support is an 11-gauge steel, draw-formed component that provides high strength to support large, cantilevered loads. Extruded aluminum covers are attached to the front and back of the upright tubing. Leg assemblies are modified in the factory so that finished heights with glides is 29".

### Pin-Adjustable Tables
Each leg assembly is comprised of 1-3/8" x 2-3/4" x 16-gauge steel tube that telescopes inside a 2" x 3" x 14-gauge steel outer leg tube. Nylon bushings ensure a smooth, telescoping action between the tubes. A 14-gauge, draw-formed foot is welded to the outer leg tube, and provides strength and room for carpet levelers in a low profile, sculpted component. An 11-gauge steel, draw-formed worksurface support is welded to the inner tube, and provides strength to support large, cantilevered loads. Extruded aluminum covers are attached to the front and back of the upright tubing for visual appeal. A spring steel button, protruding through holes in both tubes, allows for adjustment in one-inch increments from 24" to 31".

### Crank-Adjustable Tables
Each leg assembly is comprised of 1-3/8" x 2-3/4" x 16-gauge steel tube that telescopes inside a 2" x 3" x 14-gauge steel outer leg tube. Nylon bushings ensure a smooth, telescoping action between the tubes. A 14-gauge, draw-formed foot is welded to the outer leg tube, and provides strength and room for carpet levelers in a low profile, sculpted component. An 11-gauge steel, draw-formed worksurface support is welded to the inner tube, and provides strength to support large, cantilevered loads on the worksurface. Extruded aluminum covers are attached to the front and back of the upright tubing for visual appeal. The table is manually adjustable from 22" to 33" or 27" to 43" by turning a crank. The crank raises or lowers the table at a rate of 1 inch per 10 revolutions. A lifting mechanism inside of each leg provides a uniform lifting force to the worksurface, regardless of the loading condition. Each mechanism is comprised of a steel acme-threaded rod turning through a delrin lead nut. The delrin nut provides a silent operation, low friction, and excellent wear characteristics. The acme rods deliver a lifting force to the underside of the surface supports. Precision needle roller bearings provide a smooth, quiet interface between the rotating acme rods and the surface supports. The lifting mechanisms

are synchronized via a 1/4" pitch roller chain that spans the distance between the table legs. The chain engages each acme-threaded rod through a delrin sprocket that is attached to the rod.

### Electric-Adjustable Tables
Each leg assembly is comprised of a triple telescoping steel tube with an overall dimension of 4.3" x 2.28". Extruded aluminum covers are attached to the back of the upright tubing for visual appeal. The table is electrically adjustable from 24" to 51" by pressing a button. Motors raise or lower the table at a rate of 1.4 inches per second. The motors drive a lifting mechanism inside of each leg to provide a uniform lifting force to the worksurface, regardless of the loading condition. The parallel connectors synchronize the motors electronically. The controller keeps track of each motor revolution, and ensures that the motors remain in perfect synchronization. The user interface occurs at the switch. The basic controller includes up/down buttons and three memory presets. The deluxe also includes a digital display indicating the height of the worksurface.

## WORKSURFACE SPECIFICATIONS

### 74P, EP and KN Worksurfaces
74P, elliptical-postform (EP) and Knife-edge (KN) worksurfaces are constructed of 1-1/8" thick, 45-pound density particleboard. A .030" minimum thickness laminate provides a durable writing surface. The backer is a .030" minimum thickness melamine sheet. This provides a balanced construction that gives greater strength and prevents warping. All mounting holes are pre-drilled for easier table assembly and maximum holding power. A steel channel is provided for extra structure on tables with unsupported spans over 51". The 74P and KN surfaces are available in curvilinear or traditional shapes. The elliptical-postform surfaces are available in traditional shapes.

### MP Worksurfaces
Membrane pressed worksurfaces are constructed of 1-1/8" thick, high-density fiberboard. A .021" thick vinyl foil sheet is applied to the core under heat and pressure. The vinyl foil is also a .005" thick urethane topcoat for surface protection. All mounting holes are pre-drilled for easier table assembly and maximum holding power. A steel channel is provided for extra structure on tables with unsupported spans over 51". Membrane pressed worksurfaces are available in curvilinear or transitional shapes. Peninsula and square shoe shapes are not available.

### Powder-Coated Finish
Epoxy powder coating is electrostatically applied. The dry coating is then fused and cured in a baking oven to form a smooth, continuous film. Finish is chemical-resistant, hard, tough and mar-resistant.

### Wire Management Trough
Troughs are formed from 16-gauge cold rolled steel and powder coated to match the table base. Trough is 5" tall; width on the bottom of the trough is 3.9" and opens up to 6.4" at the top. On fixed-height tables, the wire management trough is attached to the back of the legs with 4 thread-forming screws.

### Modesty Panel
Modesty panels are constructed of rigidized cold rolled steel, 18-gauge to 16-gauge in thickness. The 8" modesty panels are suspended from the worksurface via 11-gauge steel brackets. There is a 1" gap between the panels and the worksurface in order to pass wires, and the panels are inset from the back edge by 1". Modesty panels can be used on all types of Genesis Desking, regardless of adjustability. However, the modesty panel will conflict with a wire trough on adjustable tables and the two accessories should not be specified together. All corner tables and square shoes use two modesty panels along the back edges. Peninsula tables use one panel along the 48" back edge only so as not to interfere with conferencing capabilities.

### Universal and Balance Overhead-
Note different stanchion for overhead support

### Balance Overhead Storage
The overhead storage unit shall have door(s) that are mechanically assisted in such a way as to keep the door(s) balanced throughout its operation such that the action of both opening and closing is automatically controlled such that the door doesn't spring open or slam closed. The overhead storage unit structure and mechanical assist mechanism shall have a Lifetime warranty. The overhead storage unit shall comply with the Americans with Disabilities Act ADA 4.2.5 and 4.2.6 whereby a user shall not reach higher than 48" from the floor to the front of the unit or no higher than 54" to the side. The overhead storage unit shall comply with the Americans with Disabilities Act ADA 4.27.4 whereby the door shall be operable with one hand and shall not require tight grasping, pinching, or twisting of the wrist. The force required to operate the door (open and close) shall be no greater than five foot pounds. The door of the overhead storage unit shall open to the outside of the cabinet to help prevent the storage of unsightly papers on the top of the cabinet, yet there shall be a narrow space at the rear of the cabinet to allow plants or other small items to be displayed. The overhead storage unit shall accommodate standard American size three ring binders as well as A4 and Folscap sized binders, up to 13-3/4" high. The overhead storage unit shall be available with an upper door that can be upholstered in fabric as well as offered in solid colored, translucent, and high-pressure laminate.

### Universal Overhead Cabinet
The product shall be offered in widths of 24", 30", 36", 42", 48", 54" and 60". The overall dimensions of the end panels shall be 16-1/2" high and 14-1/2" deep. The shelf depth shall be 13-1/4". Each cabinet shall include separate brackets, which allow for either on or off-module mounting. Off-module cabinet shall mount into slots in vertical posts. Cabinet must be same width as the panel to which it is mounted. Off-module cabinet shall mount into the integral track in the horizontal rail, allowing cabinet to slide along track. Door fronts shall be offered in steel, fabric, and laminate versions with a dual-durometer extruded handle. The door front will operate on a rack and pinion gear system and will utilize a center lock mechanism. The door front will store recessed inside the

cabinet with the handle exposed. The steel door front shall be of honeycomb core constructions with a powder coat finish. The construction of the fabric door front shall be identical to the steel door front except that the outer surface of the door front is covered with fabric. The laminate door front shall be high-pressure laminate covering a particleboard core. The overhead stanchions mount to the under surface of any fixed desk with overhead grommets.

### Shelf Dividers
Shelf dividers shall be offered in the same color trim as the panels. The shelf dividers shall be powder coated steel. Installation and removal shall be accomplished without the use of tools or fasteners.

### Accessories
Task lights shall be available which suspend from the shelf and overhead cabinet. The task light shall mount flush with the underside of the shelf and overhead cabinet. Task lights shall be offered in standard panel trim colors. The task light shall have a 9' cord. Task lights will be available in three versions: standard high-power factor ballast, variable (high/low) high-power factor ballast and electronic ballast. All three options include a cool white lamp. Cords can be concealed by tucking between the reveal along tiles.

### Privacy Screens
Privacy screens shall be available to provide sit down privacy or standup privacy within Genesis workstations. Screens shall be 3/4" thick, 18" through 38" high and available to fit all worksurfaces. Screens shall attach to the back of the legs providing a stationary height for the screen even when attached to an adjustable height desk. Screens are mounted 1" to 1-1/2" from the worksurface edge. Privacy screens shall be designed for straight-line applications. They shall include mounting brackets for attachment. Screens shall be available for straight applications in 24", 30", 36", 42", 48", 54", 60", 66" and 72" widths. The 66" and 72" widths shall consist of a pair of screens (1) 30" screen plus (1) 36" screen for the 66" application and (2) 36" screens with splice for 72" applications. Screens may be used to serve two worksurfaces placed back-to-back. Privacy screens shall be useable on worksurfaces with overhead storage units to close the opening between the worksurface and the bottom shelf. Privacy screens will consist of two different aluminum extrusion profiles, each with die-cast corner connectors to create a rectangular frame. The frames will be either upholstered or painted, depending on the options. Between the two assembled frames, different core materials can be inserted. The screen material shall be made of 1/2" or 3/4" thick tackable core light or a 10 mm thick non-tackable translucent plastic. The extruded aluminum frame shall be .060" thick. The attachment bracket shall be made of 7 gauge steel. End-of-run privacy screens shall be available in 24" and 30" widths to match the depth of the fixed height worksurface that it will be used on. End-of-run privacy screens attach to the underside of the worksurface. End-of-run privacy screens shall have the same height and finishes as the regular privacy screens.

### 10-Wire Electrical Distribution System
The 10-wire system is available in two configurations (6-2-2 and 4-4-2). The UL label is green for 6-2-2 and blue for 4-4-2 applications. These numbers refer to the quantity of hot, neutral and ground wires configured in each system. Both 6-2-2 and 4-4-2 systems may be brought into the system from the ceiling, the wall or the floor, through the use of top feeds and base feeds. Genesis 10-wire electrical will be able to integrate with KI's WireWorks panel system with the addition of the appropriate connectors. The 10-wire electrical distribution system will consist of a 10-wire harness, table-to-table connectors and a 10-wire infeed kit. The 2.16" wide double-sided rigid 10-wire harness shall mount inside the wire management trough and shall be available in widths to span the worksurface. The 30" to 66" wide worksurface harness kit shall accommodate (2) 15 amp duplex receptacles and the 72" wide worksurface harness kit shall accommodate up to (4) 15 amp duplex receptacles. Receptacles shall be available to access the up to 6 circuits within the harness and must be ordered separately. Both 10-wire circuits are rated at 120 VAC@ 20 amps. All receptacles are rated at 15 amps. The specifics of each wiring configuration are detailed below.

Note: The two 10-wire systems (4-4-2 and 6-2-2) cannot be mixed together. The wiring systems must be separate. There are different receptacles for each system, and different connectors specific to each system. Keyed connectors will not allow the 2 systems to be mixed.

### 6-2-2 Configuration
The 6-2-2 configuration of the 10-wire system will have three "convenience" circuits (1, 2 and 3) which will each have their own hot wire, will share an oversized neutral wire and will share the building ground wire. Circuits 4, 5 and 6 are "isolated ground" circuits that will each have their own hot wire, will share an oversized neutral wire, and will share an isolated ground wire. The advantage of this system is that it will be able to have 6 circuits coming in via one top feed or base feed. This will cut down on the number of feed points on an installation. The number 4, 5 and 6 receptacles will be colored orange to designate that they are on the isolated ground while the number 1, 2 and 3 receptacles come in standard trim colors.

### 4-4-2 Configuration
The 4-4-2 configuration of the 10-wire system will have two "convenience" circuits (1 and 2), which will each have their own hot wire, their own neutral wire and will share the building ground wire. Circuits 3 and 4 receptacles are the "isolated ground" which will each have their own hot wire, their own neutral wire, and will share an isolated ground wire. The advantage of this system is that all of the circuits will have their own neutral wires and it has two circuits (3 and 4) that use an isolated ground. The number 3 and 4 receptacles will be colored orange to designate that they are on the isolated ground, while the number 1 and 2 receptacles come in standard trim colors.

### 10-Wire Power Infeed Kit
The 10-wire power infeed kit shall provide power from fixed floor or wall sources to the 10-wire harness. It shall include 6' of plastic covered flexible conduit. To connect the hardware end of a 10-wire

top feed or base feed to your building, use a 3/4" Romex connector on the conduit.

### 10-Wire Power Table-to-Table Connector
10-wire table-to-table connector shall consist of a sleeved flexible harness, which provides power connections from adjoining desks. The jumper shall have a length of 27".

### Fabric
Fabric will be applied as swatched by the fabric manufacturer. Fabric that is required to be applied differently than is swatched will need a Product Modification Request written specifying the direction the fabric is to be applied.

## HOW TO ORDER

Indicate the following information on order form:
1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: • The ☐ indicates that a choice is required.
- The absence of the ☐ indicates that no choice is required.
- Alpha-numeric characters in place of ☐ indicate that no other alternatives are available.

## HOW TO BUILD A MODEL NUMBER

Ⓐ Select basic model.

Ⓑ Select edge style.
| 74P | - 74P edge |
| EP | - Elliptical postformed edge |
| KN | - Knife edge |
| MP | - Membrane edge |

Ⓒ Select PowerUp module location.
Select only one from the following and add the appropriate upcharge to the base price.
| PUN | - No data |
| PUL | - Left module; add $146 |
| PUR | - Right module; add $146 |
| PUC | - Center module; add $146 |
| PUB | - Both left and right modules; add $296 |

PUL and PUR option only available on worksurfaces 42" wide or greater. PUB option only available on 60", 66" and 72" wide only. PUC and OGY may not both be selected for 66" and 72" wide.

Ⓓ Select modesty panel option.
| NM | - No modesty panel |
| WM | - With modesty panel |

See pricing column for full modesty panel upcharge.
Add upcharge to unit price for "WM" option.

Ⓔ Select wire trough and power option.
| NW | - No wire trough |
| WW | - Wire trough |

Add upcharge to unit price for "WW" option.

Ⓕ Select overhead grommet.
| OGN | - Overhead grommets no |
| OGY | - Overhead grommets yes |

Ⓖ Select transition legs.
| TS | - No transition foot |
| TL | - Left transition foot |
| TR | - Right transition foot |
| TB | - Both transition feet |

Ⓗ Select base finish.
Refer to the **Product Color Options** page in this price list.

Ⓘ Select edge/PowerUp module color.
Refer to the **Product Color Options** page in this price list.
Edge color offerings are based on edge style selections.

Ⓙ Select surface finish.
Refer to the **Product Color Options** page in this price list.
Surface finish offerings are based on edge style selections. Laminate finishes are only available on (74P) 74P edge, (EP) elliptical postformed edge and (KN) knife edge worksurfaces. The membrane color selections are only available on the (MP) membrane edge worksurfaces.

## FINISH INFORMATION

**Additional Laminate Offering**
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime.
To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard laminate finish is the supplier's recommended finish for that color/pattern.
Note: Nonstandard laminates from these suppliers (example: textured laminates) require a Product Modification Request.
Contact customer service for details.

## HOW TO ORDER

Indicate the following information on order form:
1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: • The □ indicates that a choice is required.
- The absence of the □ indicates that no choice is required.
- Alpha-numeric characters in place of □ indicate that no other alternatives are available.

## HOW TO BUILD A MODEL NUMBER

Ⓐ Select basic model.

Ⓑ Select edge style.
| 74P | - 74P edge |
| EP | - Elliptical postformed edge |
| KN | - Knife edge |
| MP | - Membrane edge |

Ⓒ Select control style.
| S | - Standard up/down switch |
| D | - Deluxe up/down switch; add $152 |

Ⓓ Select PowerUp module location.
Select only one from the following and add the appropriate upcharge to the base price.
| PUN | - No data |
| PUL | - Left module; add $146 |
| PUR | - Right module; add $146 |
| PUC | - Center module; add $146 |
| PUB | - Both left and right modules; add $296 |

PUL and PUR option only available on worksurfaces 42" wide or greater. PUB option only available on 60", 66" and 72" wide only.

Ⓔ Select modesty panel option.
| NM | - No modesty panel |
| WM | - With modesty panel |

See pricing column for full modesty panel upcharge.
Add upcharge to unit price for "WM" option.

Ⓕ Select wire trough and power option.
| NW | - No wire trough |
| WW | - Wire trough |

Add upcharge to unit price for "WW" option.

Ⓖ Select base finish.
Refer to the **Product Color Options** page in this price list.

Ⓗ Select edge/PowerUp module color.
Refer to the **Product Color Options** page in this price list.
Edge color offerings are based on edge style selections.

Ⓘ Select surface finish.
Refer to the **Product Color Options** page in this price list.
Surface finish offerings are based on edge style selections. Laminate finishes are only available on (74P) 74P edge, (EP) elliptical postformed edge and (KN) knife edge worksurfaces. The membrane color selections are only available on the (MP) membrane edge worksurfaces.

## FINISH INFORMATION

**Additional Laminate Offering**
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime.
To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard laminate finish is the supplier's recommended finish for that color/pattern.
Note: Nonstandard laminates from these suppliers (example: textured laminates) require a Product Modification Request.
Contact customer service for details.

**HOW TO ORDER**

Indicate the following information on order form:
1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: • The □ indicates that a choice is required.
  • The absence of the □ indicates that no choice is required.
  • Alpha-numeric characters in place of □ indicate that no other alternatives are available.

**HOW TO BUILD A MODEL NUMBER**

**A** Select basic model.

**B** Select edge style.
  **74P** - 74P edge
  **KN** - Knife edge
  **MP** - Membrane edge

**C** Select PowerUp module location. Select only one from the following and add the appropriate upcharge to the base price.
  **PUN** - No data
  **PUL** - Left module; add $146
  **PUR** - Right module; add $146
  **PUB** - Both left and right modules; add $296

**D** Select modesty panel option.
  **NM** - No modesty panel
  **LM** - LH modesty only
  **RM** - RH modesty only
  **WM** - Both modesty panels
  See pricing column for full modesty panel upcharge.

Add upcharge to unit price for "LM", "RM" and "WM" options.

**E** Select wire trough and power option.
  **NW** - No wire trough
  **WL** - Wire trough LH only
  **WR** - Wire trough RH only
  **WW** - Wire trough Both
  Add upcharge to unit price for "WL", "WR" and "WW" options.

**F** Select overhead grommet.
  **OGN** - Overhead grommets no
  **OGL** - Overhead grommets left
  **OGR** - Overhead grommets right

**G** Select transition legs.
  **TS** - No transition foot
  **TL** - Left transition foot
  **TR** - Right transition foot
  **TB** - Both transition feet

**H** Select base finish. Refer to the **Product Color Options** page in this price list.

**I** Select edge/PowerUp/crank grommet color. Refer to the **Product Color Options** page in this price list.
Edge color offerings are based on edge style selections. The color selection will apply to the trim, edge, PowerUp module and crank grommet. Trim color doesn't apply to the membrane edge selection.

**J** Select surface finish. Refer to the **Product Color Options** page in this price list.
Surface finish offerings are based on edge style selections. Laminate finishes are only available on (74P) 74P edge and (KN) knife edge worksurfaces. The membrane color selections are only available on the (MP) membrane edge worksurfaces.

**FINISH INFORMATION**

**Additional Laminate Offering**
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime.
To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard laminate finish is the supplier's recommended finish for that color/pattern.
Note: Nonstandard laminates from these suppliers (example: textured laminates) require a Product Modification Request.
Contact customer service for details.

## HOW TO ORDER

Indicate the following information on order form:
1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: • The □ indicates that a choice is required.

• The absence of the □ indicates that no choice is required.

• Alpha-numeric characters in place of □ indicate that no other alternatives are available.

## HOW TO BUILD A MODEL NUMBER

**A** Select basic model.

**B** Select edge style.
**74P** - 74P edge
**KN** - Knife edge
**MP** - Membrane edge

**C** Select electric control style.
**S** - Standard up/down switch
**D** - Deluxe up/down switch; add $152

**D** Select PowerUp module location.
Select only one from the following and add the appropriate upcharge to the base price.
**PUN** - No data
**PUL** - Left module; add $146
**PUR** - Right module; add $146
**PUB** - Both left and right modules; add $296

**E** Select modesty panel option.
**NM** - No modesty panel
**LM** - LH modesty only

**RM** - RH modesty only
**WM** - Both modesty panels
See pricing column for full modesty panel upcharge.
Add upcharge to unit price for "LM", "RM" and "WM" options.

**F** Select wire trough and power option.
**NW** - No wire trough
**WL** - Wire trough LH only
**WR** - Wire trough RH only
**WW** - Wire trough Both
Add upcharge to unit price for "WL", "WR" and "WW" options.

**G** Select base finish.
Refer to the **Product Color Options** page in this price list.

**H** Select edge/PowerUp color.
Refer to the **Product Color Options** page in this price list.
Edge color offerings are based on edge style selections. The color selection will apply to the trim, edge and PowerUp module. Trim

color doesn't apply to the membrane edge selection.

**I** Select surface finish.
Refer to the **Product Color Options** page in this price list.
Surface finish offerings are based on edge style selections. Laminate finishes are only available on (74P) 74P edge and (KN) knife edge worksurfaces. The membrane color selections are only available on the (MP) membrane edge worksurfaces.

## FINISH INFORMATION

**Additional Laminate Offering**
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard laminate finish is the supplier's recommended finish for that color/pattern.
Note: Nonstandard laminates from these suppliers (example: textured laminates) require a Product Modification Request.
Contact customer service for details.

## HOW TO ORDER

Indicate the following information on order form:
1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: • The □ indicates that a choice is required.
- The absence of the □ indicates that no choice is required.
- Alpha-numeric characters in place of □ indicate that no other alternatives are available.

## HOW TO BUILD A MODEL NUMBER

Ⓐ Select basic model.

Ⓑ Select edge style.
- **74P** - 74P edge
- **KN** - Knife edge
- **MP** - Membrane edge

Ⓒ Select electric control style.
- **S** - Standard up/down switch
- **D** - Deluxe up/down switch; add $152

Ⓓ Select PowerUp module location.
Select only one from the following and add the appropriate upcharge to the base price.
- **PUN** - No data
- **PUL** - Left module; add $146
- **PUR** - Right module; add $146
- **PUB** - Both left and right modules; add $296

Ⓔ Select modesty panel option.
- **NM** - No modesty panel
- **LM** - LH modesty only

- **RM** - RH modesty only
- **WM** - Both modesty panels
See pricing column for full modesty panel upcharge.
Add upcharge to unit price for "LM", "RM" and "WM" options.

Ⓕ Select wire trough and power option.
- **NW** - No wire trough
- **WL** - Wire trough LH only
- **WR** - Wire trough RH only
- **WW** - Wire trough Both
Add upcharge to unit price for "WL", "WR" and "WW" options.

Ⓖ Select base finish.
Refer to the **Product Color Options** page in this price list.

Ⓗ Select edge/PowerUp color.
Refer to the **Product Color Options** page in this price list.
Edge color offerings are based on edge style selections. The color selection will apply to the trim, edge and PowerUp module. Trim

color doesn't apply to the membrane edge selection.

Ⓘ Select surface finish.
Refer to the **Product Color Options** page in this price list.
Surface finish offerings are based on edge style selections. Laminate finishes are only available on (74P) 74P edge and (KN) knife edge worksurfaces. The membrane color selections are only available on the (MP) membrane edge worksurfaces.

## FINISH INFORMATION

## HOW TO ORDER

Indicate the following information on order form:
1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: • The ☐ indicates that a choice is required.
• The absence of the ☐ indicates that no choice is required.
• Alpha-numeric characters in place of ☐ indicate that no other alternatives are available.

## HOW TO BUILD A MODEL NUMBER

**A** Select basic model.

**B** Select edge style.
74P - 74P edge
KN - Knife edge
MP - Membrane edge

**C** Select PowerUp module location.
Select only one from the following and add the appropriate upcharge to the base price.
PUN - No data
PUL - Left module; add $146
PUR - Right module; add $146
PUB - Both left and right modules; add $296

**D** Select modesty panel option.
NM - No modesty panel
LM - LH modesty only
RM - RH modesty only
WM - Both modesty panels
See pricing column for full modesty panel upcharge.

Add upcharge to unit price for "LM", "RM" and "WM" options.

**E** Select wire trough and power option.
NW - No wire trough
WL - Wire trough LH only
WR - Wire trough RH only
WW - Wire trough Both
Add upcharge to unit price for "WL", "WR" and "WW" options.

**F** Select overhead grommet.
OGN - Overhead grommets no
OGL - Overhead grommets left
OGR - Overhead grommets right
OGL not available on 84" worksurfaces.

**G** Select transition legs.
TS - No transition foot
TL - Left transition foot
TR - Right transition foot
TB - Both transition feet
TR, TL and TB not allowed on 24" deep dual surfaces.

**H** Select base finish.
Refer to the **Product Color Options** page in this price list.

**I** Select edge/PowerUp color.
Refer to the **Product Color Options** page in this price list.
Edge color offerings are based on edge style selections. The color selection will apply to the trim, edge, PowerUp module and crank grommet. Trim color doesn't apply to the membrane edge selection.

**J** Select surface finish.
Refer to the **Product Color Options** page in this price list.
Surface finish offerings are based on edge style selections. Laminate finishes are only available on (74P) 74P edge and (KN) knife edge worksurfaces. The membrane color selections are only available on the (MP) membrane edge worksurfaces.

## FINISH INFORMATION

Model Number build columns: (A) Basic Model, (B) Edge Style, (C) Module Location, (D) Modesty Panel, (E) Wire Trough, (F) Base Finish, (G) Edge Color, (H) Surface Finish

**HOW TO ORDER**

Indicate the following information on order form:
1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: • The ☐ indicates that a choice is required.
- The absence of the ☐ indicates that no choice is required.
- Alpha-numeric characters in place of ☐ indicate that no other alternatives are available.

**HOW TO BUILD A MODEL NUMBER**

**(A)** Select basic model.

**(B)** Select edge style.
- **74P** - 74P edge
- **KN** - Knife edge
- **MP** - Membrane edge

**(C)** Select PowerUp module location. Select only one from the following and add the appropriate upcharge to the base price.
- **PUN** - No data
- **PUL** - Left module; add $146
- **PUR** - Right module; add $146

**(D)** Select modesty panel option.
- **NM** - No modesty panel
- **LM** - LH modesty only
- **RM** - RH modesty only
- **WM** - Both modesty panels
See pricing column for full modesty panel upcharge. Add upcharge to unit price for "LM", "RM" and "WM" options.

**(E)** Select wire trough and power option.
- **NW** - No wire trough
- **WL** - Wire trough LH only
- **WR** - Wire trough RH only
- **WW** - Wire trough Both
Add upcharge to unit price for "WL", "WR" and "WW" options.

**(F)** Select base finish. Refer to the **Product Color Options** page in this price list.

**(G)** Select edge color. Refer to the **Product Color Options** page in this price list. Edge color offerings are based on edge style selections. The color selection will apply to the trim, edge, PowerUp module and crank grommet. Trim color doesn't apply to the membrane edge selection.

**(H)** Select surface finish. Refer to the **Product Color Options** page in this price list.

Surface finish offerings are based on edge style selections. Laminate finishes are only available on (74P) 74P edge and (KN) knife edge worksurfaces. The membrane color selections are only available on the (MP) membrane edge worksurfaces.

**FINISH INFORMATION**

**Additional Laminate Offering**
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard laminate finish is the supplier's recommended finish for that color/pattern.
Note: Nonstandard laminates from these suppliers (example: textured laminates) require a Product Modification Request.
Contact customer service for details.

## HOW TO ORDER

Indicate the following information on order form:
1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: • The ☐ indicates that a choice is required.
- The absence of the ☐ indicates that no choice is required.
- Alpha-numeric characters in place of ☐ indicate that no other alternatives are available.

## HOW TO BUILD A MODEL NUMBER

Ⓐ Select basic model.

Ⓑ Select edge style.
- **74P** - 74P edge
- **KN** - Knife edge
- **MP** - Membrane edge

Ⓒ Select PowerUp module location. Select only one from the following and add the appropriate upcharge to the base price.
- **PUN** - No data
- **PUL** - Left module; add $146
- **PUR** - Right module; add $146
- **PUB** - Both left and right modules; add $296

Ⓓ Select modesty panel option.
- **NM** - No modesty panel
- **LM** - LH modesty only
- **RM** - RH modesty only
- **WM** - Both modesty panels

See pricing column for full modesty panel upcharge.

Add upcharge to unit price for "LM", "RM" and "WM" options.

Ⓔ Select wire trough and power option.
- **NW** - No wire trough
- **WL** - Wire trough LH only
- **WR** - Wire trough RH only
- **WW** - Wire trough Both

Add upcharge to unit price for "WL", "WR" and "WW" options.

Ⓕ Select base finish.
Refer to the **Product Color Options** page in this price list.

Ⓖ Select edge/PowerUp color.
Refer to the **Product Color Options** page in this price list.
Edge color offerings are based on edge style selections. The color selection will apply to the trim, edge, PowerUp module and crank grommet. Trim color doesn't apply to the membrane edge selection.

Ⓗ Select surface finish.

Refer to the **Product Color Options** page in this price list.
Surface finish offerings are based on edge style selections. Laminate finishes are only available on (74P) 74P edge and (KN) knife edge worksurfaces. The membrane color selections are only available on the (MP) membrane edge worksurfaces.

## FINISH INFORMATION

Ⓒ Select electric control style.
**S** - Standard up/down switch
**D** - Deluxe up/down switch; add $152

Ⓓ Select PowerUp module location.
Select only one from the following and add the appropriate upcharge to the base price.
**PUN** - No data
**PUL** - Left module; add $146
**PUR** - Right module; add $146
**PUB** - Both left and right modules; add $296

Ⓔ Select modesty panel option.
**NM** - No modesty panel
**LM** - LH modesty only

**RM** - RH modesty only
**WM** - Both modesty panels
See pricing column for full modesty panel upcharge.
Add upcharge to unit price for "LM", "RM" and "WM" options.

Ⓕ Select wire trough and power option.
**NW** - No wire trough
**WL** - Wire trough LH only
**WR** - Wire trough RH only
**WW** - Wire trough Both
Add upcharge to unit price for "WL", "WR" and "WW" options.

Ⓖ Select base finish.
Refer to the **Product Color Options** page in this price list.

Ⓗ Select edge/PowerUp color.
Refer to the **Product Color Options** page in this price list.
Edge color offerings are based on edge style selections. The color selection will apply to the trim, edge, PowerUp module and crank grom-

met. Trim color doesn't apply to the membrane edge selection.

Ⓘ Select surface finish.
Refer to the **Product Color Options** page in this price list.
Surface finish offerings are based on edge style selections. Laminate finishes are only available on (74P) 74P edge and (KN) knife edge worksurfaces. The membrane color selections are only available on the (MP) membrane edge worksurfaces.

## FINISH INFORMATION

**Additional Laminate Offering**
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime.
To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard laminate finish is the supplier's recommended finish for that color/pattern.
Note: Nonstandard laminates from these suppliers (example: textured laminates) require a Product Modification Request.
Contact customer service for details.

## SPECIAL SERVICES

**Special Carton Marking**

With specially marked information        N/C

**Shipping**
Ships **knocked down, FOB Manitowoc, WI 54220, freight prepaid.** Freight class 100.

Specifications and prices are subject to change without prior notice.

## HOW TO ORDER

Indicate the following information on order form:
1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: • The □ indicates that a choice is required.
- The absence of the □ indicates that no choice is required.
- Alpha-numeric characters in place of □ indicate that no other alternatives are available.

## HOW TO BUILD A MODEL NUMBER

Ⓐ Select basic model.

Ⓑ Select edge style.
- **74P** - 74P edge
- **KN** - Knife edge
- **MP** - Membrane edge

Ⓒ Select PowerUp module location. Select only one from the following and add the appropriate upcharge to the base price.
- **PUN** - No data
- **PUL** - Left module; add $146
- **PUR** - Right module; add $146
- **PUB** - Both left and right modules; add $296

Ⓓ Select modesty panel option.
- **NM** - No modesty panel
- **LM** - LH modesty only
- **RM** - RH modesty only
- **WM** - Both modesty panels
See pricing column for full modesty panel upcharge.

Add upcharge to unit price for "LM", "RM" and "WM" options.

Ⓔ Select wire trough and power option.
- **NW** - No wire trough
- **WL** - Wire trough LH only
- **WR** - Wire trough RH only
- **WW** - Wire trough Both
Add upcharge to unit price for "WL", "WR" and "WW" options.

Ⓕ Select overhead grommet.
- **OGN** - Overhead grommets no
- **OGL** - Overhead grommets left
- **OGR** - Overhead grommets right

Ⓖ Select transition legs.
- **TS** - No transition foot
- **TL** - Left transition foot
- **TR** - Right transition foot
- **TB** - Both transition feet

Ⓗ Select base finish.
Refer to the **Product Color Options** page in this price list.

Ⓘ Select edge/PowerUp color. Refer to the **Product Color Options** page in this price list.
Edge color offerings are based on edge style selections. The color selection will apply to the trim, edge, PowerUp module and crank grommet. Trim color doesn't apply to the membrane edge selection.

Ⓙ Select surface finish.
Refer to the **Product Color Options** page in this price list.
Surface finish offerings are based on edge style selections. Laminate finishes are only available on (74P) 74P edge and (KN) knife edge worksurfaces. The membrane color selections are only available on the (MP) membrane edge worksurfaces.
## FINISH INFORMATION

**Additional Laminate Offering**
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard laminate finish is the supplier's recommended finish for that color/pattern. Note: Nonstandard laminates from these suppliers (example: textured laminates) require a Product Modification Request. Contact customer service for details.

| KN | - Knife edge |
| MP | - Membrane edge |

Ⓒ Select PowerUp module location. Select only one from the following and add the appropriate upcharge to the base price.
| | |
|---|---|
| PUN | - No data |
| PUL | - Left module; add $146 |
| PUR | - Right module; add $146 |
| PUB | - Both left and right modules; add $296 |

Ⓓ Select modesty panel option.
| | |
|---|---|
| NM | - No modesty panel |
| LM | - LH modesty only |
| RM | - RH modesty only |
| WM | - Both modesty panels |

See pricing column for full modesty panel upcharge.

Add upcharge to unit price for "LM", "RM" and "WM" options.

Ⓔ Select wire trough and power option.
| | |
|---|---|
| NW | - No wire trough |
| WL | - Wire trough LH only |
| WR | - Wire trough RH only |
| WW | - Wire trough Both |

Add upcharge to unit price for "WL", "WR" and "WW" options.

Ⓕ Select base finish.
Refer to the **Product Color Options** page in this price list.

Ⓖ Select edge/PowerUp color.
Refer to the **Product Color Options** page in this price list.
Edge color offerings are based on edge style selections. The color selection will apply to the trim, edge, PowerUp module and crank grommet. Trim color doesn't apply to the membrane edge selection.

Ⓗ Select surface finish.

Refer to the **Product Color Options** page in this price list.
Surface finish offerings are based on edge style selections. Laminate finishes are only available on (74P) 74P edge and (KN) knife edge worksurfaces. The membrane color selections are only available on the (MP) membrane edge worksurfaces.

## FINISH INFORMATION

**Additional Laminate Offering**
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard laminate finish is the supplier's recommended finish for that color/pattern.
Note: Nonstandard laminates from these suppliers (example: textured laminates) require a Product Modification Request.
Contact customer service for details.

## HOW TO ORDER

Indicate the following information on order form:
1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: • The □ indicates that a choice is required.
- The absence of the □ indicates that no choice is required.
- Alpha-numeric characters in place of □ indicate that no other alternatives are available.

## HOW TO BUILD A MODEL NUMBER

Ⓐ Select basic model.

Ⓑ Select edge style.
| 74P | - 74P edge |
| KN | - Knife edge |
| MP | - Membrane edge |

Ⓒ Select PowerUp module location.
Select only one from the following and add the appropriate upcharge to the base price.
| PUN | - No data |
| PUL | - Left module; add $146 |
| PUR | - Right module; add $146 |
| PUB | - Both left and right modules; add $296 |

Ⓓ Select modesty panel option.
| NM | - No modesty panel |
| LM | - LH modesty only |
| RM | - RH modesty only |
| WM | - Both modesty panels |
See pricing column for full modesty panel upcharge.

Add upcharge to unit price for "LM", "RM" and "WM" options.

Ⓔ Select wire trough and power option.
| NW | - No wire trough |
| WL | - Wire trough LH only |
| WR | - Wire trough RH only |
| WW | - Wire trough Both |
Add upcharge to unit price for "WL", "WR" and "WW" options.

Ⓕ Select base finish.
Refer to the **Product Color Options** page in this price list.

Ⓖ Select edge/PowerUp color.
Refer to the **Product Color Options** page in this price list.
Edge color offerings are based on edge style selections. The color selection will apply to the trim, edge, PowerUp module and crank grommet. Trim color doesn't apply to the membrane edge selection.

Ⓗ Select surface finish.

Refer to the **Product Color Options** page in this price list.
Surface finish offerings are based on edge style selections. Laminate finishes are only available on (74P) 74P edge and (KN) knife edge worksurfaces. The membrane color selections are only available on the (MP) membrane edge worksurfaces.

1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: • The □ indicates that a choice is required.

• The absence of the □ indicates that no choice is required.

• Alpha-numeric characters in place of □ indicate that no other alternatives are available.

## HOW TO BUILD A MODEL NUMBER

Ⓐ Select basic model.

Ⓑ Select edge style.
- **74P** - 74P edge
- **KN** - Knife edge
- **MP** - Membrane edge

Ⓒ Select electric control style.
- **S** - Standard up/down switch
- **D** - Deluxe up/down switch; add $152

Ⓓ Select PowerUp module location. Select only one from the following and add the appropriate upcharge to the base price.
- **PUN** - No data
- **PUL** - Left module; add $146
- **PUR** - Right module; add $146
- **PUB** - Both left and right modules; add $296

Ⓔ Select modesty panel option.
- **NM** - No modesty panel
- **LM** - LH modesty only
- **RM** - RH modesty only
- **WM** - Both modesty panels

See pricing column for full modesty panel upcharge.
Add upcharge to unit price for "LM", "RM" and "WM" options.

Ⓕ Select wire trough and power option.
- **NW** - No wire trough
- **WL** - Wire trough LH only
- **WR** - Wire trough RH only
- **WW** - Wire trough Both

Add upcharge to unit price for "WL", "WR" and "WW" options.

Ⓖ Select base finish.
Refer to the **Product Color Options** page in this price list.

Ⓗ Select edge/PowerUp color.
Refer to the **Product Color Options** page in this price list.
Edge color offerings are based on edge style selections. The color selection will apply to the trim, edge, PowerUp module and crank grommet. Trim color doesn't apply to the membrane edge selection.

Ⓘ Select surface finish.
Refer to the **Product Color Options** page in this price list.
Surface finish offerings are based on edge style selections. Laminate finishes are only available on (74P) 74P edge and (KN) knife edge worksurfaces. The membrane color selections are only available on the (MP) membrane edge worksurfaces.

## FINISH INFORMATION

**Additional Laminate Offering**
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime.
To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard laminate finish is the supplier's recommended finish for that color/pattern.
Note: Nonstandard laminates from these suppliers (example: textured laminates) require a Product Modification Request.
Contact customer service for details.

Basic Model:
GSSH**24486030**S/F

Basic Model:
GSSH**30604824**S/F

## INFORMATION

Options are always specified left to right from the seated position

Refer to the **Product Color Options** page in this price list.

**I** Select edge color.
Refer to the **Product Color Options** page in this price list.

Edge color offerings are based on edge style selections. The color selection will apply to the trim, edge and PowerUp module.

**J** Select surface finish.
Refer to the **Product Color Options** page in this price list.
Surface finish offerings are based on edge style selections. Laminate finishes are only available on (74P) 74P edge and (KN) knife edge worksurfaces.

## FINISH INFORMATION

**Additional Laminate Offering**
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime.
To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard laminate finish is the supplier's recommended finish for that color/pattern.
Note: Nonstandard laminates from these suppliers (example: textured laminates) require a Product Modification Request.
Contact customer service for details.

## HOW TO ORDER

Indicate the following information on order form:
1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: • The □ indicates that a choice is required.
  • The absence of the □ indicates that no choice is required.
  • Alpha-numeric characters in place of □ indicate that no other alternatives are available.

## HOW TO BUILD A MODEL NUMBER

Ⓐ Select basic model.

Ⓑ Select edge style.
**74P** - 74P edge
**KN** - Knife edge
**MP** - Membrane edge

Ⓒ Select PowerUp module location.
Select only one from the following and add the appropriate upcharge to the base price.
**PUN** - No data
**PUL** - Left module; add $146
**PUR** - Right module; add $146
**PUB** - Both left and right modules; add $296

Ⓓ Select modesty panel.
**NM** - No modesty panel
**LM** - LH modesty only
**RM** - RH modesty only
**WM** - Both modesty panels
See pricing column for full modesty panel upcharge.

Add upcharge to unit price for "LM", "RM" and "WM" options.

Ⓔ Select wire trough and power option.
**NW** - No wire trough
**WW** - Wire trough
Add upcharge to unit price for "WW" option.

Ⓕ Select base finish.
Refer to the **Product Color Options** page in this price list.

Ⓖ Select edge color.
Refer to the **Product Color Options** page in this price list.
Edge color offerings are based on edge style selections. The color selection will apply to the trim, edge and PowerUp module.

Ⓗ Select surface finish.
Refer to the **Product Color Options** page in this price list.
Surface finish offerings are based on edge style selections. Laminate finishes are only available on (74P) 74P edge and (KN) knife edge worksurfaces.

## FINISH INFORMATION

**HOW TO ORDER**

Indicate the following information on order form:
1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: • The ☐ indicates that a choice is required.

• The absence of the ☐ indicates that no choice is required.

• Alpha-numeric characters in place of ☐ indicate that no other alternatives are available.

**HOW TO BUILD A MODEL NUMBER**

Ⓐ Select basic model.

Ⓑ Select cabinet paint color.
  Refer to the **Product Color Options** page in this price list.

Ⓒ Select upper door fabric.
  Refer to **ki.com/fabrics**

Ⓓ Select upper door solid color.
  Refer to the **Product Color Options** page in this price list.

Ⓔ Select upper door laminate color.
  Refer to the **Product Color Options** page in this price list.

Ⓕ Select laminate door edge color.
  Refer to the **Product Color Options** page in this price list.

Ⓖ Select lock option.
  KA    - Key alike

NLC    - No lock core
KS     - Key standard

Ⓗ Select lock color.
  Refer to the **Product Color Options** page in this price list.

**E** Select laminate color.
Refer to the **Product Color Options** page in this price list.

**F** Select lock option.

| | |
|---|---|
| **KA** | - Key alike |
| **NLC** | - No lock core |
| **KS** | - Key standard |

**G** Select lock color.

Refer to the **Product Color Options** page in this price list.

## FINISH INFORMATION

**Additional Laminate Offering**
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard laminate finish is the supplier's recommended finish for that color/pattern.
Note: Nonstandard laminates from these suppliers (example: textured laminates) require a Product Modification Request.
Contact customer service for details.

## HOW TO ORDER

Indicate the following information on order form:
1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: • The ☐ indicates that a choice is required.

• The absence of the ☐ indicates that no choice is required.

• Alpha-numeric characters in place of ☐ indicate that no other alternatives are available.

## HOW TO BUILD A MODEL NUMBER

Ⓐ Select basic model.

Ⓑ Select trim color.
Refer to the **Product Color Options** page in this price list.

## SPECIAL SERVICES

### Special Carton Marking

With specially marked information      N/C

### Shipping
Ships **knocked down, FOB Manitowoc, WI 54220, freight prepaid.** Freight class 70.

**HOW TO ORDER**

Indicate the following information on order form:
1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: • The □ indicates that a choice is required.
    • The absence of the □ indicates that no choice is required.
    • Alpha-numeric characters in place of □ indicate that no other alternatives are available.

**HOW TO BUILD A MODEL NUMBER**

Ⓐ Select basic model.

Ⓑ Select edge style.

| | |
|---|---|
| **74P** | - 74P edge |
| **KN** | - Knife edge |
| **MP** | - Membrane edge |

Ⓒ Select edge color.
    Refer to the **Product Color Options** page in this price list.
    Edge color offerings are based on edge style selections. Trim color doesn't apply to the membrane edge selection.

Ⓓ Select surface finish.
    Refer to the **Product Color Options** page in this price list.
    Surface finish offerings are based on edge style selections. Laminate finishes are only available on (74P) edge and (KN) knife edge worksurfaces. The membrane color selections are only available on the (MP) membrane edge worksurfaces.

**FINISH INFORMATION**

**Additional Laminate Offering**
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern. Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime.
Contact KI.

| MP | - Membrane edge |

Ⓒ Select edge color.
Refer to the **Product Color Options** page in this price list.
Edge color offerings are based on edge style selections. Trim color doesn't apply to the membrane edge selection.

Ⓓ Select surface finish.
Refer to the **Product Color Options** page in this price list.
Surface finish offerings are based on edge style selections. Laminate finishes are only available on (74P) edge and (KN) knife edge worksurfaces. The membrane color selections are only available on the (MP) membrane edge worksurfaces.

**FINISH INFORMATION**

**Additional Laminate Offering**
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern. Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime.

**HOW TO ORDER**

Indicate the following information on order form:
1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: • The □ indicates that a choice is required.
• The absence of the □ indicates that no choice is required.
• Alpha-numeric characters in place of □ indicate that no other alternatives are available.

**HOW TO BUILD A MODEL NUMBER**

Ⓐ Select basic model.

Ⓑ Select edge style.
| **74P** | - 74P edge |
| **EP** | - Elliptical postformed edge |
| **KN** | - Knife edge |
| **MP** | - Membrane edge |

Ⓒ Select base finish.
Refer to the **Product Color Options** page in this price list.

Ⓓ Select edge color.
Refer to the **Product Color Options** page in this price list.
Edge color offerings are based on edge style selections. Trim color doesn't apply to the membrane edge selection.

Ⓔ Select surface finish.
Refer to the **Product Color Options** page in this price list.
Surface finish offerings are based on edge style selections. Laminate finishes are only available on (74P) edge and (KN) knife edge worksurfaces. The membrane color selections are only available on the (MP) membrane edge worksurfaces.

**FINISH INFORMATION**

**Additional Laminate Offering**
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern. Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime.
