YOUR COMMERCIAL FOODSERVICE PARTNER

Grand Rapids Chair is an American furniture manufacturer dedicated to creating high-quality chairs and tables for commercial foodservice spaces. Our goal with every product is to help elevate the overall dining experience for brands and their customers.

In our inception, our first major customer was a fast-food chain. Nearly twenty years later, GRC is still serving large multi-unit restaurants and cafes across the country.

We're a second-generation family business that started in Grand Rapids, Michigan, and still call West Michigan "home" today. Currently, more than 110 employees work in over 150,000 square-feet of manufacturing and administrative space. We're growing—and we love partnering with companies that are growing, too.

OPERATIONALLY EXCELLENT

Our approach to creating quality and durable commercial furniture is unique; we are operationally excellent. Meaning, we balance cost, service requirements, and quality to meet the needs of each customer. In other words, it's not a one-size-fit all approach.

We also balance hand-crafted quality and aesthetics with fully automated machinery and processes. From working with designers on a custom product to producing large volumes with short lead times—our unique approach allows us to do both, and to do both well.

DURABLE & QUALITY

We specialize in durable and quality products designed for high-traffic spaces. While many commercial furniture companies are racing overseas for products, we choose to build our products in Michigan, using high quality, local materials along with American engineering and manufacturing techniques. All products are tested to meet or exceed BIFMA standards and offer a 10 year warranty.

SIT HAPPY

Sit happy is a reflection of our products, people, and culture. From first interaction, to sales order, to the customer sitting in our restaurant chair, our goal is to create furniture that not only makes our customers happy, but their customers, too.

HOW TO ORDER

All orders must be submitted in writing and are subject to acceptance by Grand Rapids Chair Company. Orders cannot be processed until they contain all information required for production. Once all information is received and the order is approved, it will be scheduled into production.

It is the customer's responsibility to check the accuracy of each and every order acknowledgment sent by the factory. We will, of course, make every effort to find inadvertent errors, but will execute the order as approved and cannot accept responsibility for errors made on the customer's part.

Please note that all orders will be acknowledged with estimated lead times. Lead time begins once the order, along with custom stain matches and custom engineering prints have been approved, and C.O.M. fabric is received.

PLEASE MAIL OR SEND ORDERS TO:

Grand Rapids Chair Company
1250 84th Street SW
Byron Center, MI 49315
Phone: 616.774.0561
Fax: 616.774.0563
E-mail: orderentry@grandrapidschair.com

If orders have previously been faxed, please mark hard copies sent to the office as "CONFIRMING." Orders not marked accordingly run the risk of being duplicated at the customer's expense.

NEW ACCOUNTS

To expedite the credit approval process, please fill out a credit application that can be furnished to you by calling the sales office at 616.774.0561. Allow thirty (30) days to process a credit application.

CREDIT CARDS

We accept Visa, Master Card, Discover, and American Express. Additional charges may apply.

MINIMUM ORDERS

For orders less than \$250.00 net, a setup/handling fee of \$50.00 will be charged.

CANCELLATIONS/CHANGES

All orders are considered firm. Any cancellation or change is subject to our approval, and will result in an order cancellation fee including all applicable costs plus a reasonable profit of 10%.

RETURNS

Merchandise cannot be returned for credit without an approved return material authorization. The nature of our customized products inhibits most return requests, but for those items that can be returned, a restocking fee of 15% will be assessed for all items.

MATCHING GOODS

In the event a customer would like to match a previous order to a new order, the customer must send a physical sample to their Account Manager. Due to continual engineering improvements and modifications, we cannot guarantee each good will be an exact match to their previous order. In the event that we cannot offer a matching good, a suitable alternative (comparable in design, style, and durability) will be offered to the customer.

DELIVERY

Orders will be shipped with normal shipping times. Special requests will be honored if possible. Once production has begun, orders cannot be held for extended delivery. It is the customer's responsibility to accept and store the furniture if there is an installation delay. Grand Rapids Chair Company will not be responsible or liable to purchaser for damages whether incidental, consequential, or otherwise for failure to fill orders, delays in delivery, or any error in filling the order.

FREIGHT

Risk of loss shall pass to the seller upon delivery of goods to a carrier. Grand Rapids Chair Company is not responsible for damage or delays in transit. It is the customer's responsibility to inspect product upon delivery for possible freight damage. It is also the responsibility of the customer to file freight claims for any damaged goods. Claims should be filed with the common carrier immediately upon discovery of such damage. Visible freight damage should be noted on the freight bill prior to taking receipt of the orders. Concealed damage claims must be filed within 10 days of receipt of shipment. C.O.D. shipments are subject to the freight carrier's fees for C.O.D. shipments.

FREIGHT CLASSIFICATIONS

Our products are shipped using the NMFC #80580 and classified by density per the general guidelines noted below:

Category	Freight Classifications
Assembled Wood Chairs	Class #250
Aluminum Chairs	Class #300
Steel Chairs	Class #250
Counter Seats	Class #250
Tables and Bases	Class #70

Freight quotes are valid for 30 days and are subject to change prior to shipment.

HOLDING ORDERS

Grand Rapids Chair will hold an order at no charge for up to 15 days after the original scheduled ship date. Any order beyond that time will be subject to charges of \$40 per pallet per month. For orders with 10 pallets or more, a minimum \$500 charge will apply per month. Note: A partial month is considered one month.

UPHOLSTERY INFORMATION

UPHOLSTERY

Prices are based on a solid color 54" wide upholstery. Any upholstery with 3" or greater repeat, length or width, which requires pattern matching, add 10% to overall list price. Thread color will be chosen by factory to match the upholstery as closely as possible, unless otherwise specified.

GRADED-IN PRICING

To determine graded-in pricing for grades beyond what is shown for a particular product, add \$16 list per yard, per grade. Be sure to visit our website to see our fabric partners and to gain a better understanding of our grading. Click on the textiles tab on the bottom of each product page.

CUSTOMER'S OWN MATERIAL (C.O.M.) AND CUSTOMER'S OWN LEATHER (C.O.L.)

Please consult the factory prior to placing your C.O.M. or C.O.L. order. We may be able to supply materials at a lower cost due to our volume discounts with the textile mills. All C.O.M. materials should be sent in rolls only, folding can cause adverse and irreversible deformations to some materials, especially leather.

A sample swatch must be supplied with the order along with the name of the supplying textile company and a description of the material (pattern name, color and any accompanying numerical description). We cannot accept responsibility for costs incurred for replacement material if the mill sends the incorrect fabric.

All C.O.M. yardage requirements in this price lists are based on 54" wide roll. Yardage is approximate. Add 10% to the yardage requirements if striped or patterned materials are specified, if pattern requires matching, or if width of material is less than 54" wide. For striped, patterned or unique designs, directions on upholstery application must be provided. If no directions are stated on the order or in a subsequent "confirmed and acknowledged" document, we will upholster the product in what we deem to be the most appropriate manner. We assume no responsibility thereafter.

Grand Rapids Chair Company assumes no liability as to the flame retardant qualities of a C.O.M.

For orders with C.O.L., add 10% to the list price of C.O.M. in our price list. We also advise adding 25% to the yardage requirements if specifying leather. Irregularities in grain, natural marks or variations in color are to be expected and are normal characteristics of natural luxurious leather, making each piece unique.

Acknowledged ship dates are dependent upon the timely receipt of C.O.M. or C.O.L. Delays in receiving the material will result in the rescheduling of production. We maintain the right to refuse the use of any customer-supplied material or leather that is not suitable due to pattern, stretch, weight or workability.

All C.O.M. must be shipped prepaid and clearly marked with your company name and purchase order number.

CALIFORNIA TECHNICAL BULLETIN 133

Chairs can be constructed to meet California Technical Bulletin 133, add \$65 list per yard of fabric. Testing, sampling and freight charges will apply as required.

WOODS

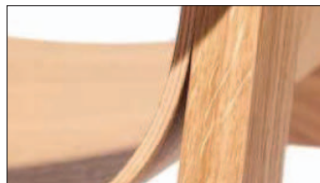

Wood is an organic material that undeniably adds warmth to any space. Unlike man made materials, wood is a naturally renewable resource that poses no threat to human health during processing. Each species of wood has a unique and naturally occurring pattern that can vary greatly. Due to the complex structure of wood, small knots, piths, pores, rings, etc. may appear and add decorative appeal.

Woodgrain - Maple

Mirrors

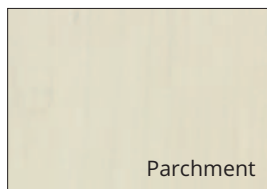

WOOD COLOR & SPECIES

Each species of wood has an innate base color, ranging from white to pinkish, yellow to brown and this impacts the way that stains and paints appear when applied. We primarily work with Beech and Maple wood species for our chairs and table tops. Each of our standard wood stains have been color matched so that any standard color will appear the same in both species. We have the capabilities to source Ash, American Walnut, Oak, etc. and request that for any custom color match or special finish a reference sample is provided and approved of prior to production.

WOOD STAIN COLOR MATCHING

There is a \$200 net charge to match any wood stain. A physical sample chip must be sent to the Grand Rapids Chair factory for matching. Digital or paper copies will not be accepted. There is no minimum order. If there are any additional glazing operations, please contact Grand Rapids Chair company to be quoted by customer service.

STEEL & ALUMINUM

We hand-tailor, cope and braze all joints to add even more stability, exceeding strength and durability standards and customer expectations. Powder coating is a type of coating that is applied as a free-flowing, dry powder. The coating is applied electrostatically and is then cured under heat to allow it to flow and form a "skin." It is used to create a hard finish that is tougher than conventional paint.

STANDARD METAL FINISHES

CUSTOM POWDER COAT COLORS

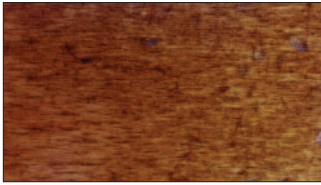

All custom powder coat colors must be quoted by customer service. This is due to a minimum powder quantity applied by suppliers as the powder often varies based on color and complexity.

An RAL number is required for custom powder coat colors. If a non-RAL color is requested (like Pantone or Benjamin Moore), a physical sample chip must be sent to the Grand Rapids Chair factory for matching. Digital or paper copies will not be accepted. Grand Rapids Chair is not responsible for obtaining physical samples. Grand Rapids Chair will not be able to quote until we have a physical chip sample for non-RAL colors.

For physical samples of non-RAL colors, please contact the color manufacturer for the sample. Often times sample chips can be ordered online. Please note, non-RAL colors will result in extended lead times.

DISTRESSING

Giving chairs that lived-in look requires a little extra attention. We hand-distress each one, just to your liking in either light or heavy, using a mixture of both traditional and unconventional wood working techniques.

UPHOLSTERY DETAILS

Select models, can be complemented with decorative nails. Refer to individual product pages for upcharge.

Nailhead Colors:

Brass #12

Antique Bronze #37

Matte Silver #10

Antique Pewter #41

NAILHEAD COBBLER SEAT

Nailhead trim is applied to a wood seat leaving an irregular wood perimeter around the upholstery material.

NAILHEAD WATERFALL COBBLER SEAT

Nailhead trim is applied to a wood seat leaving a wood perimeter on the back and two sides of the seat. The upholstery material wraps over the front of the seat completing the waterfall appearance.

NAILHEAD SURROUND BACK

Nailhead trim is applied to the outside edges of the upholstery material located on the back side of the chair.

NAILHEAD TRIM SURROUNDING FRONT LEGS ON PULLMAN SEAT

Nailhead trim is applied around the front and side edges of the front legs on Pullman style applications.

WELTING

Welting, often referred to as piping, is a fabric-covered cord positioned on the corners and edges of upholstered pieces that restricts contact with the sewn seams, acting as a buffer to abrasions as the furniture is used.

BOXED SEAT

A sewn upholstery cover is pulled over thicker foam to produce a built up seat. Typically 2" tall.

WEBBED SEAT

Commercial grade webbing is installed over custom plywood panels. This option adds additional comfort and longevity to any seat.

CAL 133

An added physical layer of knit fire barrier material underneath the material that you see.

SEATING: PERSONALIZATION OPTIONS

REDUCE TO COUNTER SEAT HEIGHT

Many of our barstools can be reduced to counter seat height, which is 24". See individual product pages for available models.

HANDHOLD CUT-OUT

Many of our chairs and barstools can be customized with a handhold cut-out. Available on solid wood and upholstered options.

ENGRAVING & LASER CUT-OUTS

Laser Cut-Out - Wood

Laser Engraving - Wood

Laser Cut-Out - Metal

Custom laser cut-outs and engraving adds a personal touch to your space. From logos to unique designs, we can do it all. Pricing for custom work must be discussed with the factory and vary depending on graphics/designs and the size of the project. Add a graphic setup fee of \$100 net per image, per order on projects with proper artwork. For projects without proper artwork, add \$150 net per image, per order. Acceptable vectorized formats for artwork include: .ai, .dxf, .cdr, and .eps files. Artwork and a copy of the image for reference should be e-mailed to sales@grandrapidschair.com

Add \$30 list per side for each 6" x 6" or smaller engraving. Call factory to confirm pricing or to obtain pricing on larger images. The engraved image is back filled with customer's choice of black, silver, or gold. Other colors are available with small up-charge.

*The edges of the cut-out are colored in dark brown which remains visible especially when chairs are finished in some light colors.

Please note, orders for fewer than 10-like shells will have an \$85.00 set-up charge. We do accept special laminates. If laminates are chosen that are outside our selected standards, please keep these guidelines in mind:

- Pricing and lead times will vary depending on laminate chosen – call for quote
- Laminate needs to be vertical grade
- Sheets available in 5' x 12' size will have the best yield
- Cannot use High Gloss Laminates
- If you choose a patterned laminate, please note that the pattern consistency will vary from shell to shell

TABLES

TABLES INFORMATION

ABOUT OUR TABLES

Our table line includes a tremendous variety of standard materials, shapes, sizes, and edge treatments. We offer a number of innovative options to increase functionality and comfort. We're uniquely adept at creating custom table solutions. Using our CNC laser-cutting machinery, we can make nearly any shape and size table you need. Tables are built for commercial indoor use. For outdoor solutions, please contact the factory.

Bases and tops can be purchased separately, however, to ensure the best quality product and fit, we suggest specifying complete tables. Tops are shipped separate from bases, but are pre-drilled for easy installation into their accompanying bases.

BASES

All of our table bases are made of either high-strength, structural steel—30% stronger than the average steel—or heavy-duty cast iron. Columns on both are heavy-wall tubes made of 14-gauge steel. All connections are hard welded using state-of-the-art machinery and a deep-penetration welding process that maximizes strength.

Bases are cleaned and primed before paint is applied via an automotive-grade powder coat system that assures even and thorough coverage. The environmentally friendly epoxy/polyester finish is baked in to create a beautiful, durable, color-rich surface.

Please note, smooth metal finishes will show the natural imperfections on cast iron bases.

WOOD TOPS

Strong, affordable, sustainably harvested Maple is our standard for solid wood table tops, but we can source and work with other species as requested.

We sand and stain every square inch of wood ourselves—by hand. We then enhance the grain with expertly applied finishes that ensure long-lasting beauty. Wood edge tables get a water-based acrylic topcoat for superior durability. All wood products are available in any of our standard wood stains, or we can custom color match. Because wood is a natural material, color may vary slightly from one piece to another, but every effort is made in the factory to match pieces consistently.

Please note scratches, dings, and dents are common issues that occur to tops in our busy world. Grand Rapids Chair guarantees the stability of our topcoat finish for one year when properly taken care of and used. This use does not extend to unfinished plating or ceramics, issues with other dining ware or set pieces, or to customer abuse. We will accommodate warranted work on finish failures. Please see our Warranty for further information.

Disclaimer: Plank direction always goes in the direction of the longest dimension unless instructed otherwise.

LAMINATE TOPS

We use BIFMA-strength approved, industrial-grade, low-formaldehyde particle board for the cores of our laminate table tops. Standard face for laminate top is .05" (counter top commercial grade) with a phenolic resin backer for balanced construction. Tops can also be specified with custom-designed laminates or certain high-performance grades for chemical resistant surfaces, fire-rated surfaces, and exceptional high-wear surfaces. Contact the factory for details and pricing.

Pricing for laminate tops is based on the Wilsonart "Standards" Collection, but other laminates are available, we work with most major laminate providers: Wilsonart, Pionite, Formica, Nevamar, Arborite, etc. Call factory for information on laminate inlays.

STONE & SOLID SURFACE TABLE TOPS

All prices are for a minimum of 5 tables. For quantities less than this, please contact Grand Rapids Chair Company. All tops have an eased edge. For a custom edge, please contact Grand Rapids Chair Company for quotation.

TOLERANCES

Standard tables are 30" high. Counter height tables are 36" high. Pub height or bar height tables are 42" high. All dimensions listed for tops and bases are nominal and may vary slightly according to base configuration, edge profile selected, and any added accessories.

For example, if a table is listed in the price list as a 24" length, then the actual dimensions will vary just slightly depending on your selected edge profile. Please see table below for nominal dimensions and actual dimension comparisons.

*If tolerances are critical to the job application, acceptable tolerances must be noted on the purchase order.

BASE ONLY PURCHASES

Customers purchasing table base(s) without a top should note that we cannot and do not guarantee the strength, stability, and performance of the completed table with a top from a different source. Grand Rapids Chair tables are not meant to be sold as separate parts, but as whole products. Furthermore, if the customer purchases bases and table tops as separate parts, we will not provide construction and installation instructions for purchased parts to the customer, contractor, or installation crew.

TABLES: PERSONALIZATION OPTIONS

DISTRESSING

Giving tables that lived-in look requires a little extra attention. We hand-distress each one, just to your liking in either light or heavy, using a mixture of both traditional and unconventional wood working techniques.

LASER ENGRAVING

Call factory for pricing and options.

FIXED PUB HEIGHT

Most table bases are available in pub height, with a surface height of 42" high. Configurations denoted with a "P" require a larger base for pub height applications. Custom heights available, call factory for pricing.

FOOT RINGS

A 19" diameter foot ring is hard-welded to the vertical column on pub height tables. Available with most base designs. All standard finishes available.

PURSE SHELF

An "under-top" option to accommodate purses, coats, cameras, etc. on pub height tables. Each shelf has four storage hooks affixed to the bottom of the shelf. Standard size is 15" in diameter, finished to match the table top. Call factory for pricing.

SELF-LEVELING GLIDES

A patented product that self-levels table bases on uneven floors. Table Shox are also available, call factory.

TABLE-FLIP MECHANISM

Usually specified to accommodate table storage, this high-strength steel assembly allows the table top to easily flip into a vertical position. Available on square and round tops up to 48".

TABLE-FOLD MECHANISM

Mechanism allowing T-base tables to fold. Typically used to accommodate table storage.

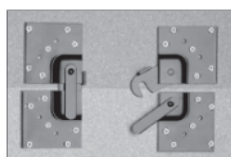

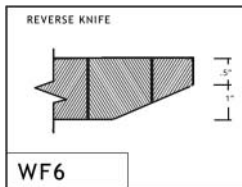

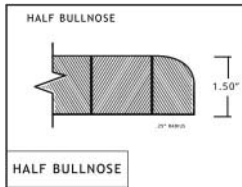

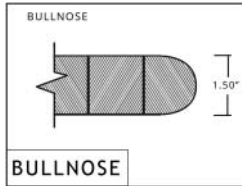

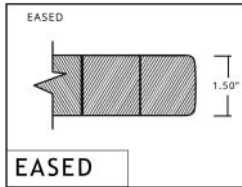

TABLE CONNECTORS

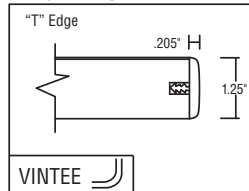

Used to join square and rectangular tables together for reconfiguring spaces, featuring our patented "Sure Lock" mechanism.

Grand Rapids Chair offers a wide variety of standard table edges. For solid wood tops, we offer solid wood table edges. For laminate table tops, we offer the remaining edges listed on the pages. Those include vinyl, edgeband, aluminum, laminate overlay, wood edges, and three types of urethane. Three inch radius corners are standard, but other radii available upon request. Call the factory for more information or to see samples.

BUTCHER BLOCK VS. RANDOM PLANK

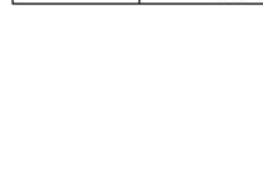

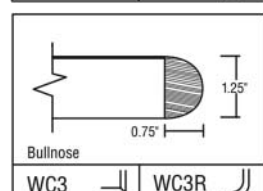

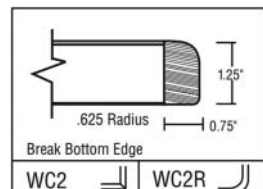

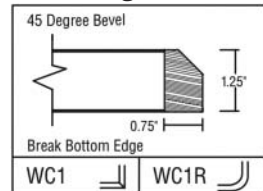

Customers can choose between butcher block and random plank when purchasing a solid wood table. Our butcher block table tops features wood planks with equal width. Our random plank table tops features planks with varying widths. Each technique provides dimension and texture to our smooth wood tables.

To maintain the beauty of decorative laminates, clean with a solution of liquid dishwashing detergent and warm water and dry with a clean, non-abrasive cloth. This should remove most surface stains. On high-gloss laminates, this solution may leave streak marks. These can be removed using glass cleaner with ammonia and a dry, clean, non-abrasive cloth.

For stubborn stains, use a household cleaner such as Formula 409®, Fantastik®, Windex® or diluted Simple Green®. It may be necessary to use a soft bristle brush with light scrubbing to assist in removing the stain.

If stain persists, try a mixture of baking soda and water. Apply with a soft bristle brush and lightly scrub with 10-20 strokes. Baking soda is a mild abrasive cleaner so use as instructed. Other types of abrasive cleaners will cause scratching and discoloration of laminate. As a last resort, try undiluted bleach, IMMEDIATELY rinsing with warm water. DO NOT allow bleach to sit on stain for more than one minute, as prolonged exposure of laminate to bleach will cause discoloration.

For pre-finished veneer, clean with a solution of liquid dishwashing detergent, warm water and a damp rag. Dry with a clean, non-abrasive cloth.

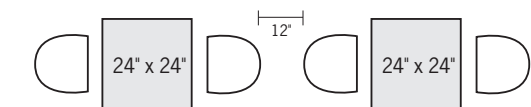

Self, PVC and T-mold edges should be cleaned with a solution of liquid dishwashing detergent and warm water. Dry with a clean, non-abrasive cloth. For stubborn stains, try rubbing alcohol with a clean, non-abrasive cloth.

Clean wood edges with a solution of liquid dishwashing detergent and warm water. Dry with a clean, non-abrasive cloth. This should remove most stains from the surface.

For urethane edges, please request specific care recommendations from the factory.

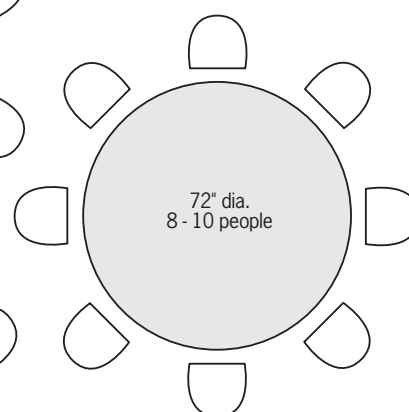

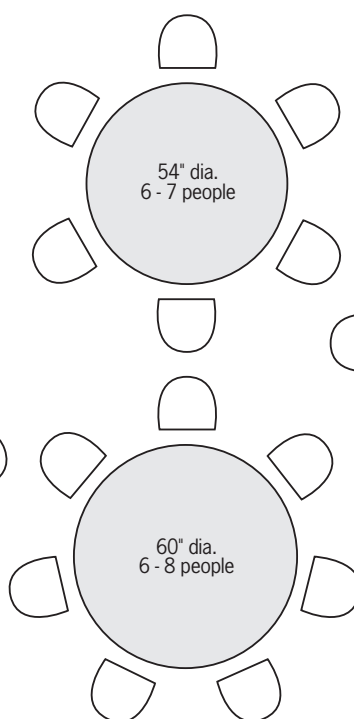

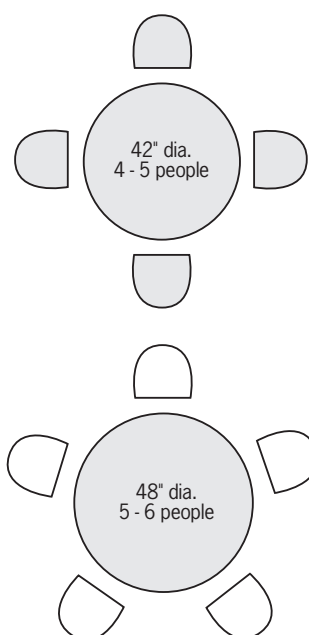

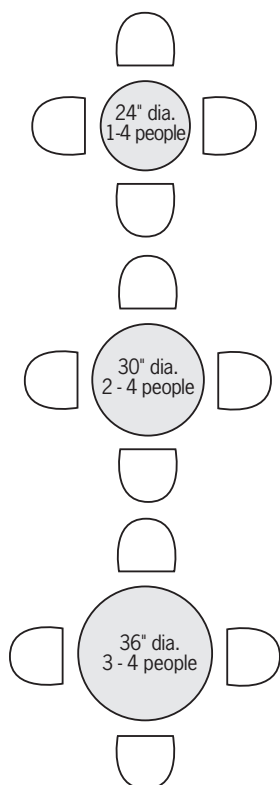

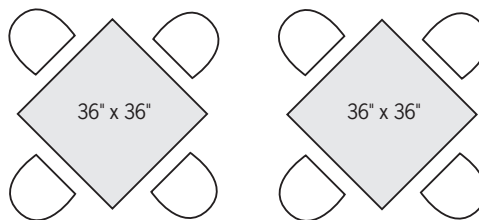

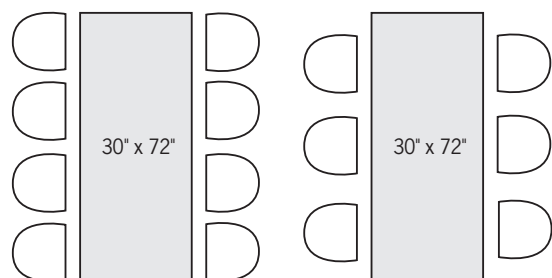

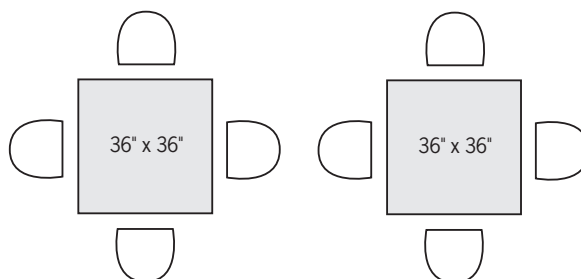

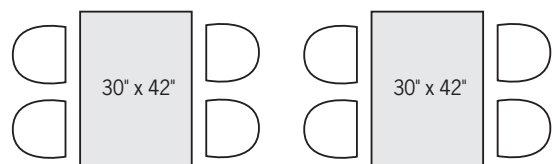

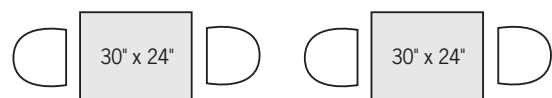

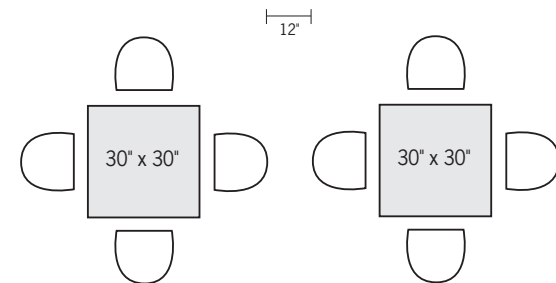

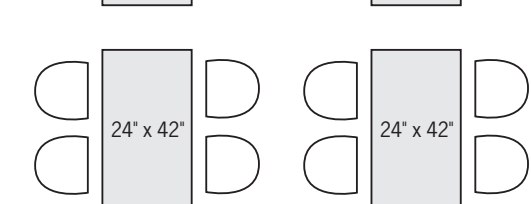

Natural wood products are naturally susceptible to damage from radical changes in heat and humidity; care must be taken to ensure that they are in a temperate environment.

1. THE AGREEMENT

All sales by GRAND RAPIDS CHAIR COMPANY or its affiliates (the "Seller") shall be governed by the following terms and conditions of sale. The agreement between Seller and Buyer with respect to the sale of goods described in the Seller's quote (the "goods") shall consist only of the terms appearing herein and in the Seller's quote or proposal and any attachments, exhibits and supplements (the "contract") together with any terms mutually agreed to in writing hereafter by Seller and Buyer. Buyer's issuance of a purchase order constitutes its acknowledgment that Seller's quote is the first document exchanged, containing the essential elements of, and therefore constitutes an offer. Seller objects to and shall not otherwise be bound by any additional or different terms, whether printed or otherwise, in Buyer's purchase order or in any other communication from Buyer to Seller. The contract shall be for the benefit of Seller and Buyer and not for the benefit of any other person. Prior courses of dealing, trade usage and verbal agreements not reduced to a writing signed by Seller, to the extent they differ from, modify, add to or detract from the contract, shall not be binding on Seller. There are no agreements, promises or understandings, either verbal or written, that are not fully expressed herein. No statements, recommendations, or assistance by either party has been relied upon by either party or shall constitute a waiver by either party of the provisions hereof.

2. NO IMPLIED ACCEPTANCE

Notwithstanding any contrary provision in Buyer's purchase order, no action by Seller such as delivery of goods, the rendering of services or the commencement of work on goods to be specially manufactured for Buyer, will be deemed an acceptance by Seller of any purchase order from Buyer with terms different than those contained in this contract.

3. TERMINATION OR MODIFICATION

The contract may be modified or terminated only upon Seller's written consent. If all or part of the contract is terminated, Buyer, in the absence of contrary written agreement with Seller, Buyer shall pay a termination charge equal to expenses and costs incurred by Seller in the production of the goods to the date such termination is accepted by Seller, including work in process, raw materials not usable by Seller for other purposes, and reimbursement for any commitments to third parties made in order to satisfy Buyer's requirements, plus a reasonable profit. In addition, any

goods completed on or prior to Seller's acceptance of such termination shall be accepted and paid for in full by Buyer.

4. TERMS OF PAYMENT

Payment terms are determined on an individual company basis. Payments shall be made to Seller at the address specified in the invoice. Pro rata payments shall become due as shipments are made. If any shipment is delayed by Seller at the request of Buyer, payment shall become due on the date when Seller is prepared to make shipment. Prices are FOB selling point unless otherwise stated in contract. Product orders for non-standard product, replacement parts, and orders that exceed normal credit limits require down payments up to full value of the order prior to order entry. Delay in payment of deposits may delay production. When any payment is not paid on or before its due date, Buyer agrees to pay a late charge on the sum outstanding, from the due date for receipt of payment to the actual date of receipt of payment, at a rate of one and one half percent (1.5%) per month on the unpaid balance. If a payment is not paid on or before its due date, Buyer agrees that Seller may also cease performance under any and all of Buyer's purchase orders whether or not related to the late payment. Whenever, in the judgment of Seller, the financial condition of the Buyer does not justify the continuation of production or shipment on the specified terms of payment, the Seller may require full or partial payment in advance. Seller shall have a security interest in all tools, molds, and dies and other property of Buyer, which come into the possession of Seller, as security for all sums owing from Buyer to Seller from time to time.

5. DELIVERY

Delivery dates are not guaranteed but are estimated on the basis of immediate receipt by Seller of all information to be furnished by Buyer, and all shipments are subject to Seller's production schedule. Seller shall in good faith endeavor to meet estimated delivery dates. Seller shall not be responsible for claims for error in quantity, weight or number not made within ten (10) days after Buyer's receipt of goods. Seller will not be liable for any delay in performance of this contract or delivery of goods when the delay is caused directly or indirectly by fire, flood, explosion, accident, riot, acts of God, war, governmental interference, embargo, strikes or other labor difficulties, shortage of labor, fuel, power, materials or supplies, transportation delays, failure of tooling or the repair, maintenance or rehabilitation of the tooling, or any other

TERMS & CONDITIONS

cause or causes whatsoever beyond its control. In the event Seller is delayed in performance by Buyer or at Buyer's request, Buyer will be responsible for any resulting increase in cost, including handling, insurance and storage charges, and Seller may invoice goods ready for shipment with payment to be made in accordance with the payment schedule as if the goods had been shipped. In the event delay is caused by Buyer's failure to furnish information necessary for Seller's performance, Seller may extend the shipment date for a reasonable time in proportion to the period of Buyer's delay.

6. INSTALLMENT DELIVERIES AS SEPARATE SALES

Each installment of goods to be delivered pursuant to this contract is to be considered as a separate sale and Buyer shall be liable to pay the agreed price for each such installment without regard to any failure to deliver other installments, and Seller's breach or default in the delivery of any installment shall not give Buyer the right to refuse to receive any other installments.

7. RISK OF LOSS

Buyer assumes all risk of loss of goods upon delivery by Seller to carrier. Seller agrees to package the goods, put them in the possession of a carrier, make appropriate arrangements for their transportation, and obtain and deliver documents necessary to enable Buyer to obtain possession of the goods. Seller shall not be obligated to obtain insurance or to prepay transportation costs unless the contract provides otherwise. Buyer agrees to pay all loading, unloading and other charges incidental to transportation. Seller will attempt to follow Buyer's shipping instructions, but may make reasonable changes thereto. Whether or not Seller pays shipping charges, risk of loss shall pass to Buyer upon delivery of the goods to a carrier. Breach of this contract shall have no effect upon this provision controlling the risk of loss.

SELLER MAKES NO OTHER WARRANTIES OR REPRESENTATIONS, EXPRESS OR IMPLIED, BY OPERATION OF LAW OR OTHERWISE, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ALL OF WHICH ARE HEREBY SPECIFICALLY DISCLAIMED. IN PARTICULAR, BUT WITHOUT LIMITING THE GENERALITY OF THE FOREGOING EXCLUSION, (i) IF THE GOODS ARE MADE ACCORDING TO BUYER'S SPECIFICATIONS, SELLER DOES NOT WARRANT ADEQUACY OF SUCH SPECIFICATIONS OR THAT THE GOODS WILL PERFORM IN ACCORDANCE WITH SUCH SPECIFICATIONS, (ii) IF ANY GOODS FURNISHED HEREUNDER ARE MADE BY ANY SUPPLIER OTHER THAN SELLER, SELLER DOES NOT PROVIDE ANY WARRANTY WITH RESPECT TO SUCH GOODS, (iii) SELLER DOES NOT WARRANT THAT THE GOODS ARE IN COMPLIANCE WITH LAWS OF ANY COUNTRY, AND (iv) IF THE GOODS ARE MODULES OR ASSEMBLIES, SELLER DOES NOT WARRANT DESIGN, DESIGN PERFORMANCE, DURABILITY OR SYSTEM INTEGRATION OF THE MODULES, ASSEMBLIES OR ANY COMPONENTS THEREOF. LIMITED WARRANTY BASED ON 8HR, 200 DAY USE. Seller's sole obligation under the foregoing warranties will be limited to either, at Seller's option, replacing or repairing defective goods or refunding the purchase price paid for such goods previously paid by Buyer, and Buyer's exclusive remedy for breach of any of such warranties will be enforcement of such obligation of Seller. These warranties will not extend to goods subjected to misuse, abuse, neglect, damage, accident or improper installation or maintenance or which have been altered or repaired by anyone other than Seller or its authorized representative. Seller shall not be liable on any claim for defective goods, which is not made within thirty (30) days after discovery of defect.

9. REMEDIES AND LIMITATION OF LIABILITY

In the event Buyer claims Seller has breached any of its obligations under the contract, whether of warranty or otherwise, Seller may request the return of the goods and tender to Buyer the purchase price previously paid by Buyer, and in such event, Seller shall have no further obligation under the contract except to refund such purchase price upon redelivery of the goods. No goods may be returned without Seller's written request. If Seller requests the return of the goods, the goods will be unless otherwise authorized in writing by Seller. Seller reserves the right to inspect any claimed defect, repair defective goods or install replacement parts, and perform any adjustment incident to satisfactory

operation of the goods. In the event Buyer claims Seller has breached any of its obligations under the contract, whether of warranty or otherwise, and Seller has not delivered any goods to Buyer, Seller may tender to Buyer the purchase price previously paid by Buyer, and, in such event, Seller shall have no further obligation under the contract except to refund such purchase price previously paid by Buyer. The remedies contained in this and the preceding paragraph shall constitute the sole recourse of Buyer against Seller for breach of any of Seller's obligations under the contract, whether of warranty or otherwise. In no event shall Seller be liable for incidental, consequential or special damages, including without limitation, lost revenues, profits or recall expenses, nor shall Seller's liability on any claim for damages arising out of or connected with the contract or the manufacture, sale, delivery or use of the goods exceed the purchase price of the goods previously paid by Buyer to Seller. Any warranty rights which Seller may have relating to any goods provided by other suppliers will be assigned to Buyer upon request. Seller shall not be liable for failure to perform its obligations under the contract resulting directly or indirectly from circumstances beyond Seller's reasonable control.

10. INDEMNIFICATION

Buyer shall indemnify Seller against, and hold Seller harmless from, any and all claims and liabilities, including reasonable attorney's fees, arising out of, connected with, or resulting from the goods, including but not limited to, the design, manufacturing, selection, delivery, possession, storage, use, operation or disposition of the goods. Seller's entire liability for goods is limited as set forth in paragraph 9 above.

11. PATENTS

Buyer shall indemnify Seller against liability, loss, damage or expense in any instance involving alleged violation of patent rights relating to Buyer's specifications and/or the goods resulting from those specifications. Buyer shall bear the full burden for all liability, loss, damage or expense in any such instance. Such indemnification of Seller against all liability, loss, damage or expense pursuant to this provision shall include, but is not limited to, litigation expenses, reasonable attorney's fees, and damages awarded under an adverse judgment or established by way of compromise settlement where both Buyer and Seller have notice of and consent to such compromise settlement.

12. CHANGES

Changes in the work to be performed under the contract may be made only if Buyer submits written instructions for such changes and if Seller accepts those changes in writing. If any such approved changes in drawings, materials, quantities, dates of performance or design of the part, units, tools, or fixtures, in Seller's sole judgment, increase Seller's costs, Seller may condition approval of any such change on agreement by Buyer to a price increase to recoup such cost increase, plus a reasonable return.

13. CANCELLATION/RESCHEDULE OF PURCHASE ORDERS

- A. In the event of any cancellation of all or part of any purchase order by Buyer, Buyer agrees to pay Seller for all reasonable and allocable materials, material management, labor, overhead and general and administrative costs and expenses incurred as a result of any such cancellation, plus a reasonable profit hereby stipulated to be ten percent (10%) of such costs and expenses within thirty (30) days from the date of Seller's invoice setting forth such costs and expenses. By way of illustration and not limitation, Seller's costs incurred by reason of Buyer's cancellation may include the storage costs for the items to be purchased, and costs associated with relocating the production to an alternate source, as well as the costs of unreimbursed and/or unamortized research and development costs, capital equipment, and other property and supplies of Seller needed to produce and which are unique to the goods.
- B. In the event of such cancellation and upon receipt of payment as described above, all completed goods, assemblies in process, components and any tooling, and equipment owned by Buyer and furnished to Seller under this contract shall be returned to Buyer in accordance with instructions specified by Buyer.
- C. In the event of any cancellation, inventory carrying charges will be assessed at a rate of two percent (2%) per month on the value of such inventory until the relevant inventory is disposed of and paid for by Buyer.
- D. In the event of any reschedule of delivery of goods by Buyer for a period of more than two weeks, inventory carrying charges will be assessed at a rate of two percent (2%) per month until such goods are shipped.

14. DISCLOSURE AND USE OF INFORMATION

Any technical or confidential information disclosed by Seller during the term of this agreement is proprietary and may not be used by Buyer or disclosed by Buyer to any other entity without the written consent of the Seller of such information. Any information owned or developed by Seller, including but not limited to, patents, trademarks, copyrights, know-how and proprietary information, and used for the supply of goods under this contract shall remain the sole and exclusive property of Seller. Except as authorized in writing by and on terms acceptable to Seller, Buyer shall have no right to disclose any technical information to any third party or to have any third party make any goods that use the technical information owned by Seller.

15. MATERIAL PRICE INCREASES

Seller's price quotation shall be subject to pricing of raw materials or other commodities used in the manufacture of goods as described to Buyer. If any such price shall increase by more than five percent (5%) during the term of the Contract, then the quoted price shall be adjusted on the last day of each month thereafter to reflect the full amount of any such price increase.

16. GOVERNING LAW AND FORUM

The formation and performance of the contract shall be governed by the Uniform Commercial Code, as adopted in the state of Michigan. Any action for breach of the contract, including any breach of warranty, must be commenced within one (1) year after the cause of action has accrued. This contract shall not be subject to or governed by the United Nations Convention on Contracts for the International Sale of Goods. Any legal or equitable actions arising out of or relating to this contract or any other contract between the parties, shall be brought only in the United States District Court for the Western District of Michigan, or in the district or circuit courts of Kent County, Michigan. Seller and Buyer agree that such court shall have in personam jurisdiction over the parties.

17. TAXES

Unless the contract provides otherwise, sales, use, occupation, excise and other taxes upon the production, sale or use of the goods are not included in the price and such taxes or any costs in connection therewith, wherever levied and whether imposed before or after payment of invoice, shall be paid by Buyer.

18. MINIMUM PURCHASE REQUIREMENTS.

Buyer hereby acknowledges and agrees that the prices set forth in this contract are contingent upon Buyer's agreement to purchase the total quantities set forth in the Buyer's request for quote/proposal. If Buyer fails to purchase at least ninety percent (90%) of the quantities of goods contained in its request for quote/proposal, Buyer agrees that the pricing on the goods delivered to Buyer shall be adjusted retroactively to reflect the impact of lower volume on material pricing, labor efficiencies and other cost and expenses of Seller. Buyer hereby agrees to pay Seller such additional sums within thirty (30) days of the date of Seller's invoice for payment. Orders for amounts less than \$250 net price will be charged a minimum order charge of \$50. Table orders with quantities less than 5 tops will be charged a set up charge of \$250 net.

19. ASSIGNMENT AND DELEGATION.

No right or interest in this contract shall be delegated or assigned by Buyer without the written permission of Seller. Any attempt at assignment or delegation shall be void unless made in conformity with this paragraph. Buyer represents and warrants to Seller that any assignee of Buyer's rights under this contract shall be in a financial condition and otherwise able to perform all of Buyer's obligations hereunder. No assignment of this contract shall relieve Buyer of its liability under this contract.

Seller makes no other warranties or representations, express or implied, by operation of law or otherwise, including without limitation any implied warranty of merchantability or fitness for a particular purpose, all of which are hereby specifically disclaimed. In particular, but without limiting the generality of the foregoing exclusion, (i) if the goods are made according to buyer's specifications, seller does not warrant adequacy of such specifications or that the goods will perform in accordance with such specifications, (ii) if any goods furnished hereunder are made by any supplier other than seller, seller does not provide any warranty with respect to such goods, (iii) seller does not warrant that the goods are in compliance with laws of any country, and (iv) if the goods are modules or assemblies, seller does not warrant design, design performance, durability or system integration of the modules, assemblies or any components thereof. Limited warranty based on 8hr, 200 day use. Seller's sole obligation under the foregoing warranties will be limited to either, at Seller's option, replacing or repairing defective goods or refunding the purchase price paid for such goods previously paid by Buyer, and Buyer's exclusive remedy for breach of any of such warranties will be enforcement of such obligation of Seller. These warranties will not extend to goods subjected to misuse, abuse, neglect, damage, accident or improper installation or maintenance or which have been altered or repaired by anyone other than Seller or its authorized representative. Seller shall not be liable on any claim for defective goods, which is not made within thirty (30) days after discovery of defect.

REMEDIES AND LIMITATION OF LIABILITY

In the event Buyer claims Seller has breached any of its obligations under the contract, whether of warranty or otherwise, Seller may request the return of the goods and tender to Buyer the purchase price previously paid by Buyer, and in such event, Seller shall have no further obligation under the contract except to refund such purchase price upon redelivery of the goods. No goods may be returned without Seller's written request. If Seller requests the return of the goods, the goods will be unless otherwise authorized in writing by Seller. Seller reserves the right to inspect any claimed defect, repair defective goods or install replacement parts, and perform any adjustment incident to satisfactory operation of the goods. In the event Buyer claims Seller has breached any of its obligations under the contract, whether of warranty or otherwise, and Seller has not delivered any goods to Buyer, Seller may tender to Buyer the purchase price previously paid by Buyer, and, in such event, Seller shall have no further obligation under the contract except to refund such purchase price previously paid by Buyer. The remedies contained in this and the preceding paragraph shall constitute the sole recourse of Buyer against Seller for breach of any of Seller's obligations under the contract, whether of warranty or otherwise. In no event shall Seller be liable for incidental, consequential or special damages, including without limitation, lost revenues, profits or recall expenses, nor shall Seller's liability on any claim for damages arising out of or connected with the contract or the manufacture, sale, delivery or use of the goods exceed the purchase price of the goods previously paid by Buyer to Seller. Any warranty rights which Seller may have relating to any goods provided by other suppliers will be assigned to Buyer upon request. Seller shall not be liable for failure to perform its obligations under the contract resulting directly or indirectly from circumstances beyond Seller's reasonable control.
