## Coverings

All upholstered items may be ordered using HBF Textiles, HBF Leathers, or coverings provided by the customer. Prices listed as COM refer to Customer's Own Material. Prices listed as COL refer to Customer's Own Leather. Prices listed as GRADE refer to HBF Textiles and/or HBF Leather.

**Yardage requirements shown in the price list are based on non-directional 54" wide material.** The following conversion chart should be used to determine yardage requirements when COM is 54" wide or less and/or has a repeat of 2" or more. Add together the vertical and horizontal repeat to determine which column should be used as a reference.

Fabric Width	Plain Fabric	2"-10" Repeat	11"-20" Repeat	21"-25" Repeat	26"-30" Repeat	31"-35" Repeat	36"-40" Repeat	41"-45" Repeat
54" .....	+ 0% .....	+10% .....	+15% .....	+20% .....	+25% .....	+30% .....	+35% .....	+40%

**To determine the possibility of reduced yardage requirements for orders of thirty (30) or more units, please contact The HBF Client Experience Team.** HBF reserves the right to request additional yardage of COM/COL at customer expense based on repeat and/or pattern size, and number of rolls.

All COM/COLs must be approved for application before the purchase order is submitted to HBF. Please contact The HBF Client Experience Team at [hbfservice@hbf.com](mailto:hbfservice@hbf.com) to verify that your COM/COL fabric has been approved. If it has not, please request COM/COL approval testing via [www.hbf.com](http://www.hbf.com) under COM/COL Request. Failure to submit a COM/COL for testing may result in additional expenses or rejection of COM/COL. For any repeat and/or pattern size not listed, please contact The HBF Client Experience Team for a yardage requirement quotation.

HBF cannot be held responsible for performance, color accuracy, or weaving of COM/COL materials. All responsibility for COM/COL shipments is between the purchaser and the textile source. HBF reserves the right to reject any COM or COL. HBF assumes no responsibility for suitability or wearability of COM/COL. Difficult COM/COL may be subject to additional charge if additional labor costs are incurred. HBF assumes no responsibility for the flame retardance of any COM. Customers are solely responsible for making sure that COM complies with all applicable codes and regulations. Orders specifying COM/COL will not be scheduled for production until all approved COM(s)/COL(s) are received by HBF. To ensure proper COM/COL expediting, please tag fabric/leather roll(s) with the following information: 1. Purchasing dealer name and purchase order number 2. HBF acknowledgement number, if available 3. Other pertinent information which will enable proper COM/COL identification.

When sending COL for use on one of our upholstered pieces, please send eighteen (18) square feet of leather for each yard of 54" plain fabric required for that item.

### COM/COL ORDERING REQUIREMENTS:

**Prior to acceptance of order specifying COM/COL, a memo sample must be submitted to HBF for determination of suitability. All COM's and COL's must be rolled separately, on individual tubes. Multiple fabrics rolled on the same tube will not be accepted.**

For ease of expediting your COM/COL order, we require the following information:

1. Fabric description
2. Fabric source
3. Order line, product name or number
4. Fabric color
5. A swatch of the covering
6. Special application instructions, if any

**Shipping Address:** HBF  
900 12th Street Drive NW  
Hickory, NC 28601-4763

If COM/COL is of a type requiring choices of seam placement, face side, position of design or repeat; these instructions must be clearly stated on the original order.

HBF cannot be held responsible for performance, color accuracy, or weaving of COM materials. All responsibility for COM shipments is between the purchaser and the textile source.

HBF reserves the right to reject any COM or COL. HBF assumes no responsibility for suitability or wearability of COM/COL. Difficult COM/COL may be subject to additional charge if additional labor costs are incurred.

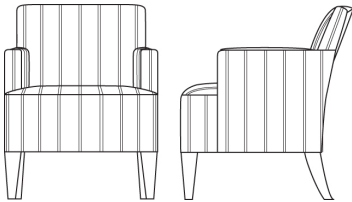

HBF assumes no responsibility for the flame retardance of any COM. Customers are solely responsible for making sure that COM complies with all applicable codes and regulations.

Orders specifying COM/COL will not be scheduled for production until all approved COM/COL is received by HBF.

To ensure proper COM/COL expediting, please tag fabric/leather with the following information:

1. Purchasing dealer name and purchase order number
  2. HBF acknowledgement number, if available
  3. Other pertinent information which will enable proper COM/COL identification

## ANSI/BIFMA e3-2012 Furniture Sustainability Standard level®

HBF's production facilities, organizational policies and component materials of the products themselves have met all of the necessary qualifications to comply with the industry's most comprehensive furniture sustainability standard.

level® is the multi-attribute, sustainability standard and third-party certification program for the furniture industry. It has been created to deliver the most open and transparent means of evaluating and communicating the environmental and social impacts of furniture products in the built environment.

Taking into account a company's social actions, energy usage, material selection and human ecosystem health impacts, level® addresses how a product is sustainable from multiple perspectives. With level®, customers can make informed choices about commercial furniture that exceed single attribute eco-certifications. The level® brand identifies that a product has been vetted by an independent third party certifier and its numeric marking 1, 2 or 3 which indicates the threshold of certification it has achieved.

HBF's seating, occasional tables, and conference lines are level® certified. Please download the certificates from our product pages for the complete details.

For more information about the ANSI/BIFMA level® standard, visit [www.levelcertified.org](http://www.levelcertified.org)

## SCS Indoor Advantage™

All HBF seating products are SCS Indoor Advantage™ Gold Certified.

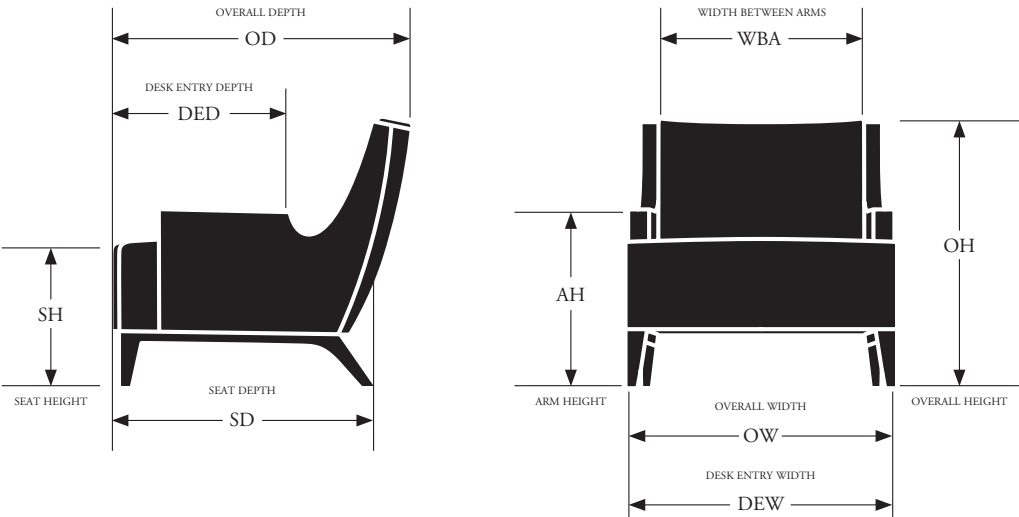

SCS Global Services (SCS), a reputable third-party certification and assessment body of environmental, sustainability and safety claims since 1984, has developed internationally recognized standards and certification programs to assist businesses with improving their environmental efforts, social accountability and product performance.

The advantages of holding SCS Indoor Air Quality certification are substantial: in addition to improving indoor working environments and meeting qualifications for the LEED-CI EQ 4.5 credit for office furniture as well as the BIFMA Standard for Low-Emitting Office Furniture Systems & Seating M-7.1, there is the added assurance of knowing that the company's entire breadth of products is held to such rigorous standards.

**Veneer and Finishes**

Wood owes its inherent beauty to variations in color, grain, and texture; therefore, these variations are not considered defects. Due to the natural color and grain variances of wood substance the final finish color, texture and grain may vary from one furniture piece to another even though they are finished at the same time. Exposure to light and the aging process will cause changes in surface color of natural wood products. Light finishes on wood products do not mask the natural characteristics of wood. HBF does not guarantee the exact matching of grain, pattern and color.

An upcharge of **5% Net** COM per seating unit, with a minimum upcharge of **\$500 Net** per order, will apply for any custom wood finish.
