Directions

Dilute 2 to 6 ounces per gallon and soak, wipe, brush or spray on surface. Allow to penetrate and act on soil and grease. Then scrub and wipe off with clean wet cloth, sponge or towel. Rinse with potable water.

FRYERS: Drain pot and wipe up excess. Fill with solution to near full. Heat to boil for 5 to 10 minutes. Drain and wipe out residue. Rinse with potable water. Drain and rinse before reusing equipment.

Safety Information

KEEP OUT OF REACH OF CHILDREN

DANGER: Causes irritation or burns to eyes and skin. Contains alkaline builders. Avoid contact with eyes and skin. In case of contact, flush immediately with plenty of water. If irritation persists, get medical attention. For eyes, flush immediately with water for 15 minutes. Get medical attention.
