This State Contract Agreement is made this 13th day of April between the Department of Finance and Administration, Office of Purchasing, Travel and Fleet Management for the State of Mississippi (hereinafter the "State") and HP Inc., 1501 Page Mill Road, Palo Alto, CA 94304-1126 (hereinafter the "Contractor").

SCOPE: The Contractor agrees to furnish the State its normal requirements of copiers/printers - purchase and rental on a nonexclusive basis for a period of twelve (12) months beginning May 1, 2023, and ending April 30, 2024, in accordance with all requirements in the *State of Mississippi Proposal Format and Guidelines For Copiers-Purchase and Rental/Printers- Purchase ONLY* and the Contractor's Proposal submitted on February 15, 2023.

Computer Printers are allowed on contract as well as copiers with speeds up to 150 CPM. Please note, this is a price agreement contract wherein the agencies and governing authorities will be authorized to purchase and/or rent at or below the prices set forth in the contract.

All rentals will be covered by the terms and conditions of the Generic Rental Agreement for use by Mississippi Departments and Vendors (revised February 2017).

All purchases will be covered by the vendor's standard terms and conditions, provided, however, that should any part or parts of the standard terms and conditions be in conflict with the laws and/or written policies of the State of Mississippi, that part or parts of the standard terms and conditions shall become void and shall be excluded from any and all transactions. If this provision is not acceptable, please notify us in writing within five working days. If we receive such notification, the contract will not become effective as stated herein. The below information on multi-functional devices and networking copiers/printers is also considered to be a part of this agreement.

Multi-Functional Devices and Networking Copiers and Printers

In the past, a copier was clearly a copier and a computer printer was clearly a computer printer. However, as technology advances, the line of distinction has become not so clear. Because of this "twilight zone," Information Technology Services (ITS) and the Office of Purchasing and Travel (OPT) have set forth the following policy guideline: If a machine can be used as a walk-up copier and published product literature indicates that one of its primary functions is copying documents, then that machine can be included in the OPT Copier Contract. It is intended that this policy will allow copiers with computer interface, facsimile and digitizing features to be placed on the OPT contract. In addition, it is intended that this policy will allow equipment commonly called "multi-functional" to also be included in the OPT contract.

ITS will continue to manage purchasing for their established classes of computer and communications peripherals. In situations where a state agency or institution under ITS purview intends to use the machine interfaced with a computer or in a network configuration primarily in a traditional information systems application capacity, and the total amount of the purchase/rental exceeds \$250,000, the agency or institution must first

the State; Contractor shall be solely liable for all reasonable costs and/or expenses associated with such defense and the State shall be entitled to participate in said defense. Contractor shall not settle any claim, suit, etc., without the State's concurrence, which the State shall not unreasonably withhold.

ASSIGNMENT: The Contractor shall not assign, subcontract or otherwise transfer in whole or in part, its right or obligations under this Agreement without prior written consent of the State. Any attempted assignment or transfer without said consent shall be void and of no effect.

CANCELLATION: It is agreed that either party may cancel this Agreement by giving thirty (30) days written notice prior to the effective date of cancellation. Contractor is advised that cancellation of this Agreement by the Contractor may result in disqualification from the awarding of future contracts with the State.

TAXES: No Federal Excise Tax or Mississippi Sales Tax will be added to or otherwise included in the prices submitted by the Contractor. The Contractor understands and agrees that the State and its authorized purchasers exempt from the payment of taxes.

PRECEDENCE: This Contract consists of this Agreement, the Proposal Format and Guidelines referenced herein above, and the Contractor's Proposal. Any ambiguities, conflicts, or questions of interpretation of this Contract shall be resolved by first reference to this Agreement and, if still unresolved, by reference to the Proposal Format and Guidelines, and, if still unresolved, by reference to the Contractor's Proposal.
