## High Temperature Dish Machine Detergent

### SAFETY INSTRUCTIONS:

Avoid contact with skin and eyes. In case of contact wash skin and eyes with large amounts of water. If irritation continues call physician.

Avoid contact with food.

HTDD is especially manufactured for use with high temperature. HTDD is formulated to eliminate heavy soils and stains from glasses, dishes, and all utensils. Recommended for use with at least 140° water temperature. Best results include use with 160° or greater water temperature.
