## Lounge Series

A class above—the **L4 Lounge Series** is the ultimate in sophistication. Fashion and comfort have combined in this collection to exemplify the true meaning of style. Fully upholstered, the L4 Lounge Series offers an inviting and contemporary appearance with optional wood arm caps for an added look of distinction.

With a lightweight frame, the L4 Lounge Series is ideal for gathering rooms where furniture is moved regularly. A world of upholstery options allows you the versatility to choose fabrics that accompany the more refined or complement the most casual lounge environments. For a mix-and-match approach, seat fabric can balance or contrast with arm fabric to create as many options as your imagination allows.
