

WARNING: Flammable. Contents under pressure. Do not puncture or incinerate. May cause eye and skin irritation. May be harmful if swallowed. Use only with adequate ventilation.

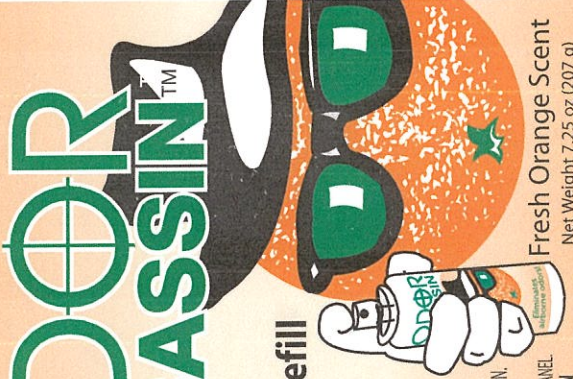

PRECAUTION: Do not spray in eyes or towards face. Do not transport, use, store or dispose of near flames, sparks or other sources of heat ignition. Do not store in temperatures above 120°F (50°C). Do not place near heat source, radiator or in direct sunlight. High temperatures may cause container to burst.

KEEP THIS AND ALL AIR FRESHENERS OUT OF REACH OF CHILDREN.

DELIBERATELY CONCENTRATING AND INHALING THE VAPOR OF THE CONTENTS MAY BE HARMFUL OR FATAL. FIRST AID: If in eyes, flush immediately with water for at least 15 minutes. Remove contact lenses. Get medical help. For skin contact, wash with soap and water. If swallowed, do not induce vomiting. Aspiration hazard. Call a physician immediately. Provide oxygen or fresh air if overcome with vapors.

Top 5 Ingredients and hazardous substances: Acetone (CAS #67-64-1), Propane (CAS #74-98-6), Butane (CAS# 106-97-8), Fragrance (CAS # Proprietary) and Odor Neutralizer (CAS # Proprietary). Read MSDS before using.

ODOR ASSASSIN™

Metered Dispenser Refill Eliminates airborne odors!

WARNING: FLAMMABLE. CONTENTS UNDER PRESSURE. DO NOT PUNCTURE OR INCINERATE. MAY CAUSE EYE AND SKIN IRRITATION. MAY BE HARMFUL IF SWALLOWED. CAREFULLY READ CAUTIONS ON BACK PANEL. **KEEP OUT OF REACH OF CHILDREN**

Fresh Orange Scent
Net Weight 7.25 oz (207 g)

- Eliminates offensive airborne odors.
- Non-chlorinated.
- Leaves a fresh orange scent.
- VOC compliant as an air deodorizer.

DIRECTIONS FOR USE

Place aerosol refill into metered dispenser following instructions in cabinet. For maximum odor control, set to spray every 15 minutes. One refill can controls airborne odors for up to 4,000 cubic feet. Each can contains 3,000 metered releases. For manual use, press valve once to dispense. Repeat if odor persists.

JAY Mfg, Phoenix, AZ
Item #112257

Made in USA. 41R07

DANGER: Extremely Flammable Aerosol. Contains gas under pressure; may explode if heated. Causes serious eye irritation. May cause drowsiness or dizziness. Keep away from heat, sparks, open flames, and hot surfaces. -no smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place. Wash hands thoroughly after handling. Wear eye protection such as safety glasses. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. Avoid breathing fumes, mist, vapor and spray. Use only outdoors or in a well-ventilated area. If inhaled: Remove person to fresh air and keep comfortable for breathing. Call a poison center or doctor if you feel unwell. Dispose of contents and container in accordance with local, state and federal regulations.

Item #115661

Made in USA 02R02

Let there be no doubt as to what this product does - it gets rid of airborne odors! Odor Assassin's industrial strength formula effectively eliminates offensive airborne odors in seconds including:

- Tobacco Smoke
- Bathroom & Diaper Odors
- Pet Odors
- Trash Container Odors
- Cooking Odors
- Basement Odors
- Medical Odors
- Laundry Room Odors

Uses compressed air as a natural propellant to dispense a continuous super-fine mist that eliminates odors for hours - doesn't just cover them up! Meets VOC guidelines as an air freshener in all states.

DIRECTIONS FOR USE:

Use sparingly. A little Odor Assassin goes a long way! Spray in an upward sweeping motion away from furnishings. Use more only if odor problem persists. Do not spray on finished wood, fabric, plastic or other surfaces.

ODOR Assassin®

Fresh Orange

One quick spray eliminates all kinds of offensive airborne odors.

CAUTION: Contents under pressure.
Skin irritant. See back panel.
Net Weight 6.0 oz / 170 grams

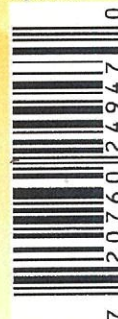

KEEP THIS & ALL AIR FRESHENERS OUT OF REACH OF CHILDREN

Caution: Combustible liquid and vapor. Contents under air pressure. Do not puncture or incinerate. Do not use or store above 120°F or near heat, sparks or open flame. Avoid direct eye contact. If eye contact occurs, immediately flush eyes with plenty of water and continue flushing 15 minutes. Get medical attention. Avoid prolonged skin contact. If Odor Assassin is spilled on skin, immediately wash off area with soap and water. Remove contaminated clothing. Do not take internally. If swallowed, do not induce vomiting. Get medical attention. If allergic reaction occurs (headache, difficulty breathing, sneezing or skin irritation), get fresh air immediately. Do not return to area until it has been thoroughly ventilated. Contact your physician if symptoms do not stop when removed to fresh air. Contains citrus terpenes (CAS# 94266-47-4), fragrance (CAS# proprietary), odor neutralizer (CAS# proprietary), butyl hydroxytoluene (CAS# 128-37-0). Tough Duty Plus is a butyl-based, ready-to-use cleaner and degreaser for industrial and commercial cleaning. This product is fortified with a grease-busting solvent. It can be used on any washable surface such as formica, fiberglass, synthetic rubber, white wall tires, porcelain and ceramics. Always test a small inconspicuous area first. Just spray and wipe away for care-free cleaning.

DIRECTIONS:

Read SD Sheet and consult with your supervisor before using this product.

Simply spray and wipe away ground-in grease and grime as well as oils and ordinary debris. Clean from the bottom up to prevent clean streaks.

Allow a minute to penetrate and work. Rinse with clean water and repeat as needed.

CAUTION:

May Irritate Skin & Eyes

Contains: Butyl Cellosolve

HAZARD STATEMENTS

causes skin irritation. Causes serious eye irritation.

PRECAUTIONARY STATEMENTS-PREVENTION

Wash face, hands and any exposed skin thoroughly after handling. Wear protective gloves, protective clothing, eye protection, and face protection.

PRECAUTIONARY STATEMENTS-RESPONSE

IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical advice or attention.

ON SKIN: Wash with plenty of soap and water. Take off contaminated clothing and wash it before reuse.

FIRST AID MEASURES

EYE CONTACT: Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. If eye irritation persists, get medical advice or attention.

SKIN CONTACT: Wash off immediately with plenty of water. Take off contaminated clothing. Wash contaminated clothing before reuse.

INHALATION: Remove to fresh air.

INGESTION: Dilute with milk or water. Neutralize by taking 2 tablespoons of vinegar.

MOST IMPORTANT SYMPTOMS AND EFFECTS

SYMPTOMS: May cause skin and eye irritation.

INDICATION OF ANY IMMEDIATE MEDICAL ATTENTION AND SPECIAL TREATMENT NEEDED

NOTES TO PHYSICIAN: Treat symptomatically.

CONDITIONS FOR SAFE STORAGE, INCLUDING ANY INCOMPATIBILITIES

Storage Conditions: Keep containers tightly closed in a dry, cool and well-ventilated place. Protect from freezing.

Incompatible Materials: None known based on information supplied.

WASTE TREATMENT METHODS

Disposal of Waste or Contaminated Packaging: Disposal should be in accordance with applicable regional, national and local laws and regulations.

WARNING!

DAMP MOP NEUTRAL CLEANER CONCENTRATE

This powerful cleaner is a combination of high grade detergents, emulsifiers and wetting agents. This product is recommended for general everyday cleaning. No rinsing necessary, but is recommended where dirt load is extremely heavy. Can be used in hard or soft water. Contains no corrosives or abrasives. Biodegradable, non-flammable, safe to use. Safe for septic systems.

KEEP OUT OF REACH OF CHILDREN

See additional precautionary statements on side panel.

NET CONTENTS: 128 Fl. Oz. (1 Gal.) 3.78 liters

This gentle but efficient general purpose cleaner, used in a daily maintenance program in schools, institutions, office buildings, etc., provides easy and economical care for large areas of flooring in a minimum of time. Use a damp mop, or use it in automatic floor scrubbing machines. It is effective in removal of moderate or heavy soil from floors, as well as from almost any hard surface which is not harmed by water.

DIRECTIONS

For daily maintenance of floors, use a solution of 2 ounces per gallon of water. Increase the amount of cleaner proportionately per gallon of water depending on the job to be done. We recommend 3 to 4 ounces per gallon for moderate soil.

Ten to 12 ounces of cleaner per gallon of water for heavy soil is a somewhat concentrated solution and should be rinsed thoroughly after application.

This cleaner is effective on painted surfaces, walls, and woodwork or for counters, tables and work surfaces; rinsing is recommended. Use with a trigger sprayer for cleaning small areas and wipe off with a damp cloth.

mouth-to-mouth, if possible.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Before using this product in federally inspected meat and poultry food processing plants and dairies, food products and ranching operations, the following instructions must be removed from the front of cavity contact:

This product is not for use on medical device surfaces.

FOR USE AS A ONE-STEP, GENERAL, HOSPITAL DISINFECTANT, FUNGICIDE, VIRUCIDIC, PLE-CLEAN HEAVY-DUTY DEGREASER AND STAIN REMOVER. The product can be used as a surface disinfectant, or as a pre-cleaner for heavily soiled surfaces. Apply one solution of 4 oz. of this product per gal. of water to a diluted hard, non-porous surface with a sponge, brush, cloth, mop, by immersion, ultra scrubber, mechanical spray device, coarse trigger spray device. For floor application, spray 8-6 inches from surface. Do not breathe spray; treated surfaces must remain wet for 10 minutes. Allow to air dry, mopping of floors is not necessary unless they are to be waxed polished. Prepare a second solution of 4 oz. of this product per gal. of water to dilute and remove residue. Rinse thoroughly with clean water. For use as a general hospital disinfectant, fungicide, virucide, ple-clean heavy-duty degreaser and stain remover, apply one solution of 4 oz. of this product per gal. of water to a diluted hard, non-porous surface with a sponge, brush, cloth, mop, by immersion, ultra scrubber, mechanical spray device, coarse trigger spray device. For floor application, spray 8-6 inches from surface. Do not breathe spray; treated surfaces must remain wet for 10 minutes. Allow to air dry, mopping of floors is not necessary unless they are to be waxed polished. Prepare a second solution of 4 oz. of this product per gal. of water to dilute and remove residue. Rinse thoroughly with clean water.

TO CONTROL MOLD/MILDEW: Prepare use solution by adding 4 oz. of this product per gal. of water. Apply use solution to hard, non-porous surfaces for 10 minutes which will effectively inhibit the growth of mold and mildew and their odors. Repeat treatment every seven days, or more often if new growth appears.

NON-ACID TOILET BOWL AND URINAL DISINFECTANT DIRECTIONS

From a under the rim with a tablet brush/pin, cloth, or sponge. Allow solution to stand for 10 minutes and flush.
 From a product per gal. of water to exposed surfaces, including under the rim with a tablet brush/pin, cloth, or sponge, coarse trigger spray device. For spray applications, spray 4-8 inches from surface. Do not breathe spray. Flush or spray thoroughly. Then allow solution to stand for 10 minutes and flush.

[illegible]

FOR USE AS A GENERAL CLEANER AND/OR DEODORIZER: Apply use solution of 4-8 oz. of this product per gal. of water to hard, non-porous surfaces. Rinse or allow to air dry. For heavy-duty use, add 16 oz. of this product per gal. of water to clean hard non-porous surfaces.

Wheeler's Janitorial Disinfectant Neutral Cleaner is a one-step cleaner and deodorant designed for general cleaning, disinfecting of hard, non-porous surfaces.

Whetzel's Janitorial Disinfectant Cleaner cleans quickly by removing dirt, grime, mold, mildew, food residue, body oils, dead skin, blood and other organic matter commonly found in hospitals, nursing homes, schools and colleges, funeral homes, hotels, public restrooms, restaurants and federally inspected meat and poultry plants.

Wheeler's Janitorial Disinfectant Neutral Cleaner cleans, disinfects and eliminates odors leaving surfaces smelling clean and fresh.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER. Corrosive. Causes irreversible eye damage and skin burns. Harmful if swallowed or inhaled. Causes severe skin irritation. Wash thoroughly with soap and water after contact. Rinse eyes with water for 15 minutes. Remove contaminated clothing and wash clothing before reuse.

ENVIRONMENTAL HAZARDS

This product is toxic to fish, aquatic invertebrates, oysters and shrimp.

STORAGE AND DISPOSAL

Do not contaminate water, food, or food by stretching and dispensing

PESTICIDE STORAGE: Store only in original container. Keep this product under locked storage sufficient to make it inaccessible to children or persons unfamiliar with its proper use.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or residue is a violation of Federal Law. If these wastes cannot be disposed of by one according to label instructions, contact your State Pesticide or Environmental Control Agency, or the hazardous Waste Response Team at 1-800-424-9303 for guidance.

CONTAINER HANDLING: Non-Remediable Container: Do not reuse or refill the container. Triple rinse the container properly after emptying. Triple rinse as follows: Fill the container 1/4 full with water and recap. Shake for 10 seconds. Pour out the liquid. Repeat the procedure two more times. Then offer for recycling a available container and disposal of the residual. Do not burn. Do not incinerate.

DISINFECTION PERFORMANCE: This product kills the following bacteria in 10 minutes at 4 oz. per

gal. of water and 5% soil on hard, non-porous surfaces. Pseudomonas aeruginosa, Salmonella typhimurium, Staphylococcus aureus, Staphylococcus aureus (Methicillin Resistant) (MRSA), and Enterococcus faecalis are all susceptible to this product. **VIRUCIDAL PERFORMANCE:** This product kills the following viruses in 10 minutes at 4 oz. per gal. of water and 5% soil on hard, non-porous surfaces: Avian Influenza A Virus, Herpes Simplex Virus Type 1, Herpes Simplex Virus Type 2, Influenza A (H1N1) Virus and Measles/Mumps/Rubella Virus. **Efficacy:** This product controls the following mold in 10 minutes at 4 oz. per gal. of water and 5% soil on hard, non-porous surfaces: Aspergillus fumigatus, Aspergillus niger, Cladosporium sp., Penicillium sp., Rhizopus sp., and Trichoderma reesei.

per gal. of water on hard, non-porous surfaces; *Aspergillus niger*

(Athlete's foot fungus) (a cause of Ringworm)
of water and 5% soil on hard, non-porous surfaces: *Candida albicans*, *Trichophyton mentagrophytes*
