Nash

LIAT 

Power silver pearl
The available power unit complements Nash with two power outlets and two USB charging ports.

Wire Management Clip
Available in graphite, aluminum (shown) or transparent.

2A

Elegant

Powder coated bases consisting of steel columns and cast aluminum feet give Nash an elegant look while remaining durable enough for high-use areas.

Modesty Panel
The optional perforated or plain front modesty panels bolt to the legs, allowing the panel to work with fixed and flip-top tables.

Durable Locking Casters
Upgrade the legs to have either two casters for a wheelbarrow effect, or all casters for maximum mobility.
