

the dynamic
Panther

Simple & Focused

Panther is the simplistic solution to the dynamic learning environment. Designed with mobility in mind, Panther adapts to innovate and bring your space to life.

Shared Tables

Power silver pearl
The available power unit complements Panther with two power outlets and two USB access ports.

Modesty Panel white
These water jet cut modesty panels are an affordable option for those who want a little more privacy.

Wire Management Clip
Available in graphite, aluminum (shown) or transparent.

Marker Board Divider *white*
These dividers can be used for private testing or collaborative discussions.

Adaptable

Everyone uses tables differently. Panther's optional dividers fit many situations including separating space while testing and as marker boards during open learning. From private to collaborative needs, Panther adapts to you.
