

MELIS

MELIS

Contoured Comfort Melded to Function and Durability

The **Melis Chair** embraces the best of both worlds. When your idea of the perfect chair includes comfort and function, you need look no further than the Melis Chair. Curved slat back styling and wood-scooped or upholstered seat invite comfortable seating. Solid wood tapered legs and both side and cross stretchers promise strength and durability. Designed for comfort, crafted to last a lifetime and styled to be aesthetically pleasing, the Melis Chair with its blend of classic features fits seamlessly into any environment.

- Solid wood construction (oak or maple)
- Solid wood scooped seat or upholstered seat
- Contoured vertical back slats
- Available with arms or no arms
- Adult, youth and juvenile heights
