Price requests for customized products or special items can be submitted via the "Online Services" section of our website, at www.logiflex.ca. Our quotations department will study your request and send you a quotation and a technical drawing for approval as soon as possible. Modifications to quotations or technical drawings can be requested the same way. The approved quotation(s) and technical drawing(s) can then be attached to your purchase order.

- Your reference number
- The delivery address (with contact name and phone number)
- The complete product codes
- Furniture colour(s)

Returns

All returns must first be approved by Logiflex. If the return is accepted, a Logiflex customer service representative will send you an official return authorization form in order to facilitate procedures between you, the carrier, and the Logiflex merchandise reception clerk. Additional costs for shipping or other expenses may be applied following any merchandise returns.

Modifications and/or Cancellations

You have 24 hours from the time we acknowledge receipt of your order to make any requests for corrections or modifications. You may cancel your order during this same 24-hour period. Logiflex's liability ends once the carrier has delivered all items in good condition. A delivery receipt signed by the customer acknowledges that the shipment is complete and has been received in good condition.

Claims

Logiflex recommends inspecting the shipment before signing the carrier's delivery receipt. You must notify Logiflex of any incomplete shipments or damaged furniture as soon as possible. Requests to replace damaged products can be made via the "Online Services" section of our website, at www.logiflex.ca. Our after-sales service department will examine your request and help you correct the situation.

Storage and/or Shipping Fees

If you would like to delay the delivery of an order already in production at Logiflex, weekly storage fees may be charged. The suggested retail prices in this list may include delivery; however, some conditions may apply. If your order is a minimum of $10,000 net, the order can be shipped directly to your customer. Appendix B: COM Fabric

Upholstery Specification

Logiflex offers two options for upholstery specification:

Option 1 :	Customers may specify an upholstery from any supplier. Logiflex will then confirm upholstery grade and seat cost.
Option 2 :	Customers may select and purchase upholstery of their choice and ship upholstery to Logiflex (COM)

Option 1 : Specified Upholstery

Customers may consult the websites of our principal suppliers to visualize their complete product range. It is then possible to consult the graded-in list available on Logiflex.ca to be informed of the appropriate Logiflex grade.

Website of the upholstery supplier gives essential information to the maintenance, availability, quality and performance of the selected upholstery. In all cases, the upholstery supplier's warranty will apply.

Information to provide with the order:

Customer name
Purchase order number
Upholstery supplier name
Pattern name/number
Color name/number
Number of yards to order

Principal suppliers:

Momentum Textiles	*themomgroup.com*
J.Ennis Fabrics	*jennnisfabrics.com*
Maharam	*maharam.com*
Designtex	*designtex*
Mayer Fabrics	*mayerfabrics.com*

See our Graded-In Program at:

www.logiflex.ca/data/files/Graded-In.pdf

Option 2 : Customer's Own Material (COM)

Logiflex offers the option of providing your own upholstery. The price will be based on the cushion grade 1. The upholstery must be received three weeks prior to the acknowledged ship date. Delay in COM receiving may cause shipment to be delayed.

Customers have the option to provide Logiflex with a sample for approval prior the order. If no sample is sent for approval in advance, Logiflex is not responsible of any cost caused by unsuitable upholstery for the product or the production process. Furthermore, Logiflex reserves the right to refuse any upholstery that does not meet Logiflex selection criteria.

COM must be delivered to the Logiflex factory with freight and duties paid. All charges to COM acquisition on the customer's behalf will be passed onto the customer.

Logiflex does not assume responsibility for upholstery availability, quality, perfomance or appearance, the Logiflex warranty excludes customer's own materials.

Upholstery yardage calculation:

Yardage is calculated in yards assuming that upholstery is 54" wide with no pattern.

Additional yardage may be needed if the upholstery is less than 54" wide, if there is a pattern repeat or if it is shipped in separate pieces. Please consult the following table in order to know the percentage of extra yardage required. The repeat of the pattern is calculated by adding up the horizontal and vertical repeat measurements.

Percentage of extra COM yardage table:

Upholstery width	Plain	Repeat 2" - 14"	Repeat 15" - 19"	Repeat 20" - 27"	Repeat 28" - 36"
36"	50%	60%	65%	70%	75%
45"	40%	50%	55%	60%	65%
48"	16%	25%	30%	35%	40%
50"- 53"	16%	20%	25%	30%	35%
54"	0%	10%	15%	20%	25%
