We have established an agreement with NASPO Valuepoint to allow purchases from their cooperative contract with Mohawk Lifts LLC. It is the buyer's responsibility to ensure this contract is not used for required competitive process items or as a substitute for other required purchasing approvals as required by Mississippi law.

This contract was approved as an option for agencies to save money on vehicle lifts and provides that the provisions thereof may be available to any county, municipality, school board, or other local public agency or authority of the State of Mississippi which may elect to purchase at the prices, terms, and conditions of sale specified therein.
