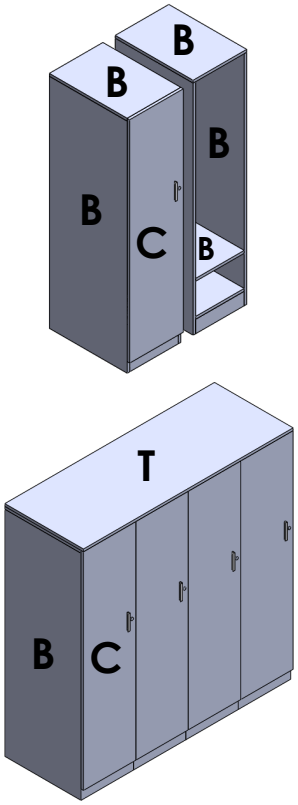
Finishes

Please see https://www.fluidconcepts.ca/Furniture-Finishes-s/46.htm

Base Finish - Your choice of Grade 1 laminate finishes. A "B" is placed in front of the laminate code to indicate it is the choice for the base of the locker.
Example **BFG** for a Folkstone Grey base.

Front Finish - Your choice of Grade 1 or Grade 2 laminate finishes. A "C" is placed in front of the laminate code to indicate it is the choice for the Front of the locker.
Example **CSW** for a Silverwood Front.

Common Top - Your choice of Grade 1 or Grade 2 laminate finishes. A "T" is placed in front of the laminate code to indicate it is the choice for the common top.
Example **TNW** for a Nova White Common Top.



Storage legend
C - Front
B -Base
T - Common Top

Examples
Base = **B**FG, Folkstone Grey
Front = **C**SW, Silverwood
Common Top=**T**NW, Nova White

Features

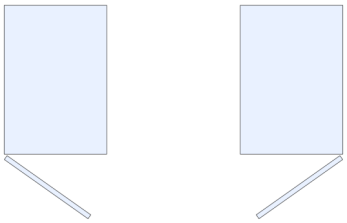
- Full and half height lockers come with one 2 prong hook. An additional hook can be purchased separately. Alternatively, a coat rod can be ordered if required.
- Full and half height lockers come with shelf hole patterns at top and bottom of unit. This allows the user to change the shelf location based on their needs. One shelf is included with all full and half height lockers. Additional shelves can be ordered.
- Levelling glides are included which provide 3/4" of levelling.

Construction

- Lockers are constructed from 3/4" thick laminate. The Base is constructed from Thermofused Laminate, while a choice of Thermofused or High Pressure Laminate is available for the fronts and common tops.
- Door hinges allow for 109 degree opening.
- Lockers have the ability to gang together. Ganging hardware must be ordered.
- All units have a 3" kick plate.
- Locker and Cubby Locker units ship assembled.

Options

- Two standard handles are available. An electronic lock is available at an upcharge of $440 list per front.
- 21 Standard laminates are available to choose from.
- The locker Base and Front can be ordered in different finishes. Please see How To Specify section on pages 8/9.
- Common top are available.
- Number plates, additional hooks, additional shelves and a coat rod are all available as addons.
- Lockers can be keyed alike or random. Please see key alike ordering page. Additionally, master and change keys are available for facilities purposes.
- Lockers can be specified as hinging on the left or right. They can also be ordered without fronts.



Left hinge location

Right hinge location

Handle Style Codes

BX1 - Box Handle

LP1 - Medium Loop

ELL - Electronic Lock

Add $440.00 List Per Front

Keys

While each locker with a traditional lock comes with a key, additional keys can be purchased for extra convenience or facilities reasons. A master key will allow management to access any locker. A change key will help remove a lock core in order to change out the lock.

	Product Code	Product Description	List
	1 KEY2	Set of 2 Keys	39
	1 LKEY2	Set of 2 Keys and Lock Core	55
	1 CHKEY1	Change Key	22
	1 MKEY1	Master Key	22

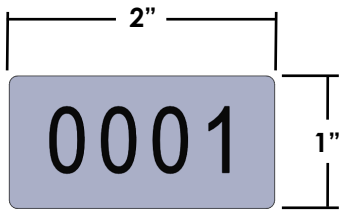
Ganging

Ganging hardware can be ordered to attach each locker to its neighbor. This is done one site. It is recommended that the lockers be properly leveled before ganging hardware is attached. Locker have 3/4" of levelling. Rather than wood screws, male/female bolt connections are provided to assist in lining lockers up. One Set will connect two lockers together. Four sets would be needed to connect 5 lockers together.

Product Code	Product Description	List
1GANG1	Ganging Hardware Set	22

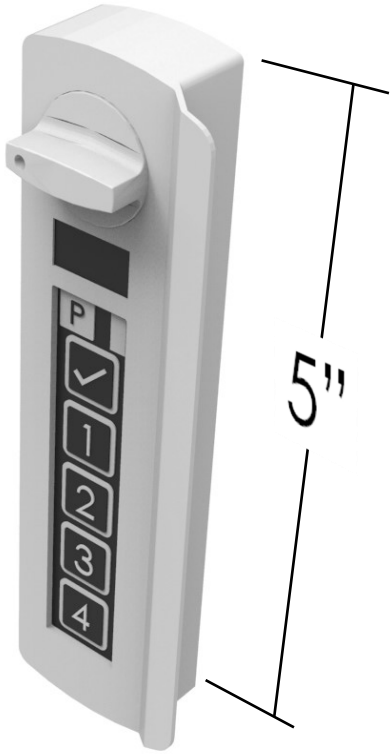
Number Plates

Number plates are available for purchase. The plates are attached with adhesive tape and installed in the field. Numbers will be assigned based on the quantity ordered, starting with the number 1. If 15 plates are ordered, you will receive numbers 1 thru 15. For special requests please contact the factory for assistance.



Electronic Locks

- Three user modes:
  - **Resident Employee.** A user is assigned a locker. Can be assigned by default admin code or by e mail via the smartphone app.
  - **Shared Use (Hotelling).** Any free locker can be used. Any code to lock, same code to unlock. Code is then erased and unit is ready for the next user.
  - **Multi User.** In Resident Employee mode, additional users can be added. Each user is separately identified with their own code for added security.
- Administration of Electronic Locks through smartphone app. Locks can be configured onsite by Administration.
- Change user code or enter programme mode with admin code on keypad or smartphone app.
- Administrative functions include: Unlock and lock any electronic lock with one click.
  Discover and reset lost passcodes.
  Assign, delete and manage users.
  Access history log.
- Green / Yellow / Red LED light system to identify lock status.
- External Micro-B USB for charging or emergency power.
- A 10 port charger is available for multi unit charging.
- User access through keypad or smartphone app.
- To specify an electronic lock see page 8 and 9.
- Handle style code: **ELL**
- Add **$440 list (per front)** to Locker or Cubby list price.



Electronic Lock Charging Kits

Mobile Charging Kit - ELLCRG

- 10 Port mobile charging kit.
- Contains a base station and 10 USB power banks.
- Base station will charge power banks.
- Each power bank can then charge one lock via USB.

Wired Charging Kit - ELLCRGW

- 10 Port wired charging kit.
- Contains a base station and ten 6-foot USB Cables.
- Base station is brought to locks and connected to building power.
- Locks are charged by base station via USB cables.

Product Code	Product Description	List
ELLCRG	10 Port Mobile Electronic Lock Charge Kit - With Power Banks	2,475
ELLCRGW	10 Port Wired Electronic Lock Charge Kit	1,575

A key-alike request can be made in order to group a series of lockers together which can be controlled with one key. Please submit this form with your purchase order. In addition to key-alike information, this form can be used to purchase additional Master Keys, Core Removal Keys and Cores. The key tagging information will allow you to have keys and cores grouped by floor, area, cluster ect.

Key Tagging

Qty of Keys/Cores	Key Alike or Random	Tagging Information

Lockers and Cubby Lockers

In order to properly specify a locker, five pieces of information are required. The Locker code, Hinge location, Base finish, Front finish and Handle Choice must be provided.

Locker Code - Please select your chosen style of locker.

Hinge location - Your choice of hinge on the left **(L)** or the right **(R)** hand side of the door. If the **without fronts option** is required, use code **(NF)**

Base Finish - Your choice of Grade 1 laminate finishes. A "B" is placed in front of the laminate code to indicate it is the choice for the base of the locker. Example **BFG** for a Folkstone Grey base.

Front Finish - Your choice of Grade 1 or Grade 2 laminate finishes. A "C" is placed in front of the laminate code to indicate it is the choice for the Front of the locker. Example **CSW** for a Silverwood Front. NOTE: if the **without fronts option** was chosen, a Front Finish is not required.

Handle Choice - Please select your chosen style of handle and lock. **BX1** Box Handle, **LP1** Medium Loop or **ELL** Electronic Lock. NOTE: if the **without fronts option** was chosen, a Handle Choice is not required.

Common Tops

Top Finish - Your choice of Grade 1 or Grade 2 laminate finishes. A "T" is placed in front of the laminate code to indicate it is the choice for the common top. Example **TNW** for a Nova White Common Top.

Additional Shelves

Base Finish - Your choice of Grade 1 laminate finishes. A "B" is placed in front of the laminate code to indicate it is the choice for the base of the locker. Example **BFG** for a Folkstone Grey base.

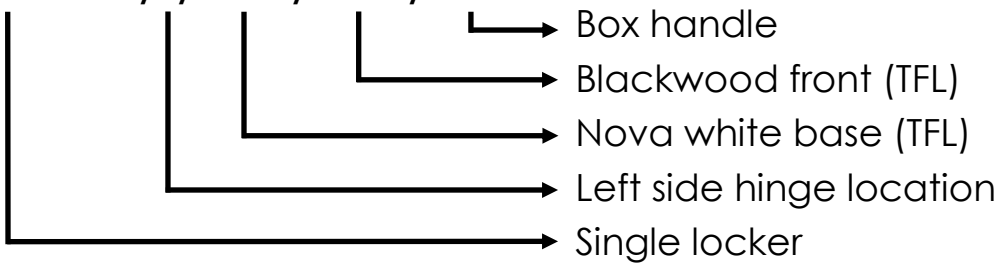
Key Alike

Please see "Key Alike" form on age 7. Form is to be submitted with your purchase order. Information on lock core Change Keys as well as Master Keys is also found on page 7.

Example Codes

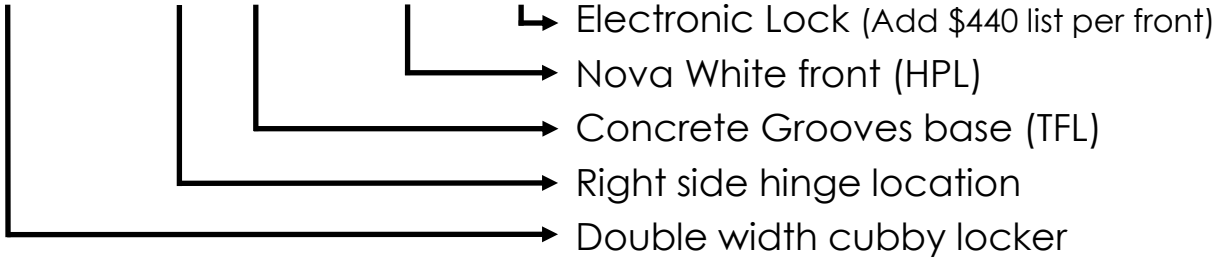
Single Locker - Hinge on left side, Base TFL laminate, Front TFL Laminate, Box handle.

FCLSD161865/L/BNW/CBW/BX1



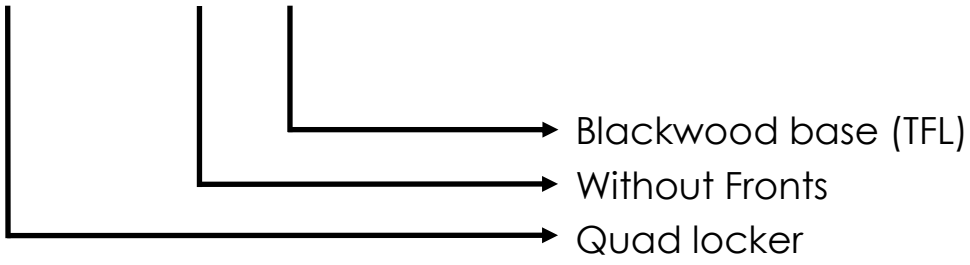
Double Width Cubby - Hinge on right side, Base TFL laminate, Front **HPL** Laminate, **Electronic lock**.

FCLCD241850/R/BCG/CHPNW/ELL



Quad locker - **Without Fronts**, Base TFL laminate, Front TFL Laminate. Note: because the without fronts option was chosen, a front and handle choice is not required.

FCLQD241865/NF/BBW



Common Top, TFL Laminate.

FCLWS6018/TAW
