Savvy And Attractive Multimedia Options

Update your furniture for the new world of multimedia without sacrificing attractive, classic design. Brodart's displays offer a fresh way to display new media, while keeping everything organized and easy to browse. Backed by Brodart's five-year warranty, these units are an excellent way to display your multimedia titles, and feature convenient starter/adder construction for your expanding collection.

Brodart CD Display Center

Solid oak lends durability and style to these CD displays. The fully extendable drawers are fitted with your choice of a black molded plastic single-CD tray or a black steel, multi-pack tray with magnetic followers to keep contents upright. Both 61" and 42-1/2" heights are available in starter/adder construction for easy expansion.
