

no-foam

CONCENTRATED DEFOAMER

Product Properties

COLOR: Clear, Colorless
ODOR: Mild
pH: 8.0
FOAMING: None
SOLUBILITY IN WATER: Complete

Description

This remarkable, highly concentrated defoamer is very effective at extremely low concentrations. It breaks all types of foam on contact. This synergistic blend of foam depressants is non-corrosive, rinses free and is safe to use. Controls suds in hot water extraction machines, wet vacuums, automatic floor scrubbers and other applications where excess foam is undesirable.

Features...Benefits

Concentrated	Economical
Fast Acting	Labor Saving
Versatile	Ease of Use
Rinses Free	Labor Saving
Non-Corrosive	Improved User Safety

Directions

EXTRACTION MACHINES: Dilute 6 oz. of the product in a quart of water and draw through inlet tube. This allows for foam kill at the aeration stage before the solution reaches the recovery tank. Add between 1/2 oz. to 5 oz. per gallon of tank capacity directly to recovery tanks to keep them foam free.

MANUAL USE: Dilute 2 oz. per gallon and spray directly onto foam.

Safety Information

KEEP OUT OF REACH OF CHILDREN

CAUTION. Causes eye irritation. In case of contact, flush with plenty of water. Seek medical attention if irritation persists.
