

MISSISSIPPI STATE DEPARTMENT OF HEALTH
Notice of Proposed Sole Source Purchase #0301- 103
RFx # 315000 4966

The Mississippi State Department of Health anticipates purchasing the item(s) listed below as a sole source purchase. Anyone objecting to this purchase shall follow the procedures outlined below.

Commodity or commodities to be purchased (make, model, description):

WISPR Ranger Pro 1100 & supportive equipment to include Wiris cameras

Explanation of the need to be fulfilled by this item(s) and why it is the only one that can meet the specific needs of the department:

Due to the signing of Senate Bill 2853, our current fleet will no longer be of use effective July 1st 2023. These new WISPR aircraft are the only ones on the domestic market that meet all of our current capabilities.

Name of company/individual selling the item(s) and why that source is the only possible source that can provide the required item(s):

Unmanned Systems Group is the only vendor in the State of Mississippi that is authorized by WISPR to sale their aircraft and equipment.

Estimated cost of item(s) and an explanation why the amount to be expended is considered reasonable: Total pricing was quoted at \$203,965. This is standard pricing for aircraft of this size and capabilities and there are no other aircraft on the market which directly compete with it.

Explanation of the efforts taken by the department to determine this is the only source and the efforts used to obtain the best possible price:

A reverse auction was completed on 04/27/2023 and only the one vendor, Unmanned Systems Group was present for the auction. They were also the only vendor who could provide a quote on this equipment.

Any person or entity that objects and proposes that the commodity listed is not sole source and can be provided by another person or entity shall submit a written notice to Cynthia Brasher, Mississippi State Department of Health Purchasing Department, 570 E. Woodrow Wilson, Room 134 Underwood Building, Jackson, MS 39216 or P. O. Box 1700, Jackson, MS 39215-1700.

Responses may be hand delivered, via regular mail, overnight delivery or by e-mail: Cyntha.brasher@msdh.ms.gov. The envelope or e-mail should reference the sole source number.

The notice shall contain a detailed explanation of why the commodity is not a sole source procurement. Appropriate documentation shall also be submitted if applicable. The enclosed form (OSS) may be used if you so desire.

If after a review of the submitted notice and documents, Mississippi State Department of Health determines that the commodity in the proposed sole source request can be provided by another person or entity, then Mississippi State Department of Health will withdraw the sole source request publication from the procurement portal website and submit the procurement of the commodity to an advertised competitive bid or selection process.

If Mississippi State Department of Health determines after review that there is only one (1) source for the required commodity, the Mississippi State Department of Health will appeal to the Public Procurement Review Board. Mississippi State Department of Health will have the burden of proving that the commodity is only provided by one (1) source.

Notices/objections, etc. will be accepted at any time prior to: __ at 10:00 a.m. (CST)
