

oasis

seating for behavioral health

oasis bh

The Oasis Heavy-Duty Chair can be specified with open arms or upholstered arm panels and a choice of wood or polyurethane arm caps. The chair is available in standard or bariatric seat width and 2-seat and 3-seat configurations with or without intervening arms. Oasis is designed with ample clean-out spacing between seat and back.

Features

- Limited Lifetime Warranty
- 14-gauge internal steel frame for enhanced structural integrity
- All fasteners are tamper-resistant
- Steel seat pan conceals upholstery staples
- Clean-out space between seat and back
- Nylon glides are non-removable and protect floors from damage

Options

- Choice of wood or polyurethane arm caps
- Custom frame finishes available
- Also available as a Glider Chair
- Contrasting fabrics
- CAL TB 133 Compliance
- Moisture Barrier
- Added weight
- Bolt-to-floor brackets
