occasional tables

occasional tables

Although designed to complement our individual healthcare seating products, our collection of occasional tables can be mixed and matched or specified on their own, as a finishing touch for any healthcare space.

Featuring a combination of European Steamed Beech, Powdercoated 14 ga. Steel and high-pressure laminate components, these tables are built to exceed BIFMA standards, and are designed for placement in 24/7 healthcare environments.

Wood and laminate components are available in our seven attractive woodgrain finishes.

Occasional tables are designed to complement Stance Healthcare seating products
