# OPENNESS THAT BALANCES TEAM AND PERSONAL SPACE

Thriving spaces provide an ideal balance between collaboration and the performance achieved through dedicated personal space. **Modern Series** desking can be configured to provide the optimal balance for any workplace. In addition, modular desking components allow users to reconfigure workstations to embrace the frequent changes faced by growing organizations.

In the executive office, fundamental decisions are made that help mold an organization and foster its growth. The presence of furniture that is designed for privacy and concentration is essential.

Whether you prefer the look of the Modern Series 1" thick worksurface profile or upgrade to Modern Enhanced 1.5" profile, our contemporary desking solution can support the styles and functions needed throughout any organization.

Create endless executive layouts that maximize space, provide privacy, encourage guest interaction, integrate technology, and foster decision making.

EXECUTIVE

Choose from an extensive selection of storage and overhead options specifically suited for managerial and executive applications. Storage components can tower up to 84" high and are available with nine handle options, as well as a variety of laminate finish combinations.

# DESIGN IS IN THE DETAILS

A rich palette of laminate and steel creates a balanced and sophisticated look. Powder coated steel legs form a rectangular geometric base and feature a rounded edge detail. Enhance the look of any workspace by combining the elegance of powder coated steel with current color trends. OFGO's fabric and finish offerings provide a broad array of timeless choices. Our surface laminate selection includes solid and woodgrain finishes in light, mid-tone, and dark hues. Mix and match finishes to create various combinations of two-tone designs that complete the look of any space.

In the heart of every working environment is a place to gather, share ideas, and collaborate. From the conference room to the private office, Modern Series tables complement any space.

Modern Series features tables of various dimensions, shapes, and styles. Choose from our Modern Series 1" thick profile top or upgrade to the Modern Enhanced 1.5" thick profile, and finish off by selecting a variety of compatible boardroom components, including serving carts, audio visual cabinets, presentation boards, and a variety of table top power module options.

# CONFERENCE

## Everything we do can make a difference.

Our innovation and design initiatives entail not only improving the quality, style, and flexibility of our offerings but also focus on reducing our environmental footprint. By choosing lower impact materials and utilizing waste reduction strategies, we strive for a sustainable presence in our environment.

Our areas of environmental concentration include energy efficiency and climate awareness, workplace air quality, recycled content and end of life recyclability, sustainable distribution, and environmental stewardship.

## OUR PEOPLE.

We work to cultivate the world we live in through investing in our people and the pursuit of sustainable development.

## OUR PLANET.

Focusing our value chain on the challenges of sustainable growth has allowed us to find improved ways to minimize negative impacts on our environment.
