Floating desktops and polished metal support systems keep workstations looking clean and sophisticated.

Low-profile sliding doors on hutches maximize space and are easy to install and open.

Drawers include bright white interiors for clear visibility and great organization.

MADE IN THE U.S.A.

Regency takes pride in its country and always looks for ways to keep jobs in America.

ADA COMPLIANT

According to the Americans with Disabilities Act, these products meet or exceed guidelines for handicap accessibility.

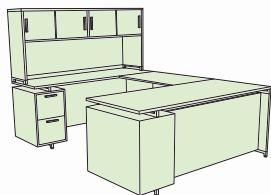

U - D E S K

Give your private or shared office a sleek and modern appearance with a modular OneDesk U-Group. Floating desktops provide ample work surfaces and infinite wire management while sliding door hutches add extra storage without sacrificing desk or knee space. Customize work areas for each individual by choosing from several storage and desking components.

POWER

All 8 wire 4 circuit (2+2) power systems are CL/UL certified. They are offered in double-sided power blocks that can accommodate up to 8 simplexes. This design allows more simplexes to be used per power block location, therefore lowering overall electrical costs. All molded components are made of high impact resistant LEXAN and all cables have galvanized steel flex covering.
