seating for behavioral health

onward bh

The transitional style of the Onward Heavy-Duty Guest Chair makes it institutional furniture with residential appeal. The steel seat frame is anchored to wood end frames with metal-to-metal fasteners. The chair features a wall-saver rear leg and separate seat and back for ease of cleaning. The line consists of a single chair, bariatric version and 2- and 3-seaters with intervening arms.

Features

- Limited Lifetime Warranty
- 14-gauge internal steel seat frame for enhanced structural integrity
- Wallsaver leg design protects walls from damage
- All fasteners are tamper-resistant
- Steel seat pan conceals upholstery staples and adds weight
- Clean-out space between seat and back
- Nylon glides are non-removable and protect floors from damage

Options

- Polyurethane arm caps
- Choice of Round or Square back shape
- Choice of laminate or upholstered side panels
- Custom frame finishes
- Contrasting fabrics
- CALTB 133 Compliance
- Moisture Barrier
