## GENERAL INSTRUCTIONS

### Section 1 – Authority

The Public Procurement Review Board (hereinafter “PPRB”) “may establish a preapproved list of providers of various personal and professional services for set prices with which state agencies may contract without bidding or prior approval from the board” (Mississippi Code Annotated § 27-104-7(2)(i)).

### Section 2 – Purpose

The PPRB seeks to establish a Preapproved List of Vendors (hereinafter “PVL”) for Background Screening Services for use by state agencies (hereinafter “agencies” or “agency”) under the purview of the PPRB. The PPRB invites bids from qualified background screening providers for placement on the list. After the list is established, agencies may select and contract with Vendors from the list, avoiding the need for procurement. Contracts over \$75,000.00 must be approved by the PPRB. Vendor(s) agree to extend services under this Invitation for Bids (hereinafter “IFB”) to all authorized agencies within the geographic limits of the regions bid upon in the State of Mississippi at the same price and under the same terms and conditions offered in this PVL.

**4.1** All questions and requests for clarification must be directed by **email** to:

**Catoria Martin, Director**  
**DFA’s Office of Personal Service Contract Review**  
Email: **[catoria.martin@dfa.ms.gov](mailto:catoria.martin@dfa.ms.gov)**

**4.2** Questions and requests for clarification must be submitted via email by the deadline reflected in Section 3.

- 4.3 All questions, requests for clarification, and answers will be published on the Department of Finance and Administration (hereinafter “DFA”) website (<http://www.dfa.ms.gov>) in a manner that all bidders will be able to view by the date and time reflected in Section 3.
- 4.4 The PPRB will not be bound by any verbal or written information that is not contained within this IFB unless formally noticed and issued by the contact person.
- 4.4 **Acknowledgement of Amendments:** Should an amendment to the IFB be issued, it will be posted on the DFA website (<http://www.dfa.ms.gov>) in a manner that all bidders will be able to view. Further, bidders must acknowledge receipt of any amendment to the solicitation by signing and returning the amendment with the bid package, by identifying the amendment number and date in the space provided for this purpose on the bid form, or by letter. The acknowledgment should be received by the PPRB by the time and at the place specified for receipt of bids as reflected in Section 11.2. It is the bidder’s sole responsibility to monitor the website for amendments to the IFB.

## Section 5 - Scope of Services

- 5.1 The Contractor shall furnish all labor, materials, supplies, equipment, and supervision necessary for the completion of all background screening services specified. The Contractor shall provide professional and technical services to produce materials, procedures, and reports in accordance with contemporary federal and state employment statutes and guidelines, principles, and practices in the field of background screening services.
- 5.2 The procedures and methods to be used by the company for background screening services must conform with all current federal and state employment statutes and guidelines governing public agency human resource administration, to include Title VII of Chapter 42 of the United States Code the Equal Employment Opportunity Commission Uniform Guidelines on Employment Selection Procedures, Americans with Disabilities Act Amendment Act, Department of Labor Fair Labor Standards Act, Fair Credit Reporting Act, et al.
- 5.3 To this end, the procedures must be free from non-job related factors which might function as biases against any group on the basis of race, color, religion, sex, age, genetic information, national origin, physical disability, or any other classification protected by federal and state law. The Contractor will certify it has no actual or potential conflicts of interest that may negatively impact the integrity of an investigation or the results of such screening.
- 5.4 The Contractor shall perform a variety of background screenings as requested.
- 5.5 The PVL will be region-specific. The services may be provided in eight different regions of the state, including: (1) North Delta; (2) Northeast; (3) South Delta; (4) East Central; (5) Central; (6) Pinebelt; (7) Southwest; and, (8) Coastal. There will be a separate PVL for each of these regions. (See **Attachment A** for a map showing the regions and a listing of counties in each region). Bidders may bid to provide services in one or more regions, or they may bid on all regions. Bidders placing bids on more than one region should submit **a complete and separate bid package for each region** and mail or deliver in a separate sealed envelope for each region bid. To bid on a region, bidders must complete the Bid Package and certify that

they can provide services for the entire region. For each region, the lowest qualified bidders will be added to the PVL. (See 6.1 below.) **Being placed on the PVL does not guarantee contracts will be issued.**

- 5.6** Detailed scope and specific requirements of the work required will be provided by the Contracting Agency when a Vendor on the PVL is selected for consideration with respect to a specific project or need. Such scope and requirements will include, but are not limited to, description of work activities, definition of particular deliverables, time frames, and budget parameters.

## **Section 6 – Basis for Award**

- 6.1** The PPRB intends to make awards to all responsive and responsible bidders per region, ranked in relation to the lowest costs. To determine which bids are lowest, the prices by a bidder for a particular region will be averaged. After averaging, the lowest, averaged bids will be placed on the list for that region. The winning bidders' bids will be ranked according to the lowest, second lowest, third lowest price, etc. (See **Attachment B** for an example of how bids will be averaged, winning bidders chosen for a region, and winning bidders ranked. This is for illustrative purposes only.)
- 6.2** A Contracting Agency is encouraged, but not required, to contact the lowest priced preapproved Vendor for the background screening service or services needed. If that Vendor is unable to supply the service, the Contracting Agency may contact the next lowest Vendor. If that Vendor cannot supply the service, the Contracting Agency may contact the third lowest Vendor and so on and so forth.
- 6.3 Vendors bidding on more than one region may bid different rates in different regions.**

## **Section 7 – Contract Deliverables**

- 7.1** Upon execution of a contract with a Contracting Agency, Vendors on the PVL shall, with respect to all background screening services provided to a Contracting Agency:
- 7.1.1** Due to the critical need to fill positions in a timely manner, all background checks are to be completed within three (3) business days of receiving a request unless otherwise specified by the Contracting Agency. Such availability is to be no later than three (3) business days of making a request, with the exception of international searches unless otherwise specified by the Contracting Agency. Firms will indicate in their bid the various times needed for international searches based on the country in which the search is being generated.

**7.1.4.2** Reporting mechanism to provide detailed summary information via monthly reports. Such reported information to include, but not be limited to, number of checks completed each month, the specific type of checks performed (and the quantity of each type), the different types of results (positive versus negative) on checks for individuals, how many background checks per agency, etc. These monthly reports will then correspond with submitted invoices.

(See **Section 11.1.3** and **Attachments E** and **F**.)

## **Section 9 - Duration**

Vendors added to the PVL will remain on the list until June 30, 2021, at which time that list will expire. However, if a Contracting Agency enters into a contract with a preapproved Vendor prior to the expiration date of June 30, 2021, that contract may be renewed at the same rates listed on the PVL until June 30, 2023. Prices submitted in response to the IFB will remain firm, valid, and renewable until June 30, 2023 except that a bidder may raise prices to reflect a rise in the federal minimum wage, but only to the extent of the actual minimum wage increase.

## **Section 10 – Removal from Preapproved List of Vendors of Background Screening Services**

Vendors added to the PVL may be removed from the list for cause by the PPRB or added to the debarment list pursuant to Section 5-101, Debarment or Suspension, of the *Mississippi Office of Personal Service Contract Review Rules and Regulations* as updated and replaced by PPRB. Vendor's failure to honor submitted rates through June 30, 2023 may result in removal from the PVL and/or debarment.

## **Section 11–Bid Submission Requirements**

### **11.1 Submission format**

The bid package must be sealed and must contain the following:

- 11.1.1** Bid Cover Sheet (**Attachment C**).
- 11.1.2** Bid Form (**Attachment D**) – all pricing must be submitted on the bid form. The bid response must include information and pricing for each package option and a la carte prices for each report. Failure to complete and/or sign the bid form may result in bidder being determined non-responsive.
- 11.1.3** References (**Attachment E**) – each bidder must furnish a listing of at least three (3) trade references along with the contact person, address, and phone number for each.

These references must be familiar with the bidder's abilities in the areas involved with this solicitation. DFA staff will use these references to determine the bidder's ability to perform the services. It is the responsibility of the bidder to ensure that the reference contact information is correct and current. DFA staff will not track down references. Bidders should verify before submitting their bid that the contact person and phone number are correct for each reference. **DFA staff must be able to reach two (2) references for a bidder within two (2) business days of bid opening to be considered responsive. Further, the bidder must score a minimum of six (6) points on each Reference Score Sheet which will be used by the DFA staff when interviewing the two (2) references (for a total minimum scoring requirement of twelve (12) points) to be considered responsive and/or responsible.** (See Section 8.3 and Attachments E and F.) Only bidders who are found responsive and responsible will have their bids considered. Bidder may submit as many references as desired. The PPRB will begin contacting references at the top of the list and will continue down the list until they have completed Reference Score Sheets for two (2) references. After two (2) score sheets are completed, the reference check process will end.

## **11.2 Submission requirements**

- 11.2.1** Bidders placing bids on more than one region should submit **a complete and separate bid package for each region** and mail or deliver in a separate sealed envelope for each region bid.
- 11.2.2** The original and one copy of the bid package shall be signed and submitted in a sealed envelope or package to 501 North West Street, Suite 1301, Jackson, MS 39201 no later than **1:00 PM CST, Monday, March 19, 2018.** (Also see, **11.2.4.** and **11.2.12.**)
- 11.2.3** Timely submission of the bid package is the responsibility of the bidder. Bids received after the specified time will be rejected and shall remain unopened in the procurement file.
- 11.2.4** The envelope or package shall be marked with the bid opening date and time, and the number of the IFB (2:00 PM CST, Monday, March 19, 2018; No. 2018-01).
- 11.2.5** The time and date of receipt will be indicated on the envelope or package by the PPRB or DFA staff.
- 11.2.6** Each page of the bid form and all attachments shall be identified with the name of the bidder.
- 11.2.7** Failure to submit a bid on the bid form provided will be considered cause for rejection of the bid. **Modifications or additions to any portion of the bid document may be cause for rejection of the bid.**
- 11.2.8** The PPRB reserves the right to decide, on a case-by-case basis, whether to reject a bid with modifications or additions as non-responsive.

- 11.2.9** As a precondition to bid acceptance, the PPRB may request the bidder to withdraw or modify those portions of the bid deemed non-responsive that do not affect quality, quantity, price, or delivery of the service.
- 11.2.10** Any bidder claiming that its response contains information exempt from the Mississippi Public Records Act (Mississippi Code Annotated §§ 25-61-1, *et. seq.*, and 79-23-1), shall segregate and mark the information as confidential and provide the specific statutory authority for the exemption.
- 11.2.11** All bid packages must be received by PPRB no later than **1:00 PM CST, Monday, March 19, 2018**. Bids submitted via facsimile (faxes) **will not** be accepted. It is suggested that if a bid is mailed to PPRB, it should be posted in certified mail with a return receipt requested. The only acceptable evidence to establish the date of mailing is the U.S. Postal Service postmark on the wrapper or on the original receipt from the U.S. Postal Service. If the postmark does not show a legible date, the contents of the envelope or package shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression, exclusive of a postage meter impression, that is readily identifiable without further action as having been supplied and affixed by the U.S. Postal Service on the date of mailing. Bidders should request postal clerks to place a hand cancellation postmark (often called a bull's eye) on both the receipt and the envelope or wrapper. PPRB will not be responsible for mail delays or lost mail.
- 11.2.12** Sealed bids should be mailed or hand-delivered to and labeled as follows:

## **Section 13 – Debarment**

By submitting a bid, the bidder certifies that it is not currently debarred from submitting bids for contracts issued by any political subdivision or agency of the State of Mississippi or federal government and that it is not an agent of a person or entity that is currently debarred from

submitting bids for contracts issued by any political subdivision or agency of the State of Mississippi or federal government.

## **Section 14 – Registration with Mississippi Secretary of State**

By submitting a bid, the bidder certifies that it is registered to do business in the State of Mississippi as prescribed by Mississippi law and the Mississippi Secretary of State or, if not already registered, that it will do so within seven (7) business days of being notified by the PPRB that it has been placed on the PVL.

**15.2** All insurance policies will list the State of Mississippi as an additional insured and upon request; the Vendor will provide copies of any insurance documentation to the Contracting Agency.

**15.3** All insurance policies shall be issued by companies authorized to do business under the laws of the State of Mississippi, meaning insurance carriers must be licensed or hold a Certificate of Authority from the Mississippi Department of Insurance.

**15.4** The Contracting Agency may reserve the right to request from carriers certificates of insurance regarding the required coverage.

**15.5** Agencies may require greater limits and will negotiate with Vendors regarding the same. **THIS IS THE ONLY NEGOTIABLE CONTRACT TERM.**

## **Section 16 – Bid Opening**

Bid opening will be open to the public; however, this will include opening, reading, and listing the bid price on each bid only. No discussions will be entered into with any bidder as to the quality or provisions of the specifications and no award will be made, either stated or implied, at the bid opening.

## **Section 17 – Award Notification**

Awards for this procurement will be posted on the DFA website at <http://www.dfa.ms.gov>. Bidders will be notified via e-mail of the awards. Additionally, a letter will be sent to all bidders.

## **Section 18 – Procurement Methodology**

### **18.1 Restrictions on Communication with PPRB and DFA Staff**

At no time shall any bidder or its personnel contact, or attempt to contact, any PPRB or DFA staff regarding this IFB except the contact person as set forth and in the manner prescribed in Section 4.

### **18.2 Cost of Preparing Bid**

The PPRB and DFA accept no responsibility for any expense incurred by any bidder in the preparation and presentation of a bid. Such expenses shall be borne exclusively by the bidder.

### **18.3 Independent Price Determination**

By submitting a bid, the bidder certifies that the prices submitted in response to the solicitation have been arrived at independently and without, for the purposed of restricting competition, any consultation, communication, or agreement with any other bidder or competitor relating to those prices, the intention to submit a bid, or the methods or factors used to calculate the bid. The prices quoted shall be inclusive of, but not limited to, the following: all required equipment/material; all required insurance; all required overhead; all required profit; and, all required licenses, certifications, fees, or permits.

### **18.4 Rejection of Bids**

A bid response that includes terms and conditions that do not conform to the terms and conditions in the IFB document is subject to rejection as non-responsive. Further, submission of a bid form that is not complete and/or signed is subject to rejection as non-responsive. DFA staff reserves the right to permit the bidder to withdraw nonconforming terms and conditions from its bid response prior to a determination by DFA staff of non-responsiveness based on the submission of nonconforming terms and conditions. Furthermore, if a bidder's price is substantially higher than those of other bidders, meaning those in excess of a twenty-five percent (25%) differential, the bidder's price will be deemed non-responsive.

### **18.5 Withdrawal of Bid**

**18.5.1** If a bid is substantially lower than those of other bidders, a mistake may have been made.

**18.5.2** A bidder may withdraw its bid from consideration if certain conditions are met:

- (1) The bid is submitted in good faith;
- (2) The price bid is substantially lower than those of other bidders because of a mistake;
- (3) The mistake is a clerical error, not an error of judgment; and,

- (4) Objective evidence drawn from original work papers, documents, and other materials used in the preparation of the bid demonstrates clearly that the mistake was an unintentional error in arithmetic or an unintentional omission of a quantity of labor or material.

**18.5.3** To withdraw a bid that includes a clerical error after bid opening, the bidder must give notice in writing to DFA staff of claim of right to withdraw a bid. Within two business days after the bid opening, the bidder requesting withdrawal must provide to DFA staff all original work papers, documents, and other materials used in the preparation of the bid.

**18.5.4** A bidder may also withdraw a bid, prior to the time set for the opening of bids, by simply making a request in writing to the PPRB. No explanation is required.

## **18.6 Post-Award Debriefing**

A bidder, successful or unsuccessful, may request a post-award debriefing, in writing, by U.S. mail or electronic submission. The written request must be received by the Director of the DFA's OPSCR within three (3) business days of notification of the contract award. A post-award debriefing is a meeting and not a hearing; therefore, legal representation is not required. A debriefing typically occurs within five (5) business days of receipt of the request. If a bidder prefers to have legal representation present, the bidder must notify the Director of the DFA's OPSCR in writing and identify its attorney by name, address, and telephone number. The PPRB will schedule and/or suspend and reschedule the meeting at a time when a Representative of the Office of the Mississippi Attorney General can be present.

For additional information regarding Post-Award Debriefing, as well as the information that may be provided and excluded, please see Section 7-114 through 7-114.07, Post-Award Vendor Debriefing, of the *Mississippi Office of Personal Service Contract Review Rules and Regulations* as updated and replaced by PPRB.

## **18.7 Protest of Award**

Any actual or prospective bidder who is aggrieved in connection with this solicitation or the outcome of this IFB may file a protest with the Director of DFA's OPSCR. The protest shall be submitted on or before **Friday, April 6, 2018, 1:00 PM CST**, in writing after such aggrieved person or entity knows or should have known of the facts giving rise thereto. The written protest letter shall contain an explanation of the specific basis for the protest. All protests must be in writing, dated, signed by the bidder or an individual authorized to sign contracts on behalf of the protesting bidder, and contain a statement of the reason(s) for protest, citing the law(s), rule(s) and regulation(s) or procedure(s) on which the protest is based. The written protest letter shall contain an explanation of the specific basis for the protest. The protesting bidder must provide facts and evidence to support the protest. A protest is considered filed when received by the Director of DFA's OPSCR via either U.S. mail, postage prepaid, or by personal delivery. Protests filed after **Friday, April 6, 2018, 1:00 PM CST**, will not be considered.

## **Section 19 – Required Contract Terms and Conditions**

Any contract entered into with a Contracting Agency pursuant to a Vendor/bidder being placed on the PVL shall have the required clauses found in Attachment G and those required by the *Mississippi Office of Personal Service Contract Review Rules and Regulations* as updated and replaced by PPRB.

## **Section 20 – Optional Contract Terms and Conditions**

Any contract entered into with a Contracting Agency pursuant to a Vendor/bidder being placed on the PVL may have, at the discretion of the Contracting Agency, the optional clauses found in Attachment H and those within the *Mississippi Office of Personal Service Contract Review Rules and Regulations* as updated and replaced by PPRB.

## **Section 21 – Note to Agencies and Vendors**

Agencies are cautioned that this procurement may not comply with guidelines from outside funding sources such as the federal Government or various grants. It is the Contracting Agency's responsibility, when using such funding sources, to verify that this IFB meets all state and federal procurement requirements. **This procurement does not replace currently active service contracts, and agencies will not be asked to terminate their current contracts.** Agencies do not have to contract with the Vendors on the PVL; however, using Vendors from the list will eliminate the need for procurement.

## **Section 22 – Mississippi Department of Finance and Administration Website**

This IFB, questions and answers concerning this IFB, and the Preapproved List of Vendors for Background Screening Services will be posted on the DFA website at <http://www.dfa.ms.gov>.

### Required Clauses for Service Contracts Resulting from this IFB

1. Applicable Law: The contract shall be governed by and construed in accordance with the laws of the State of Mississippi, excluding its conflicts of laws provisions, and any litigation with respect thereto shall be brought in the courts of the State. Contractor shall comply with applicable federal, state, and local laws and regulations.
2. Availability of Funds: It is expressly understood and agreed that the obligation of the Agency to proceed under this agreement is conditioned upon the appropriation of funds by the Mississippi State Legislature and the receipt of state and/or federal funds. If the funds anticipated for the continuing fulfillment of the agreement are, at any time, not forthcoming or insufficient, either through the failure of the federal government to provide funds or of the State of Mississippi to appropriate funds or the discontinuance or material alteration of the program under which funds were provided or if funds are not otherwise available to the Agency, the Agency shall have the right upon ten (10) working days written notice to Contractor, to terminate this agreement without damage, penalty, cost or expenses to the Agency of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination.
3. Compliance with Laws: Contractor understands that the Agency is an equal opportunity employer and therefore, maintains a policy which prohibits unlawful discrimination based on race, color, creed, sex, age, national origin, physical handicap, disability, genetic information, or any other consideration made unlawful by federal, state, or local laws. All such discrimination is unlawful and Contractor agrees during the term of the agreement that Contractor will strictly adhere to this policy in its employment practices and provision of services. 5. E-Verification: If applicable, Contractor represents and warrants that it will ensure its compliance with the Mississippi Employment Protection Act of 2008, and will register and participate in the status verification system for all newly hired employees. Mississippi Code Annotated §§ 71-11-1 et seq. The term "employee" as used herein means any person that is hired to perform work within the State of Mississippi. As used herein, "status verification system" means the Illegal Immigration Reform and Immigration Responsibility Act of 1996 that is operated by the United States Department of Homeland Security, also known as the E-Verify Program, or any other successor electronic verification system replacing the E-Verify Program. Contractor agrees to maintain records of such compliance. Upon request of the State and after approval of the Social Security Administration or Department of Homeland Security when required, Contractor agrees to provide a copy of each such

verification. Contractor further represents and warrants that any person assigned to perform services hereafter meets the employment eligibility requirements of all immigration laws. The breach of this agreement may subject Contractor to the following:

- a. termination of this contract for services and ineligibility for any state or public contract in Mississippi for up to three (3) years with notice of such cancellation/termination being made public;
- b. the loss of any license, permit, certification or other document granted to Contractor by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year; or,
- c. both.

In the event of such cancellation/termination, Contractor would also be liable for any additional costs incurred by the State due to Contract cancellation or loss of license or permit to do business in the State.

6. Insurance: Contractor represents that it will maintain workers' compensation insurance which shall inure to the benefit of all Contractor's personnel provided hereunder; comprehensive general liability or professional liability insurance, with minimum limits of \$1,000,000.00 per occurrence; and employee dishonesty or fidelity bond insurance with minimum limits of \$1,000,000.00 with third party liability coverage. All general liability, professional liability, employee dishonesty, and fidelity bond insurance will provide coverage to the State of Mississippi as an additional insured. The Agency reserves the right to request from carriers, certificates of insurance regarding the required coverage. Insurance carriers must be licensed or hold a Certificate of Authority from the Mississippi Department of Insurance.
6. Paymode: Payments by state agencies using the State's accounting system shall be made and remittance information provided electronically as directed by the State. These payments shall be deposited into the bank account of Contractor's choice. The State may, at its sole discretion, require Contractor to electronically submit invoices and supporting documentation at any time during the term of this Agreement. Contractor understands and agrees that the State is exempt from the payment of taxes. All payments shall be in United States currency.
7. Procurement Regulations: The contract shall be governed by the applicable provisions of the *Mississippi Office of Personal Service Contract Review Rules and Regulations* as updated and replaced by PPRB, a copy of which is available at 501 North West Street, Suite 1301, Jackson, MS, for inspection, or downloadable at <http://www.dfa.ms.gov>.

Contractor understands and agrees that this is a requirements contract and that the Agency shall have no obligation to Contractor if no services are required. Any quantities that are included in the scope of work reflect the current expectations of the Agency for the period of the contract. The amount is only an estimate and Contractor understands and agrees that the Agency is under no obligation to Contractor to buy any amount of the services as a result of having provided this estimate or of having any typical or measurable requirement in the past. Contractor further understands and agrees that the Agency may require services in an amount less than or in excess of the estimated annual contract amount and that the quantity actually used, whether in excess of the estimate or less than the estimate, shall not give rise to any claim for compensation other than the total of the unit prices in the contract for the quantity actually used.
12. Stop Work Order:
  - a. *Order to Stop Work:* The Procurement Officer, may, by written order to Contractor at any time, and without notice to any surety, require Contractor to stop all or any part of the work called for by this contract. This order shall be for a specified period not exceeding 90 days after the order is delivered to Contractor, unless the parties agree to any further period. Any such order shall be identified specifically as a stop work order issued pursuant to this clause. Upon receipt of such an order, Contractor shall forthwith comply with its terms and take all reasonable steps to minimize the occurrence of costs allocable to the work covered by the order during the period of work stoppage. Before the stop work order expires, or within any further period to which the parties shall have agreed, the Procurement Officer shall either:
    - i. cancel the stop work order; or,
    - ii. terminate the work covered by such order as provided in the Termination for Default clause or the Termination for Convenience clause of this contract.
  - b. *Cancellation or Expiration of the Order:* If a stop work order issued under this clause is canceled at any time during the period specified in the order, or if the period of the order or any extension thereof expires, Contractor shall have the right to resume work. An appropriate adjustment shall be made in the delivery schedule or Contractor price, or both, and the contract shall be modified in writing accordingly, if:
    - i. the stop work order results in an increase in the time required for, or in Contractor's cost properly allocable to, the performance of any part of this contract; and,

- ii. Contractor asserts a claim for such an adjustment within 30 days after the end of the period of work stoppage; provided that, if the Procurement Officer decides that the facts justify such action, any such claim asserted may be received and acted upon at any time prior to final payment under this contract.
- c. *Termination of Stopped Work:* If a stop work order is not canceled and the work covered by such order is terminated for default or convenience, the reasonable costs resulting from the stop work order shall be allowed by adjustment or otherwise.

13. Termination for Convenience:

- a. *Termination.* The Agency Head or designee may, when the interests of the State so require, terminate this contract in whole or in part, for the convenience of the State. The Agency Head or designee shall give written notice of the termination to Contractor specifying the part of the contract terminated and when termination becomes effective.
- b. *Contractor's Obligations.* Contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination Contractor will stop work to the extent specified. Contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. Contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The Agency Head or designee may direct Contractor to assign Contractor's right, title, and interest under terminated orders or subcontracts to the State. Contractor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

14. Termination for Default:

- a. *Default.* If Contractor refuses or fails to perform any of the provisions of this contract with such diligence as will ensure its completion within the time specified in this contract or any extension thereof, or otherwise fails to timely satisfy the contract provisions, or commits any other substantial breach of this contract, the Agency Head or designee may notify Contractor in writing of the delay or nonperformance and if not cured in ten (10) days or any longer time specified in writing by the Agency Head or designee, such officer may terminate Contractor's right to proceed with the contract or such part of the contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part, the Agency Head or designee may procure similar supplies or services in a manner and upon terms deemed appropriate by the Agency Head or designee. Contractor shall continue performance of the contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.
- b. *Contractor's Duties.* Notwithstanding termination of the contract and subject to any directions from the procurement officer, Contractor shall take timely, reasonable, and necessary action to protect and preserve property in the possession of Contractor in which the State has an interest.

- c. *Compensation.* Payment for completed services delivered and accepted by the State shall be at the contract price. The State may withhold from amounts due Contractor such sums as the Agency Head or designee deems to be necessary to protect the State against loss because of outstanding liens or claims of former lien holders and to reimburse the State for the excess costs incurred in procuring similar goods and services.
  - d. *Excuse for Nonperformance or Delayed Performance.* Except with respect to defaults of subcontractors, Contractor shall not be in default by reason of any failure in performance of this contract in accordance with its terms (including any failure by Contractor to make progress in the prosecution of the work hereunder which endangers such performance) if Contractor has notified the Agency Head or designee within 15 days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of the public enemy; acts of the State and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, Contractor shall not be deemed to be in default, unless the services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit Contractor to meet the contract requirements. Upon request of Contractor, the Agency Head or designee shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, Contractor's progress and performance would have met the terms of the contract, the delivery schedule shall be revised accordingly, subject to the rights of the State under the clause entitled in fixed-price contracts, "Termination for Convenience". (As used in this Paragraph of this clause, the term "subcontractor" means subcontractor at any tier).
  - e. *Erroneous Termination for Default.* If, after notice of termination of Contractor's right to proceed under the provisions of this clause, it is determined for any reason that the contract was not in default under the provisions of this clause, or that the delay was excusable under the provisions of Paragraph (4) (Excuse for Nonperformance or Delayed Performance) of this clause, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of the State, be the same as if the notice of termination had been issued pursuant to such clause.
  - f. *Additional Rights and Remedies.* The rights and remedies provided in this clause are in addition to any other rights and remedies provided by law or under this contract.
15. Termination Upon Bankruptcy: This contract may be terminated in whole or in part by Agency upon written notice to Contractor, if Contractor should become the subject of bankruptcy or receivership proceedings, whether voluntary or involuntary, or upon the execution by Contractor of an assignment for the benefit of its creditors. In the event of such termination, Contractor shall be entitled to recover just and equitable compensation for satisfactory work performed under this contract, but in no case shall said compensation exceed the total contract price.

16. Trade Secrets, Commercial and Financial Information: It is expressly understood that Mississippi law requires that the provisions of this contract which contain the commodities purchased or the personal or professional services provided, the price to be paid, and the term of the contract shall not be deemed to be a trade secret or confidential commercial or financial information and shall be available for examination, copying, or reproduction.
17. Transparency: This contract, including any accompanying exhibits, attachments, and appendices, is subject to the “Mississippi Public Records Act of 1983,” and its exceptions. See Mississippi Code Annotated §§ 25-61-1 *et seq.* and Mississippi Code Annotated § 79-23-1. In addition, this contract is subject to the provisions of the Mississippi Accountability and Transparency Act of 2008. Mississippi Code Annotated §§ 27-104-151 *et seq.* Unless exempted from disclosure due to a court-issued protective order, a copy of this executed contract is required to be posted to the Department of Finance and Administration’s independent agency contract website for public access at <http://www.transparency.mississippi.gov>. Information identified by Contractor as trade secrets, or other proprietary information, including confidential vendor information or any other information which is required confidential by state or federal law or outside the applicable freedom of information statutes, will be redacted.

## ATTACHMENT H

### Optional Clauses for Use in Service Contracts Resulting from this IFB (At Discretion of Contracting Agency)

Appendix H includes (alphabetically by title) various service contracting clauses which are available for use. Many clauses require the inclusion of additional information. A word or phrase in square brackets indicates that the information identified is to be inserted (e.g., *[time]*, *[date]*). Clarifications of clauses are in parentheses within or at the end of the clause. These are discretionary and the Agency is neither required to use them nor prohibited from using others which are not included in this appendix.

1. Anti-assignment/Subcontracting: Contractor acknowledges that it was selected by the State to perform the services required hereunder based, in part, upon Contractor's special skills and expertise. Contractor shall not assign, subcontract, or otherwise transfer this agreement, in whole or in part, without the prior written consent of the State, which the State may, in its sole discretion, approve or deny without reason. Any attempted assignment or transfer of its obligations without such consent shall be null and void. No such approval by the State of any subcontract shall be deemed in any way to provide for the incurrence of any obligation of the State in addition to the total fixed price agreed upon in this agreement. Subcontracts shall be subject to the terms and conditions of this agreement and to any conditions of approval that the State may deem necessary. Subject to the foregoing, this agreement shall be binding upon the respective successors and assigns of the parties.
2. Approval: It is understood that this contract requires approval by the Public Procurement Review Board. If this contract is not approved, it is void and no payment shall be made hereunder.
3. Attorney's Fees and Expenses: Subject to other terms and conditions of this agreement, in the event Contractor defaults in any obligations under this agreement, Contractor shall pay to the State all costs and expenses (including, without limitation, investigative fees, court costs, and attorney's fees) incurred by the State in enforcing this agreement or otherwise reasonably related thereto. Contractor agrees that under no circumstances shall the customer be obligated to pay any attorney's fees or costs of legal action to Contractor.
4. Authority to Contract: Contractor warrants: (a) that it is a validly organized business with valid authority to enter into this agreement; (b) that it is qualified to do business and in good standing in the State of Mississippi; (c) that entry into and performance under this agreement is not restricted or prohibited by any loan, security, financing, contractual, or other agreement of any kind; and, (d) notwithstanding any other provision of this agreement to the contrary, that there are no existing legal proceedings or prospective legal proceedings, either voluntary or otherwise, which may adversely affect its ability to perform its obligations under this agreement.
5. Confidentiality: Notwithstanding any provision to the contrary contained herein, it is recognized that Agency is a public agency of the State of Mississippi and is subject to the

Mississippi Public Records Act. Mississippi Code Annotated §§ 25-61-1 *et seq.* If a public records request is made for any information provided to Agency pursuant to the agreement and designated by the Contractor in writing as trade secrets or other proprietary confidential information, Agency shall follow the provisions of Mississippi Code Annotated §§ 25-61-9 and 79-23-1 before disclosing such information. The Agency shall not be liable to the Contractor for disclosure of information required by court order or required by law.

6. Contractor Personnel: The Agency shall, throughout the life of the contract, have the right of reasonable rejection and approval of staff or subcontractors assigned to the work by Contractor. If the Agency reasonably rejects staff or subcontractors, Contractor must provide replacement staff or subcontractors satisfactory to the Agency in a timely manner and at no additional cost to the Agency. The day-to-day supervision and control of Contractor's employees and subcontractors is the sole responsibility of Contractor.
