Pack

PRICE LIST | FEBRUARY 2018

Undated June 2018

Trendway, >

Pack

The Pack Collection offers a complete furnishing solution for the work environment. It includes desking, filing, storage and bookcases. The collection offers many surface material options for flexibility in design and price point, including metal, high-pressure laminate and anodized aluminum door units. The Pack collection is SCS Certified - Indoor Advantage GOLD for indoor air quality.

Trendway product catalogs are available in the following design software: CAP, Data One, Giza, Midnight-Oil, and Project Matrix. The Pack price list is also available in .pdf (Acrobat Reader) format on www.trendealer.com. For Architects and Designers, a free FSL (Furniture Symbol Library) is available on www. trendway.com.

Product dimensions are given throughout the product catalog and are followed by parenthesis which have the metric equivalent in millimeters. For example: A Rectangular Work Surface is available in a 48" (1219)-width.

Ordering Information

The most efficient way to enter an order is through Trendway On-Line Order Entry on www.trendealer.com, which also accepts .sif files from the design software listed above. Faxed orders are available as well but may extend lead-

For ease in specifying, Trendway's catalog numbering system uses meaningful characters to convey description, surface type, and size. For example, PSLAT436 represents a Pack Four-High Lateral File that has 4 drawers and is **36**" (914)-wide.

Order specification examples are shown throughout the price book at the bottom of each page. Be sure to follow the order sequence carefully to ensure complete and accurate order specification.

After placing an order, Trendway will send an order acknowledgement that follows the sequence of information outlined below. Trendway encourages you to follow the same steps so that checking your order against the acknowledgement will be as easy as possible.

Placing an Order

To make placing an order simple, Trendway On-Line Order Entry automatically prompts the product and option decisions that are required. For accurate order processing on faxed orders, please type or use legible handwriting, and be sure to include the following information:

- 1. A complete "sold to" address with correct Zip code.
- 2. A complete "ship to" address with correct Zip code.
- 3. A purchase order number. (The order is issued to Trendway Corporation, Holland, Michigan.)
- 4. A signature or name of person authorizing the purchase order.
- 5. A contact name and phone number at your company.
- 6. An actual calendar date for the requested delivery date (not ASAP).
- 7. Line items that are complete, which means all catalog numbers and descriptions, options listed for each product selected, fabric/finish pattern and color descriptions, and all corresponding letter or number codes. Be sure to make a pick for all available options. Also, combine identical items and specify total quantity unless using special marking or tagging.

(Refer to your price list for ordering options.)

- 8. Special products referenced by their control numbers as well as their descriptions.
- 9. Line items that include price per unit, as well as extended totals.
- 10. A total dollar amount for the purchase order.
- 11. Any special shipping requirements clearly noted; i.e., "call before delivery."

By placing your orders correctly and completely the first time around, your order will be processed and scheduled without delay (subject to credit approval).

Lead-Times

The majority of Pack products are shipped within Trendway's standard lead time. Extended lead-time items in the catalog are designated by shading. Complete orders entered electronically will ship within an average of 3 working days. Products and their options available for specification on Express are indicated with an **@** in front of the catalog number. Note that all chosen options for a product must also be available in the Express program to qualify.

Note: Shipping lead-times are subject to product availability due to order size. For exact lead-times on your order contact Trendway Customer Care.

Trendway, >

Surface Material Program

The Trendway Surface Material Program includes a broad selection of coordinated fabrics. laminate and trim finish options. Additionally, Trendway offers a Customers Own Material (COM) program to allow customers to further personalize their work stations.

The following sections describe the Trendway Surface Materials vocabulary.

Standard Program

Trendway's Standard Program of timeless fabrics, finishes, vinyls and laminates, is recommended for corporate standards programs. These fabrics are carded, swatched and stocked by Trendway. Refer to individual panels for fire rating classifications.

Surface Trends

Trendway's Surface Trends Program is an evolving collection of fabrics, vinyls, and laminates, and are designated by # symbol. Influenced and kept up to date by emerging trends, the typical life span in this program is one to three years. Items no longer available through Trendway may still be available for purchase directly through the supplier. Materials in this program comply with, and in many cases exceed the industry standards for quality and performance.

Surface Trends panel fabrics pass California Technical Bulletin 117-2013 and are listed as part of the UL recognized component program.

Express

Express fabrics and finishes are available in a three-day lead time. Surface Materials available for specification on Express are indicated with a @ in front of the 3-digit code.

Terratex®

Terratex is a Duvaltex brand designating fabrics that are made from 100% recycled or compostable material using increasingly sustainable manufacturing practices to produce a high-quality product that is recyclable at the end of its useful life. For more information, go to www.terratex.com.

COM

Customers Own Material program allows customers to select and specify their own fabric or laminate on Trendway product. For detailed information, see item #11, COM, in the Pricing, Procedures and Policies section in the back of the price list or on Trendealer.com.

Pre-Approved COM

Select from popular COM fabrics pre-approved by Trendway. Customers = 100% Recycled Content are able to search the COM library on www.trendealer.com for fabrics and specific applications that have passed manufacturability testing on Trendway product.

HOW TO ORDER SAMPLES

Binder Cards

Standard and Surface Trends binder cards are available through Trendway fulfillment. www.trendealer.com

Standard Program Samples

Samples of fabrics and finishes are available through Trendway fulfillment. www.trendealer.com

Surface Trends and Alliance Partner Samples

Surface Trends and Alliance Partner samples must be ordered directly through the supplier. Contact information is listed below. Reference the pattern name and color along with the supplier part number on the back of your binder card to order samples.

Fabric patterns noted with **9** are available in Trendway's Express program.

This form can be used as a worksheet or an order form to determine what key alike Pack Core/Key Sets are needed for key-alike Pack filing and storage, Pack locks on Choices and Contrada flipper units and for additional Pack Lock Kevs. Core Kevs and Master Keys*. It is also used to specify special tagging instructions to designate installation locations, which is offered free of charge.

The information on this form can either be entered in Trendway's design software, or through Trendway On-line Order Entry on Trendealer.com using the catalog numbers listed below or it can be used as an order form and faxed toTrendway Customer Care.

Pack Core/Key Set

The Pack Core/Key Set is needed when the Key Alike Option 'T' is selected, or if a lock needs to be changed out in an existing unit. The Core/Key Set provides the ability to pick the key number for a single storage piece, each individual office or group of offices. Pack Core/Key Sets includes a lock core and 2 lock keys. Additional lock keys are available.

Pack Core Installation/Removal Key

Pack Core Installation/Removal Key is needed to install Core/Key Sets and to remove or replace existing Pack lock cores.

*Pack Master Key

Pack Master Key is used to open any Pack style lock. Master keys are sent out separately from the product order. Request for Master keys must be made on the end users letterhead and faxed to Trendway Customer Care at 1-800-893-8212. Orders are shipped within 24-hours of receipt.

Requests for Master keys must be made on the end-user's letterhead and faxed to Trendway Oustomer Care at

1-800-893-8121. Orders are shipped within 24 hours of receipt.

Pack Core/Key Set

The Pack Core/Key Set must be ordered when the Key-Alike lock option is chosen to replace the "disposable" core that ships with Pack filing units in order for these units to lock. This set can also be ordered to replace an existing Pack Core/Key Set. The set includes a Pack lock core and 2 lock keys.

Pack Core Installation/Removal Key

The Pack Core Installation/Removal Key is needed to install or remove Pack Cores in Pack filing units or in Pack Locks for Choices and Contrada Flipper Units (PKCHFLA and PKCTAFLA).

Pack Keys

Replacement Pack keys are available for order.

Finishes

All Pack filing and storage units, including door and drawer fronts, are painted metal and are available in a variety of finishes.

Pull Style Options

Pack filing units have two pull style options, a bevel pull and an applied pull. The applied pull has three 128mm center pull hardware options to choose from: Classic, Streamline and Designer. These are all plated nickel finish.

Applied

Note: Applied Pulls (Classic, Streamline, Designer and Mod2) add up to 11/s" (29) to the depth of the file unit.

Casters

Black standard casters are included, two (2) locking and two (2) non-locking on each unit.

Specifications

All dimensions are nominal unless otherwise noted.

Keyed Alike

Pack filing and storage units have two lock options to choose from. Units can be randomly keyed (option "R") or they can be key-alike (option "T") for no additional upcharge. When the randomly keyed option "R" is chosen the Pack filing and storage unit will ship with a randomly numbered core/key.

When the key-alike lock option "T" is chosen the Pack filing unit will ship with a "disposable" core in place of the core/key and the specified Pack Core/Key set(s) will be packaged separately for field installation. The "disposable" core must be field replaced with a Pack Core/Key set in order for the Pack filing unit to lock. The Core/Key set (PLCAK) must be ordered separately.

Load Capacities

All Pack filing units meet or exceed the applicable BIFMA load requirements. For a complete listing of load capacities, contact Trendway Customer Care or visit trendealer.com

Pedestal Drawers:

3" (76) Pedestal Drawer — 10 lbs. (4.5kg) 6" (152) Pedestal Drawer — 20 lbs. (9kg) 12" (305) Pedestal Drawer — 40 lbs. (18kg)

Lateral File and File Center Lateral Drawers:

2 lbs. (.9kg) per linear inch of usable space

Bookcases:

30" (762) shelf — 70 lbs. (32kg) 36" (914) shelf — 85 lbs. (39kg) 42" (1067) shelf — 100 lbs. (45kg)

Lockers:

12" wide — 35 lbs. (16kg) 18" wide — 55 lbs. (25kg)

Double-Door and Wardrobe:

30" (762) shelf — 90 lbs. (41kg) 36" (914) shelf — 105 lbs. (48kg) 42" (1067) shelf — 125 lbs. (57kg) Wardrobe Bar

Storage Tower:

3 lbs. (1.4kg) per linear inch

Maximum Load Capacity For Any Steel Storage Unit

The maximum load capacity for any storage unit is calculated by multiplying the above stated lbs. for each shelf or drawer that is included with the unit and adding them together (includes the top of the unit and the inside bottom).

Eg: Maximum load capacity for a PSBC336 = unit bottom + 2 shelves + unit top at 3 lbs. per linear inch = 36" (914) linear in. per shelf x 4 = 432 lbs. maximum load

Note: The addition of more shelves does not increase the maximum amount a unit can be loaded.

Proper Usage

Pedestals and File Centers

Any pedestal or file cener that is attached to the underside of a work surface must have glides adjusted to support the weight of the pedestal or file center.

Lateral Files

CAUTION: Any freestanding lateral file, if improperly used or loaded, can tip. Since files may contain significant weight, this tipping can result in serious damage and/or personal injury. For proper and safe performance, read and follow instructions provided with each file.

Do not attempt to open more than one lateral file drawer at a time. Do not use drawers as steps. Failure to follow these instructions may cause tipping of cabinet, resulting in personal injury.

Use counterbalance weights when-ever lateral files or pedestals are not anchored or ganged back-to-back. Side-by-side ganging does not improve stability.

To avoid tipping, always load bottom drawers before loading top drawer.

Glide Adjustment Ranges

Pack Pedestal and Pedestal Tower	1 5/8" (41)
Pack Lateral	1 1/4" (32)
Pack Storage Tower	⁷ / ₈ " (22)
Pack Bookcases	5/8" (16)
Pack File Centers	1 1/4" (32)
Pack Double-Door and Wardrobe	⁷ / ₈ " (22)
Pack Lockers	⁷ / ₈ " (22)

Ordering Information

For ease in specifying, Trendway's catalog numbering system uses meaningful characters to convey description, surface type, and size. For example, PSLAT530 represents a **P**ack **S**torage **LAT**eral **5**-High by **30**" (762) -wide.

Trendway has further simplified the order process by having all the options available for a product listed in the price chart. By following the Sample Part Number Example at the bottom of each page, you create a Part Number for each product. This Part Number will match your acknowledgement and packing slip.

When ordering filing and storage units, list the following:

- 1. Quantity (combine same products)
- 2. Complete Part Number (see Sample Part Number at the bottom of each page for correct number sequence).
- 3. For ease of reading, place a period between each option number (PSP1212.B.TL).

Pack Storage Tower

The Pack Storage Tower provides coat, drawer, and cupboard storage in a single freestanding cabinet. The Tower is constructed of painted metal, has 7/8" adjustable leveling glides, and is available in a Right-Hand version (wardrobe on the right side) or a Left-Hand version (wardrobe on the left side). Towers are available with five pull options, including four applied pulls and a bevel pull extending the length of the door or drawer.

The cupboard unit includes adjustable painted metal shelves. Pedestal drawers have painted metal drawer fronts and full extension ball-bearing slides. The drawers and doors have one common lock. The wardrobe includes one coat rod.

Available accessories include Pack Pedestal Divider/Conversion Kit(PCD), Pack Pencil Tray (HPPT), Lateral File Dividers (LFDE) and Shelf/File Dividers (SFDIV).

Desks

Pack Mobile Wardrobe Tower

The Pack Mobile Wardrobe Tower provides coat, drawer, and cupboard storage in a single mobile cabinet. The Tower is constructed of painted metal, has four casters, and is available in a Right-Hand version (wardrobe on the right side) or a Left-Hand version (wardrobe on the left side). Black standard casters included, two (2) locking and two (2) non-locking. Towers are available with five pull options, including four applied pulls and a bevel pull extending the length of the door or drawer.

The cupboard unit includes adjustable painted metal shelves. Pedestal drawers have painted metal drawer fronts and full extension ball-bearing slides. The drawers and doors have one common lock.

Available accessories include Pack Pedestal Divider/Conversion Kit(PCD), Pack Pencil Tray (HPPT), Lateral File Dividers (LFDE) and Shelf/File Dividers (SFDIV).

PACK SINGLE TOWERS

The Pack Single Tower includes a cupboard and pedestal drawers. The tower is constructed of painted metal and has 7/8" adjustable leveling glides. It is available in right- and left-hand (hinge on right) (hinge on left) versions. Pedestal drawers have full-extension ball-bearing slides. The tower is available with five pull options, including four applied pulls and a bevel pull extending the length of the door or drawers. Drawers and doors have one common lock. Cupboard shelves adjust in 1-1/2" increments.

Vertical Pedestal Tower

The Vertical Pedestal Tower functions as a vertical filing solution. The tower is constructed of painted metal and has adjustable leveling glides. Pedestal drawers have full-extension ball-bearing slides. The tower is available with five pull options, including four applied pulls and a bevel pull extending the length of the drawer. A safety interlock is included in all the drawers, allowing only one drawer to open at a time. A single lock captures all drawers.

Note: The Finished height is not consistent with standard product heights.

Available accessories include Lateral File Dividers (LFDE), Shelf/File Dividers (SFDIV) and Label Holders (ZLHA).

Pack Pedestal Tower with Bookcase

The Pack Pedestal Tower with Bookcase combines the functionality of a pedestal with the added storage of a bookcase. The Tower is available in Right- and Left-Hand versions. The Right-Hand version is intended for placement on the right-hand of a workstation with the bookcase facing inward. The Left-Hand version is intended for placement on the left-hand of a workstation with the bookcase facing inward. The Tower is constructed of painted metal and has 1-5/8" adjustable leveling glides. The bookcase unit includes adjustable shelves that can

accommodate two rows of binder storage plus additional storage in the 65-7/8" high towers. The pedestal includes lockable drawers with painted metal drawer fronts. Drawers have full extension ball-bearing slides. Drawers are available with five pull options, including four applied pulls and a bevel pull extending the length of the drawer

Available accessories include Pack Pedestal Divider/Conversion Kit(PCD), Pack Pencil Tray (HPPT), Lateral File Dividers (LFDE) and Shelf/File Dividers (SFDIV).

Pack Bookcase Wardrobe

The Pack Bookcase Wardrobe Tower & Filing Tower combines the functionality of a pedestal with the added storage of a bookcase and wardrobe. The tower is available in right- and left-hand versions. The right-hand version is intended for placement on the right-hand of a workstation with the bookcase facing inward. The left-hand version is intended for placement on the left-hand of a workstation with the bookcase facing inward. The Tower is constructed of painted metal and has 1-5/8" adjustable leveling glides. The bookcase unit

includes two adjustable shelves that accommodate two rows of binder storage plus additional storage in the 65-7/8" high towers. The pedestal includes lockable drawers with painted metal drawer fronts. Drawers have full-extension ball-bearing slides. The wardrobe includes a two-pronged coat hook. Drawers and wardrobe are available with five pull options, including four applied pulls and a bevel pull extending the length of the drawer or wardrobe.

Available accessories include Pack Pedestal Divider/Conversion Kit (PCD),

Pack Pencil Tray (HPPT), Lateral File Dividers (LFDE) and Shelf/File Dividers (SFDIV).

Pack Single Lockers

Pack Single Lockers are available in heights to match the four and five-high Pack Lateral File and Double Door Cabinet. The units are constructed of powder-coated steel and have a locking door. Doors are 20 gauge steel. Units include a single fixed shelf model, full width wardrobe bar model and a model with leveling glides. Single Lockers are available with five pull options, including four applied pulls and a bevel pull extending the length of the door.

Units are available in either a Right-Hand version with the door opening to the right side or a Left-Hand version with the door opening to the left side.

When the key-alike lock option "T" is chosen, a "disposable" core is assembled in the unit to temporarily secure the door for transit. The "disposable" cores must be field replaced with Pack Core/Key Sets in order for the unit to lock. Core/Key Sets (PLCAK) must be ordered separately using design software, online order entry or by the Pack Keying Order Form.

Pack Quad Lockers

Pack Quad Lockers are constructed of powder-coated steel and have (4) locking doors. Units include a twopronged coat hook in each locker and leveling glides. The center partition is constructed of steel and 1.4" thick. Quad Lockers are available with five pull options, including four applied pulls and a bevel pull extending the length of the door.

Units are available in either a Right-Hand version with all the doors opening to the right side or a Left-Hand version with all the doors opening to the left

When the key-alike lock option "T" is chosen a "disposable" core is assembled in the unit to temporarily secure the door for transit. The "disposable" cores must be field replaced with Pack Core/Key Sets in order for the unit to lock. Core/ Key Sets (PLCAK) must be ordered separately using design software, online order entry or by the Pack Keying Order Form.

Pack Cubby Lockers

Pack Cubby Lockers are constructed of powder-coated steel and include (4) or (8) locking doors and leveling glides. The center partition is constructed of steel and 1.4" thick. Lockers are available with

five pull options, including four applied pulls and a bevel pull extending the length of the door.

Units are available in either a Right-Hand version with all the doors opening to the right side or a Left-Hand version with all the doors opening to the left side.

When the key-alike lock option "T" is chosen a "disposable" core is assembled in the unit to temporarily secure the door for transit. The "disposable" cores must be field replaced with Pack Core/Key Sets in order for the unit to lock. Core/ Key Sets (PLCAK) must be ordered separately using design software, online order entry or by the Pack Keying Order Form.

The Pack Two-High Lateral Work Surface Supporting is designed to be used under a work surface and does not have a top. A top is available separately (PSLATTOP) to change the unit from work surface supporting to freestanding.

Lateral Files come standard with locks which secure the drawer front on both sides for added security. Drawers accommodate side-to-side letter, A4, legal, EDP filing, and include a safety interlock mechanism that allows only one drawer to open at a time.

Accessories include the Pack Freestanding Traverse Kit (FSTK), Lateral File Dividers (LFDE), Pack Lateral File Tops (LFT) and Pack Lateral File Counterbalance Weights (CBWL).

Note: Lateral File Counterbalance Weights are required for individual lateral files that are not ganged back-to-back.

When the key-alike lock option "T" is chosen a "disposable" core is assembled in the filing unit to temporarily secure the drawers and doors for transit. The "disposable" cores must be field replaced with Pack Core/Key Sets in order for the Pack filing unit to lock. Core/ Key Sets (PLCAK) must be ordered separately or by using the keying order

Pack Lateral File Tops

Pack Lateral File Tops are sized to be used with Pack Two-Drawer, Three-Drawer, Four-Drawer and Five-Drawer Lateral Files. They are available for use with a single lateral file or combination of two or four lateral files. Lateral File Tops have a high-pressure laminate or Thermofused laminate surface with vinyl edge. Tops are nominal 11/4" (32) thick on high-pressure laminate and nominal 1" (25) thick on Thermofused laminate. Thermofused laminate is only available with matching edge color.

Note: 18'/4" (464)-deep Lateral File Tops are sized to fit between Return Panels and can also be used in freestanding applications. 36'/2" (927)-deep Lateral File Tops are sized for freestanding applications only.

For non-standard sizes, contact Trendway Custom Solutions 1-800-893-8117.

See Lateral File Top Specification Guide in the Planning section.

Note: Lateral File Tops cannot be used in place of counterbalance weights, ganging or anchoring.

Accessories

PACK LATERAL FILE ACCESSORIES

Pack Freestanding Traverse Kit

The Pack Freestanding Traverse Kit converts Pack Freestanding Lateral Files and File Centers from standard side-to-side filing to front-to-back filing.

Note: For each drawer, order one kit for 30" (762)- and 36" (914)-wide lateral files; order two kits for 42" (1067)-wide lateral files. See Lateral File Front-to-Back Conversion Bar Application Guide in the Planning section for further information.

Available in Black only.

Lateral File Dividers

The Lateral File Dividers are freestanding dividers that securely attach magnetically to a shelf or drawer bottom.

Available in Black only.

Pack Label Holders

Pack Label Holders attach to Pack filing units. Packaged in boxes of 10 label holders with 10 labels

Pack Double-Door Storage Cabinets

Pack Double-Door Storage Cabinets are available in heights to match the two, three, four and five-high Pack Lateral Files. The units are constructed of painted metal and have locking doors. Painted metal shelves adjust vertically in 11/2" increments. The Storage Cabinets are available with five pull options, including four applied pulls and a bevel pull extending the length of the door.

The Pack Work Surface Supporting Double Door Storage Cabinet is designed to be used under a work surface and does not have a top. A top is available separately

to change this unit from work surface supporting to freestanding.

Note: Lateral File Tops (PLFT and/or ZFPET) can be used on Pack Double-Door Storage Units to create credenzas or file islands. Use PSDDTOP to transform a Two-High Work Surface Supporting Double Door to a freestanding one.

When the key-alike lock option "T" is chosen a "disposable" core is assembled in the filing unit to temporarily secure the drawers and doors for transit. The "disposable" cores must be field replaced with Pack Core/ Key Sets in order for the Pack filing unit to lock. Core/Key Sets (PLCAK) must be ordered separately or by using the keying order form.

Additional storage shelves (SS) are available.

Pack Floor-Supported File Center

The Pack file center combines the functionality of a pedestal and Pack lateral file into a single cabinet that fits below a systems work surface or can be ordered as a freestanding unit with a metal top.

Pack Freestanding File Center

The file center is constructed of painted metal and full extension ball-bearing slides on all the drawers. Drawer fronts are available with five pull options, including four applied pulls and a bevel pull extending the length of the drawer.

Available accessories include the Pack freestanding traverse kit (FSTK) for front-to-back filing, lateral file dividers (LFDE) and label holders (ZLHA).

Note: Floor-Supported file center must be attached to a panel-mounted work surface or a desk unit.

When the key-alike lock option "T" is chosen a "disposable" core is assembled in the filing unit to temporarily secure the drawers and doors for transit. The "disposable" cores must be field replaced with Pack Core/Key Sets in order for the Pack filing unit to lock. Core/Key Sets (PLCAK) must be ordered separately or by using the keying order form.

Pack Support Pedestals

The Work Surface Supporting Pedestal mounts beneath the work surface. Pedestals include lockable drawers with painted metal drawer fronts, full extension ball-bearing slides, 15/8" leveling glides and mounting hardware. Drawers are available with five pull options, including four applied pulls and a bevel pull extending the length of the drawer.

Available accessories include Pack Pedestal Divider/Conversion Kit (PCD), Pack Pencil Tray (HPPT).

Pack Hanging Pedestals

The Hanging Pedestal suspends beneath the work surface. It includes lockable drawers with painted metal fronts, full extension ball-bearing slides and mounting hardware. Drawers are available with four pull options, including four applied pulls and an integral bevel pull.

Available accessories include Pack Pedestal Divider/Conversion Kit (PCD), Pack Pencil Tray (HPPT).

Freestanding desks with two full end panels can accommodate up to 2 hanging pedestals per desk.

Freestanding desk with P-Leg supports, returns and system work surfaces, when attached next to an end panel or panel return with support brackets, can accommodate one hanging pedestal.

When the key-alike lock option "T" is chosen a "disposable" core is assembled in the filing unit to temporarily secure the drawers and doors for transit. The "disposable" cores must be field replaced with Pack Core/Key Sets in order for the Pack filing unit to lock. Core/ Key Sets (PLCAK) must be ordered separately or by using the keying order

Pack Mobile Pedestals

Available accessories include Pack Pedestal Divider/Conversion Kit (PCD), Pack Pencil Tray (HPPT).

The Mobile Pedestal includes two locking and two non-locking casters, lockable drawers with painted metal drawer fronts, full extension ball-bearing slides, and a factory installed counterbalance weight. Drawers are available with five pull options, including four applied pulls and a bevel pull extending the length of the drawer.

The ³/₄ Mobile Pedestal can be teamed with a cushion top, providing guest seat and storage in one piece.

Available accessories include Pack Pedestal Divider/Conversion Kit (PCD), Pack Pencil Tray (HPPT).

Note: All Pack Mobile Pedestals are sold with a pull on the lock strip. If an Applied Pull is specified for the drawers, the lock strip pull will match. If a Bevel Pull is specified, the lock strip will feature a simple generic pull.

PEDESTAL AND FILE CENTER ACCESSORIES

Pack Pedestal Divider/Conversion Kit (Also for use with File Centers)

The Pedestal Divider/Conversion Kit is used to divide drawer space in the 6" (152) drawer. The 12" (305) Divider/Conversion Kit is used to divide and compress letter size files, or can convert the 12" (305) drawer to side-to-side or legal-size filing.

Available in Black only.

Pack Pencil Tray

The Pencil Tray organizes small items in both the 6" (152) and 12" (305) Pack Pedestal drawers and Lateral File Center drawers.

Available in Black only.

Pack Bookcases

The Bookcase is complete with metal top and base with leveling glides. Leveling glide allows for 5/8" (16) adjustment. The bookcase is constructed of painted metal. The outside panels are flush with the sides of the bookcase top for no-gap allowance in side-by-side applications. The shelves are 1" (25)-thick, and adjust in 1/2" (13)-height increments. All Bookcase heights are designed to accommodate standard binders on all but one shelf on each unit.

Available accessories include Shelf/File Dividers (SFDIV) and Bookcase Shelves (BCBS36).

Pack Mobile Bookcase

The mobile bookcase comes standard with black casters, two (2) locking and two (2) non-locking. The bookcase is available with optional pull styles. Pulls are located on both sides of the unit.

Pack Bookcase Shelves

Bookcase Shelves are used for additional shelf space. Includes one shelf and mounting hardware.

Shelf/File Dividers

Shelf/File Dividers are freestanding dividers that securely attach magnetically to a shelf or drawer bottom. Includes three dividers. Available in all trim colors.

Monitor Arm

The monitor arms can be affixed to the back edge of the work surfaces between the panel and work surface or can also be bolted through the surface, with a drilled hole or grommet. The height can be adjusted 13" vertically and has 26" of reach. The arm can be adjusted to accurately counterbalance the weight of the monitor. Finally the arm can swivel 360 degrees. All this leads to an ergonomically correct viewing angle.

Available in silver only.

Single Monitor Arm

The monitor arm will support any VESA compliant monitor with both 75mm and 100mm mounting holes up to 14 lbs.

Dual Monitor Arm

The monitor arm will support any VESA compliant monitor with both 75mm and 100mm mounting holes up to 20 lbs total. Measured diagonally, the maximum screen width for each monitor is 22".

Adjustable Keyboard and Mouse Platform

The Adjustable Keyboard and Mouse Platform includes a mechanism with 8¹/₄" (210) height adjustment range, a low-profile keyboard tray and a swing-out mouse platform. The keyboard mechanism features total knee clearance and simple, spring-assisted height adjustment without the use of knobs or levers. The keyboard tray is fixed at a zero-degree tilt angle and includes a full-width, gel-filled wrist support for comfort and non-slip pads to keep the keyboard in place.

The mouse platform can be mounted to either side of the keyboard tray and includes an adjustable backstop with cord retainer. The mechanism retracts fully under the work surface for storage and can pivot a full 360°. Includes mounting hardware. Available in Black only.

Adjustable Tilt Keyboard and Mouse Platform

The Adjustable Tilt Keyboard and Mouse Platform has a 51/4" (133) height adjustment range and includes all the features of the Adjustable Keyboard and Mouse Platform (AKM3) plus a zero-to-negative 10° tilt capability. Keyboard tilt

is easily changed by adjusting a sliding switch mounted on top of the keyboard mechanism. Includes mounting hardware. Available in Black only.

CPU Holder – Vertical Mount

The CPU Holder mounts beneath a work surface to provide convenient vertical CPU storage. The holder has sturdy straps that adjust to fit the shape of the

computer. The holder extends forward up to 12" (305) and swivels 360°. Supports up to 75 pounds (34kg). Includes mounting hardware. Available in Black only.

LED Task Lights

Ultra slim LED task lights are only 2" (51)-wide, just over ½" high and available in 3 widths-17, 31 and 44. They come complete with hardware to attach to both metal flipper doors and laminate freestanding hutches. All LED task lights include a dimmer, 10 hour auto shut off, and a 50,000 hour life span. The unit is anodized aluminum with white end caps. ETL listed.

LED Task Light Complete

The LED Task Light Complete includes the light, mounting hardware and power source. It is the equivalent of a regular flourescent task light.

LED Task Light Main Power Daisy Chain

The Task light with main power provides the light and mounting hardware plus a 60 watt power supply capable of powering more than one light. The power supply can accommodate a maximum of 60 watts. Please see the chart-for appropriate wattages as to not overload the power supply.

Width	Watts
17	9
31	18
44	25

LED Task Light Daisy Chain Jumper Cord

The LED Daisy Chain Jumper Cord Task Light includes the light and mounting hardware, plus an 8" and 30" jumper cord to attach to another task light. The jumper cord can attach to a Daisy Chain Main Power Task Light or another Daisy Chain Jumper Cord Task Light. Each connected light will have an independent power switch.

LED Task Light Occupancy Sensor

The LED Occupancy Sensor will automatically turn off all interlinked fixtures after 30 minutes of no movement. One occupancy sensor can 'control' all the lights that are daisy chained together.

TASK LIGHTS

All Task Lights are ETL Certified.

Note: Fused plug approved for use in the city of Chicago.

Slim-Profile Task Lights

The Slim-Profile Task light has the lowest profile and smallest footprint. The base model includes a 9' (2743) cord that exits in the center, starter switch, fluorescent lamps, prismatic acrylic lens, full-length reflector, energysaving electronic ballast, attachment brackets

for mounting under a flipper door or shelf and screws for mounting to the Intrinsic Freestanding. Color, batwing lenses and fused plug are all options.

LED Personal Task Light

The Personal Task Light has a single LED light housed in a circle head, and a double articulating arm. This light comes with through-mount, an optional weighted base (freestanding), or a clamp mount. This light is perfect for a spotlight use or in an area where excess

light is not desired. The Personal Task Light is not compatible with the LED Lighting System. ETL Certified.

Available in Black only.

Luma Touch™ LED Desk Lamp

The Luma Touch LED personal task light is specified with either a Round or an Elongated lamp style. The Lamp can be selected with a Freestanding Base, Clamp Mount, or Slatwall Mount. The Slatwall Mount is compatible with Choices, Contrada and Capture. Its double-arm articulated design allows the user to position the light effortlessly for optimum illumination. The single control responds to the lightest touch to turn on, turn off or dim to the perfect level. Once dimmed, the lamp will resume the same

lighting level if turned off and on. The optional Occupancy Sensor turns the lamp on when a user approaches and shuts it off after 30 minutes of inactivity, conserving energy use. Available in three colors. ETL, TAA and BAA certified.

ORI LED Desk Lamp

The ORI LED Personal Task Light provides 390 Lumens of clear white light right where you need it. It offers a wide range of vertical and rotational adjustment so the user can direct the light where it's needed. The

clean, simple and attractive design complements any interior. The single control responds to turn on, turn off or dim to the perfect level. Once dimmed, the lamp will resume the same lighting level if turned off and on. The Lamp is available as a freestanding model. UL Listed. Available in a Brushed Nickel finish

Trendway. >

1. Prices

Prices shown in this price list are F.O.B. origin, freight prepaid, in the contiguous United States. Trendway Corporation reserves the right to change prices without notice. Trendway may implement price changes effective at time of shipment if shipping date is more than 120 days from date written order was received by Trendway.

Pricing for shipments outside the contiguous United States will be based on the port of departure. Freight will be prepaid to port of departure.

List prices include coverage of prepaid standard, Trendway-specified freight cost.

2. Order Placement

Trendway Corporation requires all orders to be submitted electronically via on-line order entry at www. trendealer.com, or in writing following Ordering Procedures on page 1. Trendway recommends using design software for larger projects which allows the dealer to design, specify, and enter an order more efficiently and accurately which will assure completeness and avoid errors and duplications. The Buyer assumes all responsibility for the correct content of any order which has been acknowledged.

3. Confirmation

Upon receiving an order, Trendway Corporation will send an acknowledgement with exact pricing information and scheduled shipping date. Orders can also be confirmed on-line at www.trendealer.com. Customer is responsible for checking acknowledgements to ensure that the order is correct. Order will be processed as acknowledged.

4. Lead-Times

Trendway Corporation reserves the right to alter lead times as demand for products fluctuate. Stated lead-times begin after a complete order is entered and scheduled. Shipments are subject to product availability. Special products and larger orders may extend lead-times. Orders placed by dealers without a requested delivery date will be assigned a delivery date of 8 business days for Express orders, 4 weeks for standard product orders and 6 weeks for custom product orders. Please contact your customer care representative for exact lead-times.

5. Buyer's Credit

If, in the judgment of Trendway, the financial condition of the Buyer at any time does not justify the terms specified, Trendway may at any time

by notice to the Buyer require prepayment or other terms of payment differing from those specified in Section 8 or other satisfactory security to insure prompt payment of invoices.

6. Order Changes

To change an order, the customer must call Trendway Customer Care for order status. If approved, the customer must confirm the changes in writing to Trendway Corporation. Customer agrees to accept any and all charges involved in altering an order. This includes payment, determined by Trendway, for product already in production. Changes in orders also may result in delayed shipments.

7. Cancellation

All cancellations must be approved by Trendway Corporation. Orders in production cannot be cancelled without incurring substantial or full purchase price. Customers shall agree to accept any and all charges involved in the cancellation transaction, as determined by Trendway. Nonstandard items may not be cancelled.

8. Terms of Sale

Terms of sale on all invoices to approved Trendway customers are Net 30 days from date of invoice. These terms may be changed at any time by Trendway Corporation based on credit rating information available on specific customers. Payment in advance may be requested at the discretion of Trendway without explanation.

9. Taxes

Prices listed do not include any federal, state, local, or other taxes. Purchaser agrees to pay or reimburse any such taxes that Trendway Corporation, Trendway Corporation subcontractors, or suppliers are required to pay. For shipments to AZ, CA, CO, DC, FL, GA, IL, IN, KS, MA, MI, MN, MS, NJ, NY, OH, PA, TX and Canada, add appropriate tax rate. All authorized dealers should ensure that a resale exemption certificate is on file with Trendway Corporation.

10. Past-Due Accounts

Past-due accounts will be charged 1.5% per month. This is an annual rate of 18% or the highest legal rate on the unpaid balance. The purchaser agrees to pay all collection agency fees, court costs, and/or reasonable attorney fees incurred by Trendway in the collection of past-due balances.

11. Customer's Own Material (COM)

The Trendway COM program allows customers to use special materials. By complying with the COM testing for manufacturability procedure in the

steps below, Trendway will be able to identify if your material is appropriate for application to the products you specify.

To comply with the COM process, please follow these steps:

- 1. Select the COM material.
- Check first with www.trendealer.com/ COM Library, to determine if this material has already passed testing for manufacturability on the intended product.
- If the material is pre-approved in the COM Library, customer must submit a COM Order Submission Form (available from Trendway Customer Care Representative).
- 4. If the material requested is not in the COM Library, customer must submit a COM test request on-line at www.trendealer.com, send a sample of the COM material (see Test Yardage Requirements below), and include a list of Trendway product numbers designated for the COM application. Material sample should include pattern name, pattern number and color, manufacturer, direction material should be applied, and Control number from the COM Request Form automated e-mail response.
- 5. Ship COM samples to:
 - U.S. Mail and UPS, FedEx Shipment: Trendway Corporation 13467 Quincy Street Holland, MI 49424 Attn: COM Request
- You will be notified within five working days of receiving the material sample by Trendway, whether your COM has been approved or disapproved for application.

TEST YARDAGE REQUIREMENTS

Choices panels 11/2 yards Fabric screens yards Flipper doors yard 2/3 Intrinsic Freestanding 1 yard memo sample Seating Seating - Zego 11/2 yards TrendWall yards Volo tiles 4 yards

NOTE: Most fabric houses have a yardage minimum or an upcharge on less than one-yard cuts.

NOTE: All COM applications are priced at Grade 1 or Grade A.

If Buyer desires to use his own material in the production of Trendway's products, it is necessary to obtain the prior written consent of Trendway. Material provided by the Buyer shall be shipped to seller,

processing or during transportation. Buyer hereby holds Trendway harmless against any and all claims for loss, liability, injury, or damage arising from use of customer material; and Buyer takes full responsibility for performance and quality of customer material. Buyer should also be aware that Buyerfurnished materials will not qualify for UL Listings and may not meet fire codes. Please discuss specific concerns and special needs with Trendway Customer Care PRIOR to placing your order.

11a. Custom Color

Trendway's Custom Color program allows the customer to specify their own color or stain on many of Trendway's products. See www.trendealer.com for product availability, individual product guidelines and lead times. Set up fees and lead times are product specific and will vary.

To request a Custom Color or Stain:

- Complete a Custom Color Request form (available on www.trendealer.com).
- Send request form along with two 2"x3" samples to Trendway Customer Care Color Coordinator.
- After the receipt of the request, Trendway will provide customer with one color sample.
- If approved, Dealer or customer completes custom color form, providing the custom match color number on the back of the sample, signs, and returns by fax or mail to Custom Color Coordinator.
- Samples will be matched under cool white florescent lighting. All orders processed under the Custom Color program will be manufactured within commercially acceptable tolerances.
- Customer Color program is not available within Express lead-time.
- If applicable, dealer will be sent an invoice for \$250 color matching fee per customer, per color. See Custom Color Request form for details.

12. Special Product

When Trendway purchases special surface materials (i.e., fabrics and laminates) at the request of the customer, the customer takes full responsibility for the performance and quality of the surface material.

13. Delays

Trendway shall not be liable for loss or damage due to delay in manufacturing or delivery resulting from any cause beyond Trendway's reasonable control, including, but not limited to,

compliance with any regulations, orders, or instructions of any Federal, State, or Municipal Government, or any department or agency thereof, acts of God, acts or omissions of Buyer, acts of civil or military authority, fires, strikes, factory shutdowns or alterations, embargoes, war, riot, delays in transportation or inability due to causes beyond Trendway's reasonable control to obtain necessary labor, manufacturing facilities, or material from Trendway's usual sources. In no event shall Trendway be liable for special or consequential damages for any delay for anv cause.

14. Postponement of Delivery

If unforeseen circumstances occur, Trendway Corporation may postpone delivery of ordered products. Customer will be notified when such postponement occurs.

15. Storage

When shipment is delayed by the Buyer, Trendway reserves the right to place the goods in storage at customer's risk and cost. Trendway charges 1/4 of 1% of list price per week to cover storage. All terms and conditions of the sale, including but not limited to invoicing and payment, will continue as Buyer-specified destination; except that title remains with Trendway and that Trendway reserves the right to modify payment terms to assure recovery of any additional cost incurred.

16. Transportation

All orders shipped to any destination, within the contiguous United States, will be F.O.B. origin, freight prepaid, and risk of loss or damage shall pass to Buyer upon delivery to carrier. Trendway will determine the method and agency of transportation to be used.

Exceptions to standard prepaid freight are as follows:

- Customer directed expedites (Air Freight, Team Hauls) will be prepaid by Trendway and Customer will be billed the difference between standard and expedited freight.
- Truckload deliveries that are requested to deliver on weekends, Holidays or after 12:00 noon EST on Friday's will have an additional charge of \$450 per truck.
- Excessive unloading (in excess of 4 hours) will be billed at \$50 per hour after the initial 4 hour unloading period.
- LTL shipments normally deliver between 8:00 am and 5:00 pm, Monday through Friday. A specific delivery time on your assigned delivery date can be

requested for an additional charge of \$150. This charge does not apply to full-truckload shipments. Requests for specific dates/times falling outside standard delivery timeframe for the carrier serving your area constitute Expedites (see Customer-Directed Expedites, above). Expedite charges do apply to full-truckload shipments.

- Lift gate service will have an additional charge of \$85.
- Inside delivery service starts at \$50. Call Customer Care for quote.
- Reconsignment cost after shipment, starts at \$50. Call Customer Care for quote.
- Special equipment requirements call for a quote.

In the event that special F.O.B. Destination terms are agreed to by Trendway or delivery is made on Trendway-owned or -leased equipment, customer or authorized representative is responsible for noting any freight damage or shortage on the freight bill of lading at time of delivery and must notify Trendway within five (5) days of delivery day of any such damage or shortage. Assistance in a concealed damage claim on an F.O.B. Destination shipment will be provided by Trendway only if the product has been immediately unpacked and both the carrier and Trendway have been promptly notified of resultant damage so the proper inspection can be made.

Shipping Note:

Trendway strives to minimize packaging to help the environment and to make installations faster and cleaner.

Trendway ships products in using various packaging methods based upon the product type and shipping method (full truck vs. LTL), all of which are designed to provide protection for the product while minimizing packaging materials.

Trendway test packaging designs to ensure their effectiveness.

17. Product Ownership

Title and risk of loss to all goods sold shall pass to Buyer upon Trendway's delivery to Buyer or to a carrier at shipping point. Trendway, however, retains the Purchase Money Security Interest in all goods shipped and the right to perfect same.

18. Damaged Materials

Trendway Corporation is not responsible for shipped products when the common carrier is in receipt of the material. Trendway expects all customers to thoroughly inspect orders on receipt regardless of point of delivery. Clear receipt should not be given on the material until it has been checked for damage in transit. All claims for noted damaged material must be made by the customer to Trendway Customer Care.

Concealed damage or damage not noted at time of delivery shall be made by the customer to the common carrier within 15 days after receipt. Trendway assumes no liability for such damage.

19. Shortage on Order

Shortage on ordered products must be reported to Trendway Corporation within five (5) days of product delivery and must be noted on bill of lading at time of delivery.

20. Product Usage and Compliance

Buyer assumes full responsibility for the application of Trendway's product to Buyer's use, and compliance with Trendway installation and maintenance instructions and reasonable load restrictions. Compliance to local code restrictions regarding fire, electrical, and building codes are the responsibility of the customer or his authorized agent.

21. Post-Delivery Assistance

Installation and servicing of Trendway products are normally handled directly by Trendway-authorized dealers. When this is not possible, assistance is available by calling Trendway's Customer Care Department, Holland, Michigan.

22. Returned Goods

As a basic policy, Trendway does not accept returned material, because most items are manufactured per order and are not in stock at the factory. If material is authorized for return because of Trendway error, shipment may be made freight collect. Any other goods for which Trendway does authorize a return will be sent prepaid and a restocking charge of 35% will apply. To receive authorization to return goods, please contact Trendway's Customer Care Department.

All Returned Materials Authorizations expire thirty (30) days from date of issue. Any product returned after 30 days will be refused and returned to sender collect.

Electrical components, nonstandard items, Express products, and fabric-covered goods may not be returned. Replacement products will be billed to you with credit being issued upon return of the product in good condition. All goods returned must be in the original

Trendway packing cartons. Goods will be inspected for damage upon return. No credit will be issued for goods which are damaged. As a general statement of policy, return authorization will not be issued for items unless they are Trendway stock items.

23. Intrinsic Key-Alike Option

The Intrinsic Key-Alike option is available on all Intrinsic filing units for no additional upcharge. When the Key-Alike option is chosen, the list price of the purchased Intrinsic filing unit is reduced by the same amount that is charged when ordering the Intrinsic Core/Key Set (ZFLCK) needed for that unit.

The unit is assembled with a "disposable" core in place of the lock core to temporarily secure the drawers/doors for transit. In order for Key-Alike Intrinsic units to lock, the "disposable" core must be field replaced with an Intrinsic Core/Key Set (ZFLCK) which is ordered separately.

Intrinsic Core/Key Set orders should be placed with the Intrinsic filing order to ensure being installed at the time of product installation. The Core/Key Set (ZFLCK) can be ordered separately or by using the key-alike order form which can also be used as a worksheet to help combine and tag Core/Key Sets.

24. Special Marking or Tagging

Special tagging is available on all orders free of charge. Trendway suggests this option to simplify the staging and installation of product. **Tag designations must be specified at the time an order is placed.**

25. Trendway Field Technical and Installation Support:

On-site field measurement and installation support is available as a service. The fees are listed below:

Field Measurement Assistance: 1 Day on-Site, \$1,800.00

Field Installation Assistance: 3 Days on-site, \$3,000.00

These fees are based on a minimum 14 business days advanced notification and booking. Service requests booked less than 14 business days in advance may be subject to additional fees due to added travel cost. For more information or to place a request, contact Trendway Customer Care at 1-616-399-3900.

Find the most current terms and conditions on www.Trendealer.com, in the Price List section.

Limited Lifetime Warranty

Trendway Corporation warrants to the original purchaser that the products described in its price lists, sold after August 1, 2004 will be free from defects in materials and workmanship commencing with the date of initial purchase and continuing for as long as the original owner uses these products. This warranty provides limits on the following products:

	Systems	Architectural Product	Seating
10 Year	•Electrical Components •Height-Adjustable Table Frame		•Pneumatic Cylinder •Mechanisms
5 Year	Drawer Slides Systems Textiles Finishes Electronic Ballasts Height-Adjustable Table Mechanical Components	•System Textiles •Finishes	
3 Year	Veneer Magnetic Ballasts		•Trim •Foam •Upholstery •Arm Pads
2 Year	Surface Trend Fabrics Height-Adjustable Table Electrical Components	•Surface Trend Fabrics	
1 Year	•Non-Standard Product •Personal Task Lighting	•Non-Standard Product •TrendWall® Flooring Solutions	•Non-Standard Product
Not Covered	•Light Bulbs •Customer's Own Material	•Customer's Own Material	•Customer's Own Material

The following exceptions apply to all product lines:

- The Trendway warranty applies to normal three shift office use, with the exception of seating. Seating is warranted for single-shift usage.
- Damage caused by improper treatment of the product including exposure to unusual environmental conditions (extreme climates, acids, and moisture)

This comprehensive warranty applies to all products installed or reconfigured by a Trendway authorized installer. Trendway will repair, or at its option, replace defective merchandise, free of charge, which, when used normally and pursuant to Trendway's published instructions, and applicable planning guide information, prove to be defective within the period stated. This remedy is expressly agreed to be exclusive as a condition of sale. No person is authorized to assume for Trendway any warranty liability, except as expressly set forth in this paragraph, or set forth in writing by an authorized officer of the company at its headquarters in Holland, Michigan.

Any and all labor charge backs must be pre-approved by Trendway's Customer Care Manager in writing. Trendway will reimburse authorized Trendway dealers and service centers for approved warranty labor during the first year of use.

This warranty does not apply to damage resulting from accident, alteration, transport, or misuse, as well as damage from normal wear and tear such as dents, nicks, scratches, fading and improper maintenance. Trendway employs quality measures to ensure color consistency in our products. However, due to the effects of light and other environmental factors, no guarantee can be made for an exact match to product in an existing installation.

Natural variations occurring in materials such as wood and leather are not considered defects, and Trendway does not warrant the matching of colors, grains, textures or colorfastness of these materials.

Trendway provides a three-year warranty on veneer products for quality and craftsmanship. Due to the natural properties of wood, the following are not covered under this warranty:

- Changes in wood color resulting from exposure to light or aging
- Natural color variation between wood veneer and solid wood pieces, or resulting from veneer lay-up
- Natural variation in wood grain or the presence of character marks
- Normal wear and tear
- Exact match to swatch materials

Trendway makes no warranty to purchasers who acquire products for personal, family, or household purposes, or to purchasers acquiring the product other than directly from Trendway Corporation, its authorized dealers, or others who are specifically authorized by Trendway to sell such products. Trendway's liability with respect to its products shall not exceed that expressly set forth above irrespective of the theory upon which a claim might be based, including negligence. Under no circumstances shall Trendway be liable for incidental or consequential damages. Original product label must be attached to the product in question.

The warranty period is not interrupted or prolonged by the performance of a service under the terms of the warranty. There are no other warranties except as expressly set forth above, either express or implied, including any warranty of design, merchantability or fitness for any purpose.

This warranty supersedes all previously printed Trendway warranties.

Trendway Corporation 13467 Quincy St., Holland MI 49422-9016 www.trendway.com 09.12
