ABOUT PARAGON

OUR MISSION

Paragon creates inspirational learning experiences, stronger communities, & a better world through educational furnishings.

Our mission is to improve the experience of students & teachers through innovative furniture design that positively impacts the future of our society.

While we can furnish almost every square foot of interior space in most schools, we focus on 4 main areas:
Classroom | Makerspace | Library | Lounge

Each piece & every line is meticulously designed & engineered to work cohesively with the curriculum & in concert with the space. Classroom design shouldn't be an afterthought - let's make it a priority in every school.
