Palmieri Social Media®
Collection
Design: Mark Müller

Mark Müller – designer of the Palmieri Social Media® Collection

With 30 years experience and over 30 national and international awards, Mark Müller has achieved exceptional success as a furniture designer through inspired thinking.

Springboarding from his insights, observations and research on life in the digital age, with Palmieri Social Media®, Mark has designed a brilliantly integrated collection of furniture products. Designs that better fit the way people interact with technology and with each other – whether working in groups or individually.

Mark’s sweeping vision for Palmieri Social Media® is at once timely and timeless. The world is changing, but the desire to create, the need to work effectively, remains the same.

Palmieri Social Media® is an idea whose time has come.

Introducing the Palmieri Social Media® Collection

Versatile, portable table units. Power-ready benches with storage compartments. Compact media technology centers. This is just the beginning of the Palmieri Social Media® Collection.

Each piece in the collection is designed to fit any environment. Designed to encourage interactivity. To facilitate collaboration. To stimulate creativity.

Whether it’s space needed for books or notes, laptops, tablets or other devices, Palmieri Social Media® offers a range of surfaces that reflect how things get done today.

The why and how of Palmieri Social Media®

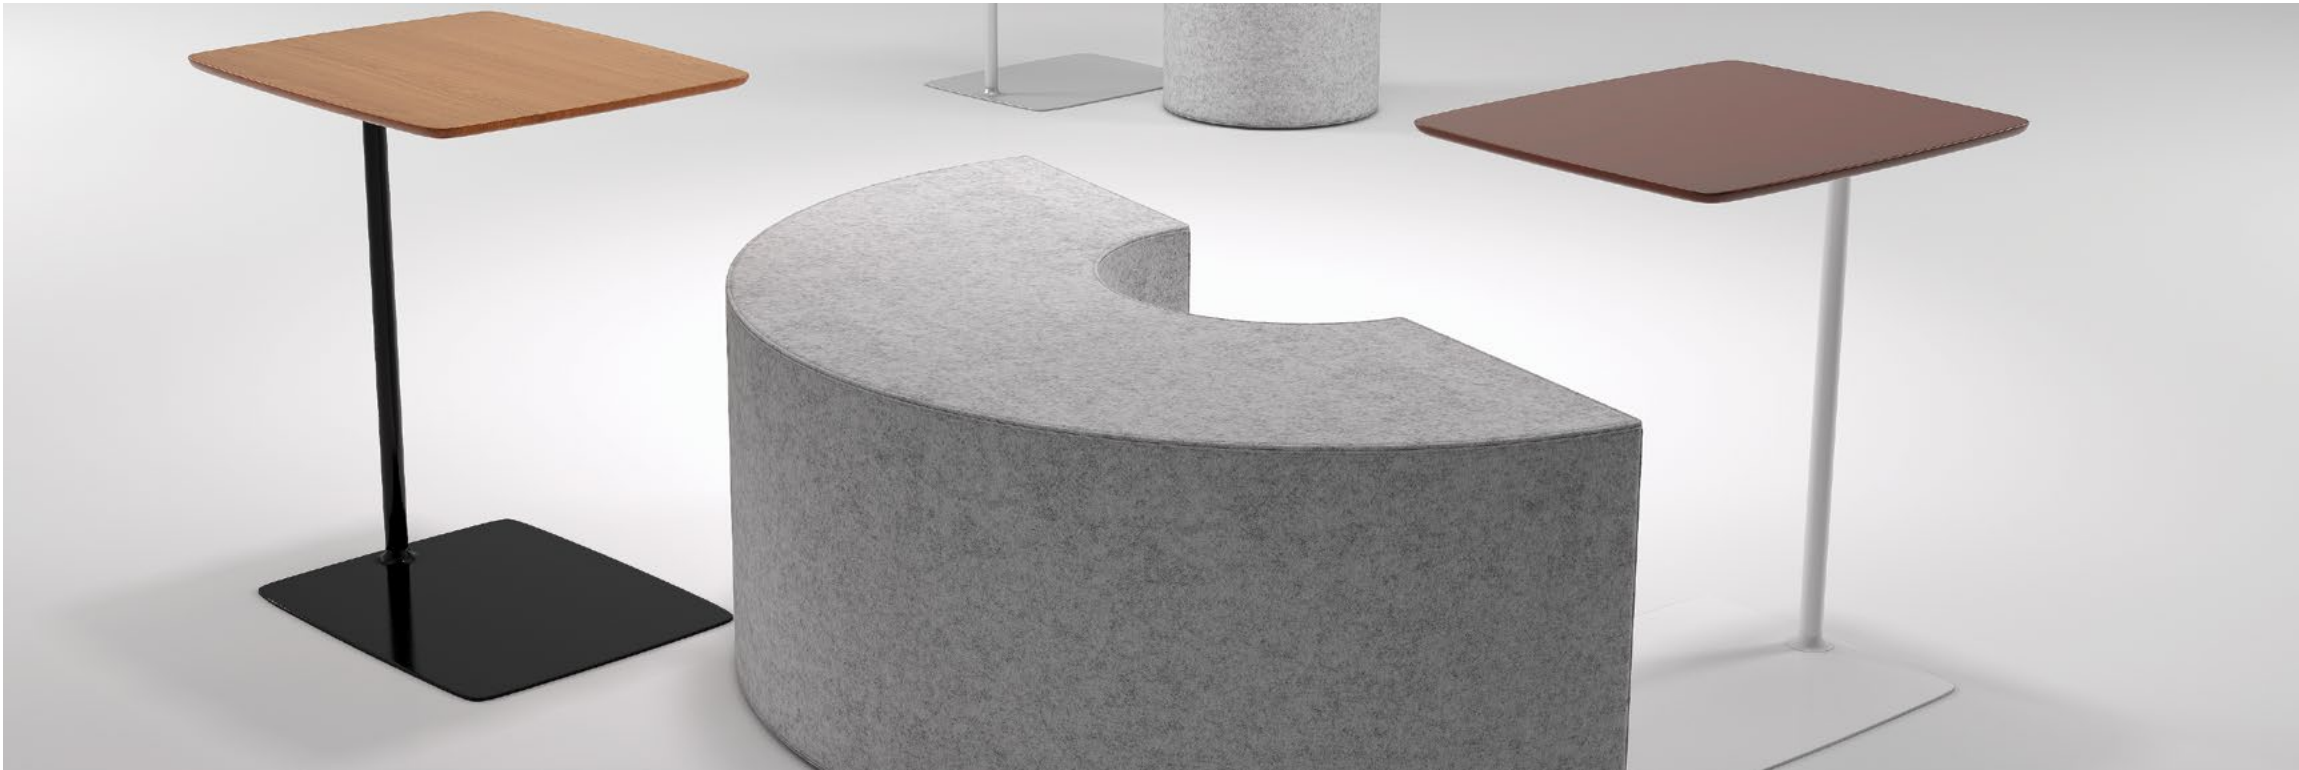

Anyone who interacts with a digital device – which is practically everyone these days – now wants and needs environments that are dynamic. Flexible. Comfortable. Adjustable. Stimulating. And power-ready.

With the Palmieri Social Media® Collection, designer Mark Müller has woven together a series of fundamental new furniture elements that give individuals the means of working in any number of configurations. Enabling both solitary and collaborative activities that facilitate learning and exploration.

Now it’s time for you to explore the possibilities, the opportunities that Palmieri Social Media® offers.

Tables

Get started. Get meeting. Get talking.

Palmieri Social Media® starts with SM1 – a collection of small, low-profile tables that bring flexibility and fun to working solo or in groups.

SM1.

SM1 Tables: Select from a variety of wood, laminate finishes and metal paint colors.
(See pg. 18-19 for details)

Sit down and get started with Palmieri Social Media®

MODEL SHOWN:
SM1.2-L (above) & SM1.3-L (left)

Tables

Feel free to adjust your mindset.

Palmieri Social Media® continues with SM2 – a selection of larger, adjustable-height tables. Whether sitting or standing, for minutes or hours, people interact with SM2 any way they prefer.

Standalone or side by side, SM2 tables adapt to fit your space.

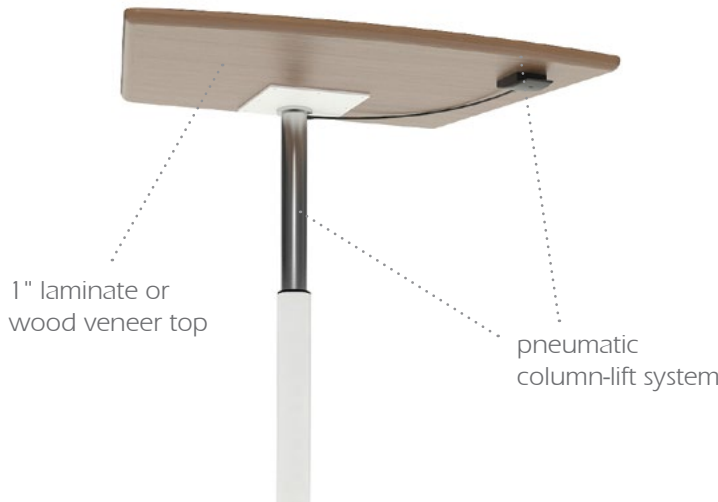

SM2.

SM2.2-L

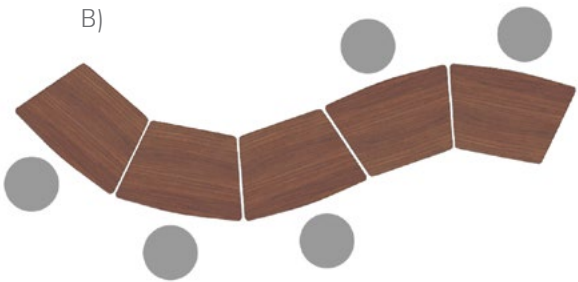

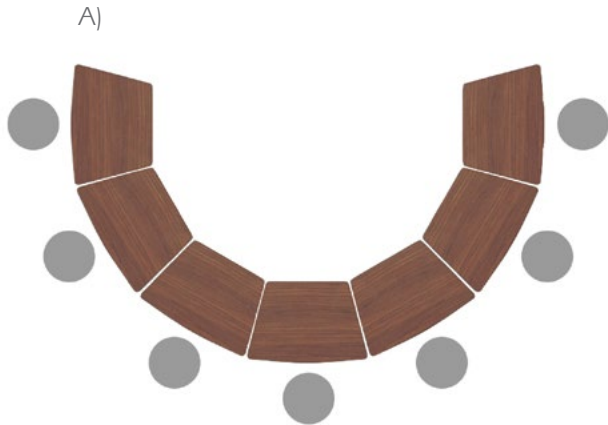

29" standard fixed height
27" to 42½" adjustable heights available

2½" diameter tubular
16 gauge steel column
with ¾" thick, tapered
steel base

1" laminate or
wood veneer top

pneumatic
column-lift system

SM2 layout configurations: (top view)
A) Arch and B) Serpentine

Tables and Benches

Sit down. Power up. Get comfortable.

Palmieri Social Media® delivers versatile and comfortable power-ready seating and storage with SM3 tables and benches.

Palmieri Social Media® SM3 table and benching system can be combined or configured in a variety of formations and works beautifully in a wide range of environments.

SM3.

Imagine the possibilities of Palmieri Social Media®.

Highly functional. Flexible. Casual. Fun.

Once you start putting people first, the promise of our ever-changing digital world becomes much more alive. More vibrant. More human.

Adjustable Height Tables

Get into your comfort zone.

Sit down with – or step up to – Palmieri Social Media® in the way you prefer. With SM4, you have a range of sit or stand choices, in fixed or adjustable height options.

Palmieri Social Media® SM4 tables work well as smaller workstation spaces or as display areas. They're also great for casual meetings.

1" laminate or wood veneer top

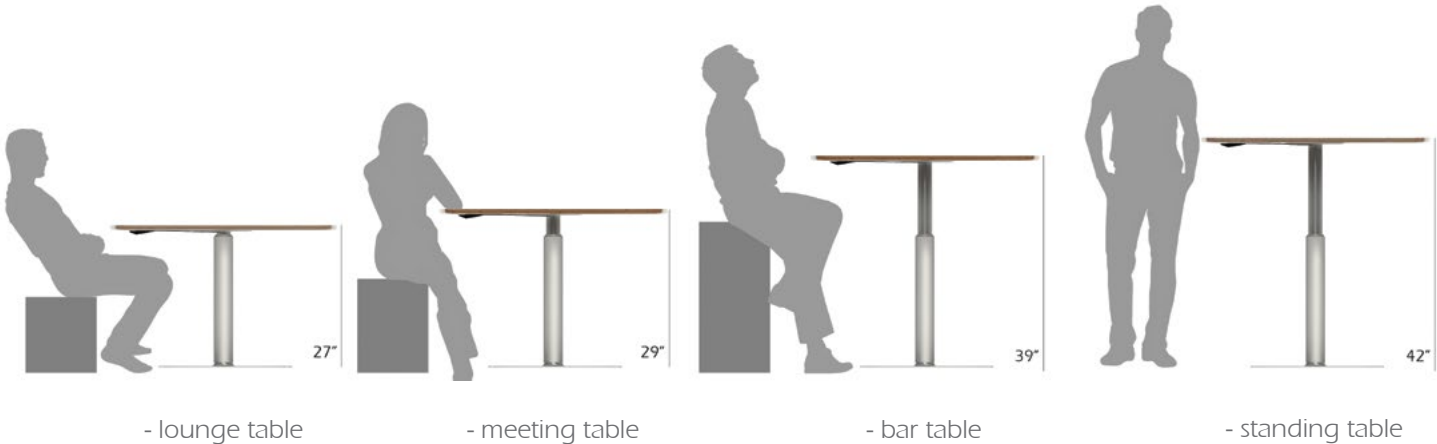

3¾" diameter tubular
16 gauge steel column
with ¾" thick, tapered
steel base

MODEL SHOWN:
SM4.2-L

With great sit/stand versatility, SM4 tables can serve a range of needs.

(For complete product details, including different top sizes and fixed or adjustable height options, please refer to specification guide)

SM4.

Maximize technology and collaboration through Palmieri Social Media® SM5 media center options. Incorporate computer or video screens, televisions and projection devices for a full spectrum of working and learning possibilities.

Palmieri Social Media® SM5 media centers offer compelling digital sharing capabilities.

(For complete product details, including power, data, video capabilities, table top shapes and sizes, please refer to specification guide)

SM5.

Get together. Get working. Get results.

It's a family of products for the digital age.
It's designed to fit any environment.
It's an idea whose time has come.

Customize your Palmieri Social Media® furnishings to your specific preferences.

With four different woods and 19 finishes, 36 laminate options, 18 metal color options, multiple surface laminate choices, and four different bench fabric types covering 76 different color options, your customized Palmieri Social Media® collection is sure to be one-of-a-kind.
