

**Wave** is a modern day carrel part of our P2 collection that allows individuals an independent, private working space. Each unit is exquisitely crafted in a wood veneer or frosted acrylic back, with the option of a courtesy shelf extension. Fully optimize user experience by adding a tabletop power bank and transform Wave to a universal element.

P2 Wave is available in a variety of configurations. Please visit [palmierifurniture.com](http://palmierifurniture.com) for more information.
