Powdered Hand Dishwashing Detergent

Product Properties

COLOR: White Powder
ODOR: Lavender
pH: 10
SOLUBILITY IN WATER: Appreciable
DETERGENCY: Excellent

Description

This concentrated powdered detergent is formulated for fast and effective soil removal on dishes, glassware, fine china, pots, pans, utensils, silver and flatware. It produces rich, stable, long lasting suds, yet rinses freely leaving sparkling clean results. Use for all purpose cleaning of floors, walls, counters, painted surfaces, automobiles and truck windows, etc.

Features...Benefits

Economical
Removes Heavy Soils
Long-Lasting Suds
Free-Rinsing
Versatile

Directions

Use 1/4 to 2 ounces per gallon of warm water. Soak baked on, dried and encrusted items for a while to allow penetrating action to lift soil and grease. Scrub with sponge or pad. Rinse all items thoroughly and sanitize with chlorine or quaternary ammonium product solution.

NOTE: To prevent "dishpan hands," use rubber gloves to keep this powerful detergent from removing natural body oils from your hands, along with unwanted grease and food soil.

Safety Information

KEEP OUT OF REACH OF CHILDREN

CAUTION

Harmful if swallowed. Avoid eye contact. If eye contact occurs, flush with water for 15 minutes. If irritation persists, or if ingested, seek medical attention.
