

Contract Furniture

A photograph of a modern dining set. On the left is a wooden chair with a light green upholstered seat and a backrest with horizontal slats and a circular cutout at the top. To its right is a round wooden table with a light green top. Another similar chair is partially visible on the right. The background is a warm yellow wall, and a potted plant is in the upper right corner. The floor is made of light-colored wooden planks.

Parallax

# Parallax

## Distinct style. Unparalleled adaptability.

The **Parallax Chair** isn't a final decision; it's a starting point. With a wood or upholstered seat and optional accent cutout, the Parallax Chair complements a wide variety of distinguished looks. Perfect for either traditional or contemporary furnishings, the open slat design combines style and durability, while a high-strength chair foundation ensures years of use.

- Solid, durable construction
- Wood (scooped) or upholstered seat
- Horizontal back slats
- Optional accent cutout
- Fabrics and finishes offer a variety of looks
