SAVES INDUCTEES

Each year, Point Blank honors law enforcement officers that have been saved by our protective products through our National Saves Appreciation Program. In December 2022, we had the opportunity to meet the most remarkable individuals who truly epitomize courage, bravery and dedication. These incredible men and women spanning over a dozen states across the U.S. attended our annual Saves Awards Event in Pompano Beach, Florida. Throughout the event, officers were able to share their experiences with other officers and their respective families. Their entrust in us forms the very foundation of our mission... to protect and save lives.

We're thankful for their service and grateful to have these officers become a part of our Point Blank family.
