

Powerclean degreaser is a water-soluble heavy duty butyl based all-purpose cleaner and degreaser. It is specially formulated for the industrial, commercial and automotive industry. It will effectively remove the toughest oils, grease, and soils on nonporous surfaces.

DIRECTIONS FOR USE:

-Heavy degreasing: Use 1 part degreaser to 1 part water. Apply to surface, scrub and rinse thoroughly after cleaning.

-Medium degreasing: Use 1 part degreaser to 15 parts water. Apply to surface, scrub and rinse thoroughly after cleaning.

-Light degreasing: Use 1 part degreaser to 30 parts water. Apply to surface, scrub and rinse thoroughly after cleaning.

Always test on small area to be cleaned. Do not allow product to dry on glass, painted or plastic surfaces. Always use in a well-ventilated area.

POWER CLEAN DEGREASER
