FOR INSTITUTIONAL AND FOOD
SERVICE USE ONLY.

KEEP OUT OF REACH OF CHILDREN

Manufactured by
Chemical Products & Systems, Inc.
Jackson, MS

PRODUCT INFORMATION

Precision is an excellent non-foaming heavy duty chlorinated mechanical dishwashing detergent specifically formulated for high temperature dishwashing machines. Precision removes the toughest grease and stains while providing spot free rinsing.

NOTE: NOT FOR MANUAL USE.

Only use in commercial dishwashing dispensing equipment

DIRECTIONS

Remove lid from cannister and place in dispensing system with the door open end down.
Do not remove canister until empty.
When empty remove canister by carefully lifting from dispenser and turn upright.
Replace with new canister.

HAZARD STATEMENT

Harmful if swallowed. May cause severe burns on contact. Injurious to mucous membrane, eyes, and skin.

Do not mix with acids or other detergents. Wash hands after handling. Avoid contact with skin or eyes.

FIRST AID

If swallowed DO NOT induce vomiting. Dilute by giving large amounts of water or milk and call a physician.
If in eyes: Flush with large amounts of water for 15 minutes and call a physician.
Skin contact: Wash exposed skin with soap and water until gone.
