Easy Rinsing
No Residue in Hardwater

CAUTION:

Keep Out of Reach of Children
(See side panel for first aid statement.)

Manufactured by:
Chemical Products & Systems, Inc.
Jackson, MS 39201

DIRECTIONS:

DISHES AND GLASSES: For general cleaning use 1 ounce of liquid for each gallon of water used. Use hot water for best results. Allow dishes and glasses to soak in wash solution before cleaning. Then wash in normal manner. Rinse in hot water and allow to drain dry.

POTS, PANS AND SILVERWARE: Use same instructions as above.

NOTE: It may be necessary to use additional liquid compound on heavily soiled items.
