STORAGE SPECIFICATIONS

Drawer capability

The functionality of the metal lateral file drawers varies depending on the number and type of drawers in the file cabinet.

The top drawer on all of the 5-drawer high units is manufactured with a receding door and pull out shelf (even when the file cabinet is specified with fixed fronts).

The top drawer on all of the 6 high units is manufactured with a receding door and fixed shelf, the 5th drawer is the same as the unit above (even when the file cabinet is specified with fixed fronts).

The bottom drawer of all the file cabinets is manufactured with a fixed front (even when the file cabinet is specified with receding doors).

Shelf

The option of the posting shelf applies to file cabinets with 4 to 6 drawers and replaces the reinforced crossbar. Depending on the type of configuration selected, it can be situated at 30", 33" or 36" from the bottom. To replace the reinforced crossbar, add the code RS under "Options". Upcharge of \$121. Certain restrictions will apply, see the product description.

File Bars

The metal lateral file cabinets are delivered with side-to-side lateral file bars for each 12" drawer. This allows for both letter and legal size documents. For front-to-back filing, the bars must be ordered separately (as shown on p.26).

Lateral file bars (included).

Front-to-back lateral file bars (order separately).

Interlock

Interlock is a blocking mechanism that allows the opening of only a single drawer at a time to prevent the filing unit from tipping over.

STORAGE SPECIFICATIONS (CONT'D)

Counterweight

The counterweight option is available on certain products. This counterweight is installed in the factory and reduces the chance of tipping when overloading the upper drawers. To meet with BIFMA standards, please call Artopex Customer Service.

Metal Colors

The metal units are available in all of the finishes on the current Artopex enamel color sample cards. Please note that the Metallic colors are in a different price category than standard colors, as shown in the price list.

Shelves in the overfile cabinets, storage cabinets and bookcases are color-matched with the exterior finish. All accessories are black unless otherwise indicated.

Laminate and Wood Finishes

Laminated or wood tops are available for lateral files, see the Take Off and Essentia price lists. Refer to the current Artopex laminate and wood finishes sample cards.

Non Standard Colors

To order products finished in colors not appearing on the current Artopex enamel sample cards, proceed as follows:

1. Prepare a list with descriptions of the product required.
2. Add the code "90XX" in the "color" section of the specification line and identify, if necessary, the sections of the unit to be painted in this colour.
3. Send pre-paid a 4"x6" sample to Artopex Customer Service:
Artopex, 800 Vadnais, Granby, Qc, Canada, J2J 1A7.
If possible, indicate the name of the paint supplier and/or a product reference.
4. Add a net amount of \$1,000 per order and per color for a quantity of 1 to 20 metal products or \$1,500 for more than 21 metal products.

Certain colors, including shades of white, may be difficult to match. Artopex will submit a sample as close as possible to the requested color for approval. The delivery date is 4 to 6 weeks from the date the sample is returned, approved and signed by the client.

Express

Artopex offers certain products on a ready-to-ship basis. The **X** logo in front of the product code will identify them in the price list. Refer to our Express program for more details (colors, delivery dates, etc.).

C.O.M. Orders (cushions)

Clients can order Artopex cushions covered in fabric supplied by the client. The base price of the products are equal to Grade 2, indicated in the second column of the price chart (COM/Gr.2)

C.O.M. orders must be clearly written, indicating the color, the pattern, the size of the fabric and the name of the manufacturer or distributor. Request the appropriate form from Artopex Customer Service.

If requested by Customer Service, a 12"x12" sample must be sent, pre-paid, to Artopex Customer Service for approval:

Artopex, 800 Vadnais, Granby, Qc, Canada, J2J 1A7.

Once the sample and the order have been approved, Customer Service will provide instructions for the delivery of the fabric to our plants.

When the fabric is supplied by the client, the order delivery date will be confirmed only after the material is received at Artopex. Artopex accepts no responsibility with regard to the quality and durability of fabric that is not part of its regular fabric offering.

Accessories

The drawers can be equipped with compressors, different types of dividers, card trays, etc. Order these items separately.

General Information

- Artopex reserves the right to modify the specifications of products, materials, design or accessories without notice. Artopex also reserves the right to discontinue products at any time.
- Products, accessories, materials and finishes as described in the price lists prevail over the content of brochures or flyers.
- The weights and volumes shown in the price lists include packaging and are approximate.

LOCKS

NOKI Electronic Lock

The NOKI lock is offered as an option on most metal storage. It is possible to specify the position of the lock on the lateral files: assign "LT1" for a lock positioned at the top of the cabinet and "LM1" for a lock positioned at mid-height, 36"H.

The Noki lock is compliant with ANSI/BIFMA standards.

Standard Lock

All of the cabinets (except bookcases and overfiles) include a locking system of one to three locks in a chrome finish.

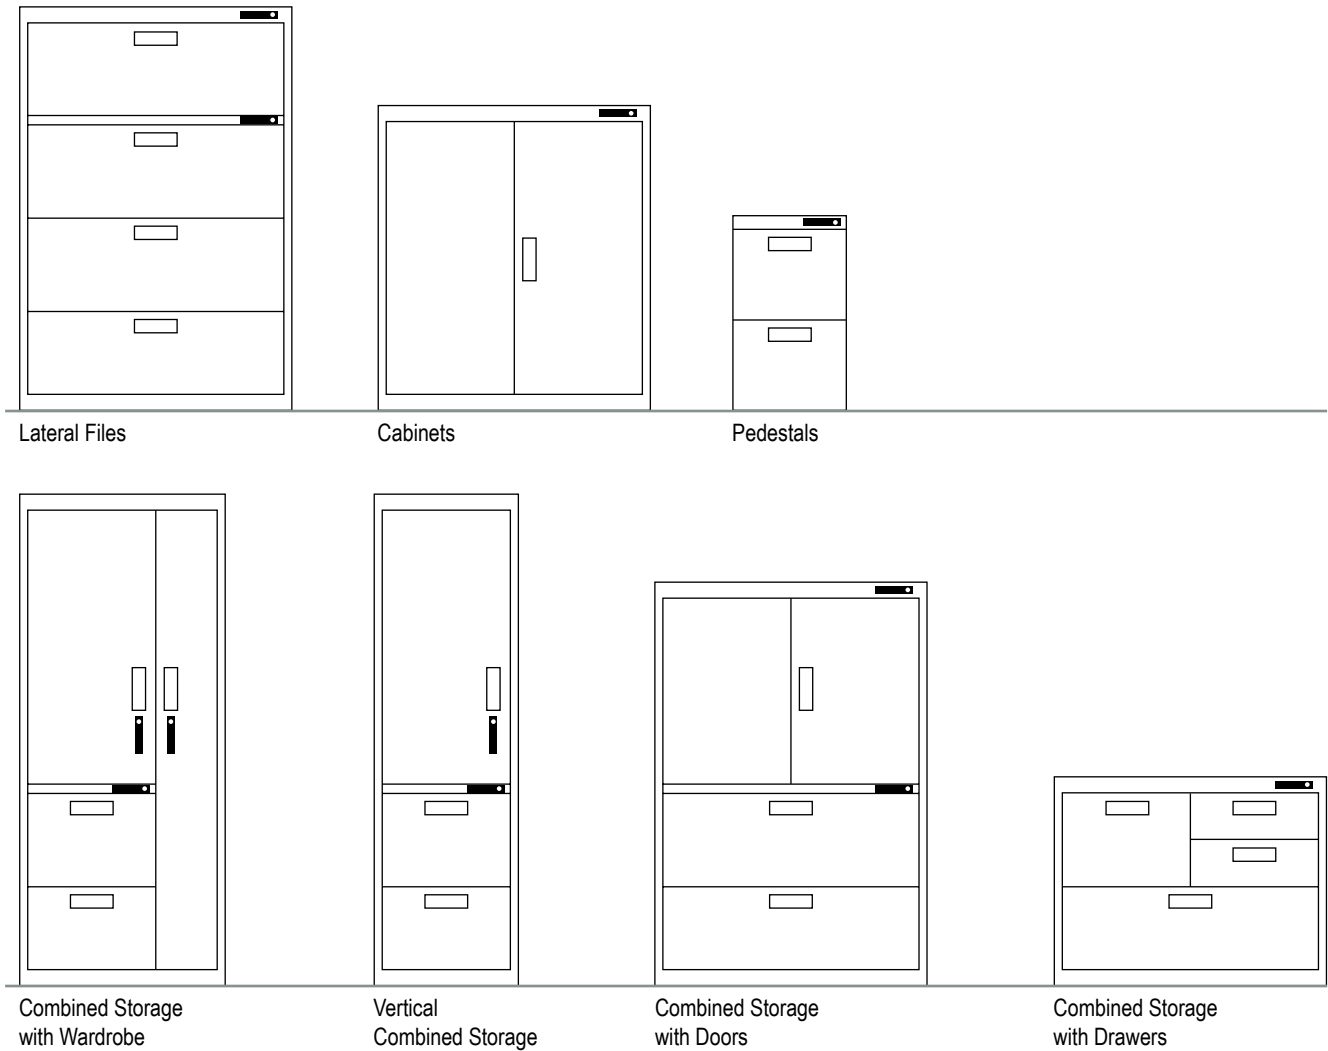

Keyed Alike

The option to key alike is available, without upcharge, on all of the products with standard locks. Keyed alike products must be grouped and identified as such. Assign code K01 for the parts in the first workstation, K02 for the parts of the second workstation, and so on. Unless otherwise specified, the locks will be installed in the factory with a lock number associated with code K__.

Please note: Random lock numbers will be used for each order. Therefore, it is necessary to specify the key number when ordering additional keys.

NOKI - POSITIONS ON THE UNITS

The position of the standard lock is indicated in the illustrations in the price list. The illustrations below show the position of the Noki electronic locks, when the option is selected.

PEDESTALS

General information

The pedestals are modular 15" wide units and are compatible with the Artopex furniture and systems. They are available in three heights on levelling glides or on double-wheel casters, which allow the placement of the units under work surfaces of 26" to 29" in height.

All pedestals are supplied with a standard lock. The keyed alike or a Noki electronic lock options are available.

Each pedestal includes a pencil tray in the first 3" or 6" drawer, a divider in each 3" and 6" drawer and 2 suspension bars in all 12" drawers.

Mobile pedestals have an additional caster installed under the bottom drawer for extra stability.

The drawers use full-extension ball bearing slides, allowing complete opening and smooth operation regardless of the weight of the drawer contents. 3", 6" and 12" high drawers are available.

Interior clearance under horizontal surfaces

The chart (at right) shows the clearance available under the desks and tables of the Take Off series, when a metal storage unit is positioned under the work surface.

Interior clearance under vertical surfaces

The chart (below) shows the vertical space use when a metal storage unit is placed under a 29" high surface.

Specify **Code:** Consult the product code above.

Color: Specify the enamel finish, refer to the current Artopex enamel sample color cards.

custom storage units

price list

It is possible to customize a file cabinet in the 55 and 57 Series by specifying the number and type of drawer along with the style of cabinet requested. The information below summarizes the different options. Other types outside of the standards can be manufactured depending on the request. Please speak with your representative or Artopex Customer Service for more information on the conditions and the way to order a custom file cabinet.

Types and styles of drawers

There are 4 types of drawers/shelves offered in different height formats and in 3 sizes: 30", 36" and 42". The 3" drawers have 2 dividers and cannot be locked with a key regardless of their position on the cabinet. Please note: the 3" drawers are not available in the 57 Series.

Drawer with fixed front
Offered in heights:
3" (code E)
6" (code 0)
9" (code 9)
12" (code 3)
15" (code 7)

Prices and Payment

All prices shown in this price list are suggested retail prices and are subject to change without notice. Prices do not include installation and shipping costs. Taxes are extra. These prices are guaranteed for 30 days from the date of quotation and are firm and final after acceptance of the order. Orders are invoiced at the time of shipment. Terms of payment are net 30 days from date of invoice. Any products sold by Artopex shall remain its property until fully paid in cash. In the event that the purchaser defaults in the payment of any sum due to Artopex, or in the event the purchaser's financial condition becomes unsatisfactory to Artopex, Artopex reserves the right upon notice to the purchaser, to differ or discontinue shipment of any goods or, to refuse any order until time as the default is corrected or the purchaser provides assurance of payment to Artopex.

Orders

Artopex requires that all orders be submitted in writing to avoid errors and/or duplication. The purchaser is responsible to submit complete orders. Incomplete or incorrect orders (finish colors missing...) will be processed upon reception of the complete information and normal production lead-time will be applied from the date that the complete information is received.

Acknowledgments

Orders will be acknowledged with Artopex acknowledgement forms governing the transaction. The details appearing on this acknowledgment will describe the items to be shipped to the purchaser and the ready to ship date (not the actual shipping date). It is the purchaser's responsibility to verify that the acknowledgment information is correct. If not, the purchaser must notify Artopex within 48 hours in writing. Failure to provide corrections within 48 hours could be subject to extra charges (see Changes and Cancellation).

Changes and Cancellations

Order cancellations or changes are subject to acceptance by Artopex. Special order items and fabric-covered items (standard or C.O.M. fabrics) already in production are not subject to change or cancellation under any circumstances.

A) Changes: Standard product already in production will be subject to a 25% modification surcharge. Changes to the shipping date must be taken into consideration.

B) Cancellations: Artopex reserves the right to invoice the purchaser for any items already in production at the cancellation date and for lost profit on the remaining items.

Storage

Artopex reserves the right to invoice the purchaser for storage charges in specific cases.

Shipping

A) Prices are F.O.B. factory, collect.

B) Artopex will choose the carrier unless otherwise specified by the purchaser. Goods will be handed over to the common carrier in good condition; Artopex liability ceases at this point. Shipping will be done at the purchaser's unloading dock. The purchaser should have an unloading dock able to accommodate 53' trailers and must supply the unloading personnel.

C) Claims: Artopex is not responsible for damage that occurs in transit or in storage. It is the purchaser's responsibility to examine goods upon receipt and to file any claims with the carrier. Failure to provide an adequate description of the lost items or damages to the carrier could result in the carrier refusal to honor the charges. It is the purchaser's responsibility to obtain information on the carrier's claim policies and to send any claims to the carrier. For other policies, contact Customer Service.

D) It is the purchaser's responsibility to file any claims even if the order has been shipped directly to the client.

Return of Goods

A) No merchandise may be returned without Artopex written consent and shipping instructions. If this procedure is not followed, the merchandise will not be accepted by the factory and will be reshipped collect without further notice.

B) Goods must be returned properly packaged and all boxes must be clearly marked with the authorization number.

C) Returns of items authorized by Artopex are subject to a charge of 25% plus freight (and customs, if applicable) and repair costs.

Product Specifications

Artopex reserves the right to modify the specifications of products, materials, design or accessories without notice.

Artopex also reserves the right to cease production of any product at any time. The products, accessories, materials and finishes as described in the price list prevail over the content of brochures or flyers. The weights and volumes shown on the price lists include packaging and are approximations.

Noki Lock

Mechanism and parts under warranty for 5 years, and 1 year warranty on labor.

Artopex Lifetime Warranty

Artopex warrants its products are free of defects in design, material and workmanship for as long as the original purchaser owns them.

If written notice of the defect is given to Artopex within the applicable warranty period, Artopex will repair or replace with comparable product, at Artopex's choice, without charge to the original purchaser, any part or product shipped after July 1, 2001, which fails under normal use as a result of such defect.

This warranty provides limits on the following products :

- electrical components, which are warranted for (10) ten years from date of delivery,
- seating mechanisms, which are warranted for (5) five years of single shift usage from date of delivery,
- Artopex fabrics which are warranted for (5) five years from date of delivery,
- moving and high wear parts such as covering materials/finishes, arm rests, chair bases, foam, wood framed seating products, stacking chairs, glides, slides, casters, user-adjustable worksurface mechanisms, which are warranted for (5) five years of single shift usage from date of delivery,
- non-standard specials, which are warranted for (1) one year from date of delivery.

This warranty does not extend to :

- Customer's Own Material (C.O.M.) or finishes applied to Artopex products,
- Ballast and light bulbs,
- Products that have been modified or have not been installed or used according to Artopex application and installation guidelines.

On products warranted for a specified number of years of single shift usage, the warranty period will be reduced in a pro-rata manner when the products are used in a manner that exceeds the equivalent of a single shift forty (40) hour work week.

This warranty is the Customer's sole recourse for product defect. This warranty does not cover damage by a carrier in transit. Artopex makes no warranties, including the implied warranties of market value or utility for a particular purpose, other than the express warranties contained herein. There are no other warranties expressed or implied. Artopex shall not be liable for consequential or incidental damages arising from any product defect.

*Designing, manufacturing, advising, planning
and supporting: that's the art that
distinguishes our purpose at Artopex.*
