

PrimaGuard® Underwear

Secure | Comfortable | Dignity

Our industry leading technology utilizes 4 uniquely designed advancements to provide discreet comfortable leakage protection and dryness.

1. Dual Core

Having two cores significantly increases the ability to wick and lock fluid away from the skin, resulting in greater comfort and wearer satisfaction.

2. OdorLoc

PrimaGuard's odor destroying technology reduces ammonia levels in the core, preventing odors before they begin.

3. Premium Acquisition Layer

Quickly moves any liquids away from the skin and into the absorbent core ensuring the skin stays dry.

4. Extra Absorbency

Our core is thinner and even more discreet than before. This provides a more comfortable, dignified fit for our users.

5. FlexiFit Flexible Waistband

Wears like underwear for a more discreet fit.

6. Tear-away Side Panels

For quick, easy removal.

7. Inner Leg Cuff

Our inner leg cuffs provide the ultimate double barrier leakage protection by providing superior security whatever the use may be.
