

Product Collection

Sedia Systems

As the leading global manufacturer of lecture hall and auditorium furniture, Sedia Systems offers the widest range of fixed seating for the education, corporate, healthcare, government and public assembly markets. In addition to our full line of fixed seating, Sedia Systems offers a variety of multipurpose furniture and acoustic products designed to integrate seamlessly with our fixed seating solutions. Our client centric approach and extensive experience help us deliver elegant and insightfully designed seating solutions that exceed our customer's expectations. When you work with Sedia Systems you can be sure that we will deliver a space that is not only functional and efficient, but also beautiful.

unique. custom. innovative.

Lecture Hall

Sedia Systems offers a wide variety of contemporary lecture hall seating with the broadest array of designs and options. From the innovative M Series that optimizes room capacity, to the sleek V8000 that offers a modern and elegant design, our solutions deliver unparalleled learning environments.
